SOLDIERS READ!

The following letter from a soldier, in reference to the efficacy and powerful restorative qualities of DR. MCBRIDE'S KING OF PAIN, speaks for itself:

NEWVILLE, CUMBERLAND, PA., Sept. 14, 1864.

Mrs. S. A. Kunkel, Druggist, Harrisburg, Pa.—Gentlemen—will inform you that I received the bottles of McBride's Great Pain Killer, and enclosed please find five dollars more, for which send me five bottles additional.

I can't say I can't carry it, but I can't afford to pay for it. I have a cure, but I am not able to get out of my comrades of various diseases, and I am compelled to camp, and I recommend it to be the best medicine the soldier can provide for himself.

Yours respectfully, JOSEPH E. WHITE.

All orders from a distance promptly attended to by S. A. KUNKEL & CO.

A HOME CERTIFICATE.

The following certificate is from a well-known citizen of Harrisburg:

HARRISBURG, Aug. 30, 1864.

To THE PUBLIC.—It gives me great pleasure to recommend to your attention the following certificate from Dr. McBride, which calls the "KING OF PAIN." I was induced to use it as an external remedy for a bruise, which it relieved immediately, and subsequently cured entirely. Its success induced me to use it internally for Diarrhea, with which I was afflicted in a chronic form for nearly two years. I had been unable to secure a remedy, and my bowels were constantly deranged. The medicine has cured me, and certainly that is saying a great deal in its favor, when I reflect how many others I tried without experiencing anything but temporary relief! For my part, I shall always keep a supply of it in my house, believing as I do that it is a most invaluable family medicine.

DANIEL E. WILT.

The unexpected sale of this medicine proves it to be the most wonderful discovery of the age in the medical art.

MEDICAL.

DYSPEPSIA.

Dr. Wishart's in the Philadelphia Ledger, of a great cure

made upon Mr. John Babcock, of 1023 Olive street, Philadelphia, by the great American Dyspepsia Pills. I went to the Doctor's Office, and placed myself under his treatment, and told him I had to leave the city in three weeks. He said, "I will give you a dose of my medicine, and you will now be well free from all pain and distress, and can eat three hearty meals a day with comfort, and feel perfectly well." Dr. Wishart, I want you to publish my case, as we will be giving a reward of \$100 for any one who can receive from your publication a copy of the great cure I have received from your valuable medicine.

PHILADELPHIA CITY.

We present the following returns as far as they have been received. They are in such a confused state that it is impossible to give definite results. Large Union gains have been given in Philadelphia and other places—while there is a considerable reduction of the Governor's vote from last year; this vote will, however, be increased when the returns from the soldiers in camp are received. We have certainly gained several members of Congress, but it is unnecessary to speculate until we can get more returns:
