ORGANIC WEAKNESS

ORGANIO WEAKNESS mmediately cured, and full vigor restored. This distressing affection—which readers life misorable and marriage impossible—is the penalty paid by the vie-tims of improper indulgence. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that under-stands the subject will pretend to dony that the power of procreation is lost sconer by those failing into improper habits than by the prudent. Besides being deprived the pleasures of healthy offspring, the most serious and de-structive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia palpitation of the heart, indigestion, constitutional debility, a warting of the frame, cough, con-sumption, docay and death.
