HARRISBURG, PA. THURSDAY EVENING, OCTOBER 13, 1864.

## God and our Country!

AN OVATION TO VICTORY

Lincoln, Johnson and the Government.

He is a Freeman whom the Truth Makes Free!

In compliance with a request made by many prominent citizens of Harrisburg, in a correspondence which has already been published, an oration discussing the leading published, an oracion discussing the leading issues involved in the great struggle now going on in the Southern States, for the tri-nuph of Barbarism, Treason and Rebellion on the one side, and for Christianity, Civilization, Law and Peace on the other, will be delivered by the

Rev. J. WALKER JACKSON, In the Court House, in the City of Harrisburg, ON FRIDAY EVENING, OCTOBER 14.

All in favor of the freedom of speech-all opposed to the shacklinfi of the body or the mind in the chains of slavery-all in favor of the just rights of labor-all opposed to bar-tering in human flesh-all in favor of the policy of the National Administration to put an end to the Slaveholders' war, are invited to be present and thus testify their abhorrence for the treason of the Southern Nabob. as well as their defiance for the sympathies of the

British Aristocrat. The great object of this meeting is to celebrate with becoming respect and proper en-thusiasm, the late signal and glorious triumph of Law and Order in Ohio, Indiana and Penn sylvania !

Seats will be reserved in the Bar of the

Court Room for Ladies. By Order of the Union County Committee. JOHN J. SHOEMAKER, Chairman. J. M. WIESTLING, Sec'y.

OWN AND COUNTRY

THE Union County Committee will hold a meeting at the office of J. M. Weistling, Esq., on Saturday next, at 2 o'clock.

SALES of condemned Government horses will be held at Giesboro, D. C., on the 14th and 24th inst. Bargains may be had.

THE stockholders of the Harrisburg Bank will hold a meeting on the 14th of November, to decide whether the institution shall become a National Bank.

THE store of Martin Hocker, in Hockers-ville, was recently entered by a thief, who carried off a considerable quantity of butter. The theft was committed in daylight, while the store was open.

THE Franklin County Teachers' Institute will meet in Chambersburg, on the 9th of November.

The Institute of Cumberland County will hold its annual meeting at Shippensburg early in November.

Our citizens should not forget that Rev. J. Walker Jackson, of the Locust Street M. E. Church, will address the people at the Court House, to-morrow evening. One of the grandest speeches of the campaign may be expected.

JOHN STANTON, of Blair county, was robbed in the vicinity of the depot yesterday after-noon. The side pocket of his coat was cut, and a wallet containing \$380 extracted therefrom. The robbery was committed while Mr. Stanton was in a crowd. He has no clue to the thief.

NEW MINES IN DEBRY .-- A few iron ore mines have lately been opened in the lower end of Derry township, along Sandy Mountain. One is on the lot of Peter Frantz, where the

Parly Telegraph soldiers stationed at Fort Delaware guarding rebel prisoners, voted as follows, viz : 

"NONE OF YOUR BLOOD."—A blatant copper-head in this city, fond of hearing himself talk, was boasting this morning that if it re-quired the vote of the soldier to decide the election in the State, in every election district where the contest was thus close, the people at home would make the soil run red with blood hefter they would submit to it. blood before they would submit to it. After seeing the cop swell with self-importance on the assertion, the Republican pricked the wind out of him with the taunting declaration, "It will be none of your blood !" That's so, for a more arrant coward does not live than he.

WHERE ARE THE CENTS ?- The almost entire disappearance of Cents from circulation, is a source of great inconvenience to business people. Before the war they were a glut in the market, payment in considerable sums of nickel being refused, and even small amounts being taken unwillingly. The suspension of specie payment made a demand for them, and our mints have since been engaged in coining them by millions. Yet there are next to none in circulation. This cannot be attributable to exportation or "difference of exchange," be-cause our cents would have no more value in Europe than our paper money. The fact is, they are hoarded, meanly, greedily hoarded, by some foolish people who manage to get hold of them, under the impression that it will have a higher value than paper money. The past six months experience in financial affairs should have convinced them that they were in error. Perhaps they may live to learn.

SYNOD OF WESTERN PENNSYLVANIA ON THE STATE OF THE COUNTRY. -- The Synod of Western Pennsylvania (N. S.) held its annual session

in Erie on the 23d, 24th, 25th and 26th of the past month. The attendance was large and the proceedings interesting, especially those taken upon the report of the committee on "The State of the country." The language of that report, which was adopted with great enthusiasm leaves no doubt as to the attienthusiasm, leaves no doubt as to the attitude of the Synod toward the rebellion:

"The committee appointed to give expression to the views of the Synod on the state of the country, respectfully report:

"2d. That we re-affirm and emphasize our Christian abhorrence of the purpose and aim and animating spirit of the leaders of this

wicked and causeless rebellion. "3d. That we press upon ourselves and peo ple the duty of renewed and constant prayer for a national spirit that shall be 'first pure, then peaceable,' for complete and final victory, for the utter overthrow and extirpation of armed treason, and for a peace that shall be approved of Gol as righteous, conducive to the best interests of humanity, and to the maintenance and ultimate triumph of the

principles of the Gospel of Christ. "4th. That we deeply sympathize with those who have been called of God to climb their mounts of sacrifice and lay lives precious and dear to them upon the altar of patriotism, while we humbly recognize in the trials of the past and such discipline of sorrow as may still be appointed for us, the Divine chasten-

ing for our sins. "5th. That we bless God for the heroism of our soldiers-for their fire and fortitude and faith - for their patriotism and prowess—their vigor, valor and victory.

"6th. That we args upon our congregations to continue, while the war lasts, to support by their liberal contributions and their most faithful prayers, the United States Christian Commission, upon whose efforts to evangelize the army and navy of the Union has been set the seal of the God of Heaven.

ARREST AND ESCAPE OF A BOGUS OFFICER.-The Pittsburg Dispatch gives the following account of the operations of a rascal who has figured at Camp Curtin, and who may proba-bly return. It would be well to look out for

On Wednesday last sergeant Percell, on recruiting service in this city with Major M-Candless, arrested an individual calling him-self Louis Lagrange in Allegheny, on a charge of having deserted from Camp Curtin in Harrisburg last March. When arrested, La-grange was sporting a Captain's uniform and was quite indignant at the idea of being called a deserter. The sergeant, however, could not be shaken off and Lagrange was compelled to accommany him to Provost Marshal Foster's accompany him to Provost Marshal Foster's office. The circumstances which led to his March last Lagrange (then under the middle of March last Lagrange (then under the name of E. M. Dunlap) made his escape from Harris-burg, dressed in the uniform of a staff officer. He stated that he had been on Gen. Banks staff and had just been discharged. Afte stay about town he enlisted as a private in company F. First or Third Pennsylvania cavalry, Captain Sands, and was sent to Camp Curtin. His action excited suspicion in the minds of the officers in command that he was bounty jumper, and he accordingly ordered to be closely confined. This order was modi-fied the following day, so as to allow him the privilege of the camp, under the surveillance of the guard. On the 31st of March he succeeded in making his escape, and nothing of his whereabouts could be ascertained. At that time sergeant Percell was sergeant major at Camp Curtin, and of course he became ac quainted with Dunlap, and the fact of his desertion. When, therefore, he saw the would-be Captain in Allegheny, herecognized him immediately, and arrested him. At a preliminary examination before Captain Foster, Lagrange denied ever having been in the service, and stated that he had been at Saratoga since September, 1863. He also claimed that he was recruiting a company for the Twenty-fifth New York cavalry, and when arrested was on his way to Harrisburg for some men whom he intended to take to Saratoga and enlist. He stated that his commission as Captain and also his authority to recruit, had been burned by the fire at the late accident on the Pennsylvania railroad, together with all his baggage. He alleged that he was a resi dent of Louisville, and that he was a res-after the accident alluded to. His statements were rather contradictory, and he was sent to the Girard House to await a further examination. On Thursday night, however, he practiced a most ingenious dodge on the guard and ef-fected his escape. He still wore his officer's uniform, and as new guards were being put on post, he threw a short cloak over his shoul-ders, took out his memorandum book and pencil, and commenced taking down the names of those confined in the guard room, with the intention of leading the guard to be-

SOLDIER VOTE AT FORT DELAWARE, -The DARING ROBBERY.-The Norristown Herald gives the following account of a daring rob

bery committed in Montgomery county: On Saturday evening, about 7 o'clock, four men disguised, entered the premises of John Selser, in Montgomery township, and robbed him of about two hundred dollars, two or him of about two hundred dollars, two or three watches, and some two thousand dollars in bonds and papers of value. A boy and two men beside Mr. Selser were present, but the daring burglars presented pistols at their heads, and bound them hand and foot. Three of them stood guard over them and the fe-males of the family, while one accompanied Mr. Selser up stairs and forced him to hand over his money and papers over his money and papers.

PROVOST MABSHAL CLEMENT .--- We are most happy to welcome back to his post, after a short absence on sick-leave, Provost Marshal clement. He looks well, and has recovered so far as to be able again to give that vigorous attention to the discharge of his duties, as has made his command in this District so satisfactory to all concerned. We hope it will be a long time before it will be necessary for Capt. Clement to ask leave again of absence on account of sickness.

A COPPERHEAD MURDEREE AT THE POLLS. A COPPERIMAD MURDERER AT THE POLLS.— David Grove, a well known copperhead, kill-ed a Mr. Easterline, at the polls in Landis-burg, Perry county, on Tuesday last. It seems that these persons were discussing pol-itics, during which Grove took out a pocket knife, and deliberately cut Mr. Easterline's throat. He died in less than five minutes. This dastardly act created great excitement, and Grove was errected and committed to feil and Grove was arrested and committed to jail to await his trial.

# Dr. Rand's Specific.

The oldest and most reliable medicine for the cure of Spermaorhœa, Seminal Weakness, Loss of Power, &c. This medicine has stood the test of over thirty years, and has always proved a success.

Dr. RAND'S SPECIFIC is exhibited in the form of pills, made up entirely of substances that have a specific effect upon the generative organs. Most persons associate the idea of operations upon the bowels from taking any kind of pills. The Spectrum of Dr. Rand is not intended as an evacuating medicine. Its medicinal virtues are expended entirely upon the impaired regenerative organs. The pills are not unpleasant to the taste, and many persons masticate them with impunity before swallowing them; which plan we would al-ways recommend, as affording the speediest way to get the effect of the remedy.
