SEATING .- A business meeting of the Har-risburg Skating Club will be held at Brant's Hall this (Thursday) evening, at 7 o'clock.

No. 1, Southwest Corner of Front and MARIET STREETS.—Have you examined those auction goods at Bowman's Cheap Dry Goods Store 3

THE school directors of Adams county met in Convention on Monday, and increased the salary of the County Superintendent from \$500 to \$800.

CIDER.--Our farmers continue to offer eider on the streets, at the rate of six dollars per barrel. Rather steep ! Apples have been unusually abundant.

RUNAWAYS .-- There were two or three runsulted in either case.

FOR SALE .- A number of farms, building lots, improved property, &c., are advertised for sale, in our columns. Capitalists have splendid opportunities afforded for profitable investment of their surplus funds.

CHANGE OF HOURS. -- Attention is invited to the advertisement of the Philadelphia and Erie Railroad. A change in the time of the arrivel and departure of trains has been made, and an additional train placed on the road.

THE First Free Baptist Church is receiving when finished, this will be one of the hand-somest churches in the city, alike honorable to the congregation and the cause of religion.

PREPARE FOR WINTER .- Many of our citi-PREPARE FOR WINTER.—Many of our chi-zens are laying in their supply of coal for winter use. This is a sensible movement, as prices may advance; besides there is always a loss sustained by those who purchase in winter, on account of dirt, snow, &c.

THE leaves are dropping from the trees around the Capitol, and the finger-marks of

King Frost are visible on every hand-re-minding us that the year is rapidly drawing to a close, and admonishing us that the au tumn of life is approaching.

DEATH OF A SOLDIER.—Joseph Enger, late a soldier in the 55th Pennsylvania regiment, died at his residence, in this city, on Monday last. His disease was consumption, which he contracted in the army, during his three years' service. He leaves a large family to mourn his loss.

FROM AN OLD FRIEND IN THE BRITISH ISLES. We have just received the Aberdare Times, ----We have just received the Aberdare Times, published in Wales, sent to us by our young friend Harry Davis, who is on a professional tour through the British Isles, with his pano-rama of the great rebellion. Judging from the account contained in this sheet, Mr. Da-vis is achieving great success, and his pano-rama is regarded by the Welsh critics as a splendid achievement of art. The Times, however charges Herry with being projudiced however, charges Harry with being prejudiced in favor of the Federals. We shouldn't wonder if he was.

SUBSCRIBERS to the boanty fund of the Third ward, city of Harrisburg, are hereby notified that a balance of about \$2,200 is yet in the hands of the Treasurer. The committees will meet at the Franklin House on Friday evening, the 21st inst., at  $7\frac{1}{2}$ o'clock, and particularly desire and earnestly request that all the subscribers meet with

them and join in making a proper settlement and distribution of the funds on hand. W. W. JENNINGS, President Third Ward Association.

ELEGANT INVESTMENTS .-- We would again all the attention of our readers to the valuable Oil Stocks advertised in another column of our paper. It is certainly one of the very best paying investments for capital that has ever been offered to the American people. Large fortunes are being realized in a short time, on very small investments. The "Burning Spring" and the Rathbone Petroleum Oil Companies of Pennsylvania are safe and reli-able companies, and will certainly open an immense field for permanent and profitable nvestments.

These companies are under the manage-ment of influential, responsible and prominent business men and capitalists of the city of Philadelphia, and will be conducted in such a manner as will insure large dividends offs in the city yesterday, caused by horses to those who invest in these stocks. We becoming frightened. No serious damage re- would, therefore, advise our friends not to would, therefore, advise our friends not to allow these stocks to be sold without examin-ing into the merits of these companies, thereby losing an investment that will certainly pay immense profits. Our young friend, Major J. R. Muffly, the superintendent and agent for these companies, can be found at all times in the law office of Robert Snodgrass, Esq., and Col. F. K. Boas, on Third street, three doors above Market.

A PLEASANT RE-UNION OF OLD FRIENDS .-

Tory Scribbler.

Mr. Eprror. —I was filled with perfect dis-gust on reading, in the Patrict and Union of this evening, a contemptible and sourrilous article on Mr. Lincoln's private life. My knowledge of the President—and I had many and good opportunities of studying his private character-makes me believe and condemn the article as malicious as it is false. I know he is a warm-hearted, noble-souled man. generous to a fault, and one upon whom the call for charity never fell unheeded; that unostentationsly he has distributed with a liberal hand charities, and it would be in direct antagonism to every impulse of his nature to act as he is represented as acting. The meaner attack upon Mrs. Lincoln is so vile, that the fellow who penned it should be ashaned to show his face in the light of day. If our cause has to be upheld by such means, it presents itself to my mind as being very weak. Personal attacks all honorable men shun, and no gentleman is known to engage in them--but such an attack as the one in question should debar the writer from being treated other than as a blackguard.

SALE OF STALLS IN THE NEW MARKET HOUSE. -The sale of stalls in the new market house. in West Harrisburg, will take place on Saturday, the 29th inst. Butchers, truckers and others should attend, at eight o'clock in the morning. The first market will be held on Friday next November first. ---

THE HARRISBURG INVINCIBLES. - The members of this organization will meet at their headquarters, corner of Locust and Raspberry alley (formerly the house occupied by the Mount Vernon Truck Company.) for the purpose of completing their organization and the distri-bution of equipments. It is hoped that all the enrolled members will be present; and a cordial invitation is extended to all loyal young men who desire to attach themselves to the club, to come forward and enroll themselves to-night.

GLORIOUS!-The telegraph brings us the news of a glorious victory won by Sheridan. nows of a glorious victory won by Sheriuan. The loyal people are rejoicing, but the cop-perheads mourn. It is rumored that the bar-bers are about to charge the latter five cents extra per shave, on account of the great length of their faces. Union ballots at home and Union bullets in the army are doing a great work. Despair is visible in the countenances of the "peace" men. They do not think of firing a salute "up the river" in honor of Sheridan's victory. The smell of powder is too much for them. Three cheers for "Little Phit!"

COPPERHEAD MURDERER ADMITTED TO BAIL -The Bloomfield papers inform us that David Grove, the copperhead, who murdered Easterline in Landisburg, Perry county, on election night, severing the jugular vein and causing death in a few minutes, was brought before Judge Graham, in Bloomfield, on a writ of Habers Corpus on Tuesday, the 18th and after hearing testimony was admitted to bail in the sum of \$2,000. From the testimony it would appear that Grove and Easterline had separated, and afterwards Grove made the murder ous assault with a knife, which caused the death of Easterline.

HONORABLY ACQUITTED .- A day or two ago we published an account of what was supposed to be a fraudulent transaction, on the part of Mr. James Martin, of Spruce Hill township, Juniata county, who had been ar-rested on a charge of enlisting drafted men for the United States service. We are pleased to learn that at a hearing given him, Mr. Martin was honorably acquitted. It appears that Mr. Martin was not aware that Thomas Young (whom he had enlisted) was a drafted man until the fact was discovered by the military until the fact was discovered by the military authorities here. Then, in order to save Young from being treated as a deserter, Martin ten-dered the \$300 necessary to pay his commuta-tion, under the old law. There being no evi-dence to convict him of knowingly enlisting a science drafted man, of course Mr. M. we a single drafted man, of course Mr. M. was
