MEDICAL

DR. JOHNSON, BALTIMORE LOCK HOSPITAL, HAS discovered the most certain, speedy and effectual remedies in the world for DISEASES OF IMPUDENCE.

RELIEF IN SIX TO TWELVE HOURS. NO MERCURY OR NOXIOUS DRUGS. A Cure Warranted, or No Charge, in from One to Two Days.

Weakness of the Back, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Langor, Low Spirits, Constipation of Bowels, Painful Urinary Discharges, Hemorrhoids, Piles, Stricture, Gonorrhoea, Scalding of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those terrible disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to our victims than the sword of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes and anticipations, rendering marriage, &c., impossible.

YOUNG MEN. Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of the young men of the most exalted talents and brilliant intellect, who might otherwise have enriched the Senate with the thunder of eloquence or waited to ecstasy the living lyre, may find relief with full confidence.

MARRIAGE. Married persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should be cured.

ORGANO WEAKNESS. This distressing affection—renders life miserable and marriage impossible—the penalty paid for the victims of improper indulgence. Young persons are too apt to neglect the symptoms of this disease, and the consequences that may ensue, until they are unable to stand the subject will pretend to deny that the power of procreation is lessened by those falling into improper habits by the prudent. Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, depression, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death.

ORGAN NO. 7, SOUTH FRANKLIN STREET. Left hand side going from Baltimore street, a few doors from the corner. Fall not to observe name and address of Letters must be paid and contain a stamp. The Doctor's Diplomas hang in his office.

DR. JOHNSON, Member of the Royal College of Surgeons, London, graduate from one of the most eminent colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, in the treatment of the most numerous and difficult cases that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and habitually with nervous twitching, attended sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE. These are some of the sad and melancholy effects produced by the frequent use of the venereal poison, and which, unless remedied, will lead to the most fatal and permanent consequences. It is a disease which, unless cured, will destroy the mind and body, and render the patient a burden to himself and his family.

YOUNG MEN. Who have injured themselves by a certain practice in which they have been frequently engaged, and which has rendered them impotent, or has produced other serious and permanent consequences, should be cured.

MARRIAGE. Reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect of the future darkens, the mind becomes agitated with despair and filled with the melancholy reflection that the happiness of another be comes blighted with his own.

DISEASE OF IMPUDENCE. When the misguided and imprudent victim of pleasure finds he has imbibed the seeds of this painful disease, too often happens that an ill-timed sense of shame or the dread of discovery prevents him from applying to a physician for education and respectability, can alone benefit him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing him, keep him in a state of suspense, keep him trifling month after month, or so long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his galling disappointments, or, by the use of mercurial poisons, Mercury, hasten the constitutional symptoms of this terrible disease, such as affections of the Head, Throat, Nose, Skin, etc., progressing with rapidity to the most fatal termination.

INDORSEMENT OF THE PRESS. The many thousands cured at this institution year after year, and the numerous important surgical operations performed by Dr. Johnson, witnessed by the reporters of the Sun, Copper, and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsible ability, is a sufficient guarantee to the afflicted.
