SOLDIERS' READ!  
The following letter from a soldier, in reference to the efficacy and powerful restorative qualities of Dr. McBRIDE'S KING OF PAIN, speaks for itself:  
NEWELL, CUMBERLAND COUNTY, Pa., Sept. 14, 1864.

Dear S. A. Kunkel & Bro., druggists, Harrisburg, Pa.:  
I have to inform you that I received the bottles of Dr. McBRIDE'S KING OF PAIN, and enclosed please five dollars more, for which send me five bottles additional to-morrow. I leave for camp to-morrow. Let me know whether you can supply me for a longer time. I am in Company H, 2d Regiment P. V. I have been in very bad health for upwards of four years, and two of the one-dollar bottles have cured me completely, and have made me feel like a new man. I have not experienced any of my comrades of various diseases incident to camp, and can recommend it to be the best medicine the soldier can provide for himself.  
Yours respectfully,  
JOS. E. WHITE.

All orders from a distance promptly attended to by S. A. KUNKEL & BRO.

A HOME CERTIFICATE.  
The following certificate is from a well-known citizen of Harrisburg:  
HARRISBURG, Aug. 30, 1864.

To the Public:—It gives me great pleasure to recommend to the public the medicine prepared by DR. J. J. McBRIDE, which he calls "THE KING OF PAIN." I was induced to use it as an external remedy for a bruise, which it relieved immediately, and subsequently cured entirely. Its success induced me to use it internally for Diarrhoea, with which I was afflicted in a camp for nearly eighteen months, and to such an extent that my kidneys were seriously deranged. The medicine has cured me, and certainly that is saying a great deal in its favor, when I reflect how many other remedies I have used, without experiencing anything but temporary relief. For my part, I shall always keep a supply of it in my house, believing as I do that it is the most invaluable family medicine.  
DANIEL E. WILT.

The unexampled sale of this medicine proves it to be the most wonderful discovery of the age in the medical art. The undersigned are the sole agents for the State, and will supply it wholesale and retail.

## DYSPEPSIA, DYSPEPSIA, DYSPEPSIA.

I, ELIZABETH BRANSON, of Brandywine, Del., formerly of Old Chester, Del., do certify that, for one year and a half I suffered everything but death from that awful disease called Dyspepsia. My whole system was prostrated with weakness and nervous debility; I could not digest my food; if I ate even a cracker or the smallest amount of food, it would return just as I swallowed it; I became so constive in my bowels that I would not have a passage in less than from four and often eight days; under this immense suffering, my mind seemed entirely to give way. I had a dreadful horror and evil forebodings. I thought everybody hated me, and I hated everybody; I could not bear my husband nor my own children, everything appeared to be horror-stricken and I had no ambition to do anything; I lost all my love of family and home; I would ramble and wander from place to place, but could not be contented; I felt that I was doomed to hell, and that there was no heaven for me, and was often tempted to commit suicide, so near was my whole nervous system destroyed, and also my mind from that awful complaint, Dyspepsia, that my friends thought I had no place in Dr. Kirkbride's hospital, West Philadelphia. I remained there nine weeks, and thought I was in hell better, but in a few days my dreadful complaint was raging as bad as ever. Hearing of the wonderful cures performed by Dr. Wisbart's Great American Dyspepsia Pills and his treatment for Dyspepsia, my husband called on Dr. Wisbart and stated my case to him. He said he had no doubt he could cure me in three days after I called and placed myself under the Doctor's treatment, and in two weeks I began to digest my food, and felt that my disease was fast giving way, and I continued to recover for about three months, and at the present time I enjoy perfect health of body and mind, and I most sincerely return my thanks to a merciful God and Dr. Wisbart, and to his Great American Dyspepsia Pills and Fine Tree Bark Cordial that saved me from an insupportable and premature grave. All persons suffering with Dyspepsia are at liberty to call on me or write, as I am willing to do all the good I can for suffering humanity.

## DYSPEPSIA! DYSPEPSIA!

Dr. Wisbart—I have been a constant sufferer with Dyspepsia for the last eighteen years during which time I cannot say I ever enjoyed a perfectly well day. There were times when the symptoms were more aggravated than at others, and at such times it would be a great relief to me. I had at all times an unpleasant feeling in my head, but latterly my sufferings so much increased that I became almost unable for business of any kind; my mind was continually filled with gloomy thoughts and forebodings, and if I attempted to change my current by reading, at once a sensation of icy coldness in connection with the chill of the interference of Divine Providence, to whom I devoutly offer my thanks, I at last found a sovereign remedy in your Dyspepsia Pills and Cordial, which seem to have effectually removed almost the last trace of my long list of ailments and bad feelings, and in their place health, pleasure and contentment are my everyday companions.

## A POSITIVE CURE FOR DYSPEPSIA.

DEAR WHAT MR. JOHN BARCOCK, No. 1023 OLIVE ST., Philadelphia, January 24, 1863.

Dr. Wisbart—Sir:—It is with much pleasure that I now write to inform you that, by the use of your Great American Dyspepsia Pills, I have been entirely cured of that most distressing complaint, Dyspepsia. I had been grievously afflicted for the last twenty-eight years, and for ten years of that time have not been free from its path one week at a time. I have had it in its worst form, and have dragged on a most miserable existence in pain day and night. Every kind of food that I ate filled me with wind and pain, it mattered not how light, or how small the quantity. A continued belching was sure to follow. I had no appetite for any kind of meats whatever, and my distress was so great for several months before I heard of your Pills, that I frequently wished for death. I had taken everything that I had heard of for dyspepsia, but without any benefit; but on your Pills being recommended to me by one who had been cured by them, I concluded to give them a trial, although I had no faith in them. To my astonishment, I found myself getting better before I had taken one-fourth of a box, and after taking half a box, I am a well man, and can eat anything I wish, and enjoy a hearty meal three times a day, without inconvenience from anything I eat or drink. If you think proper, you are at liberty to make this public and refer to me. I will cheerfully give all desirable information to any who may call on me.  
Yours respectfully,  
JOHN H. BARCOCK.

## DYSPEPSIA! DYSPEPSIA!

I, Samuel D. Haven, have been a great sufferer with Chronic Dyspepsia and Inflammation of the Kidneys for three years. I employed three or four of the most eminent physicians of Philadelphia, also of Burlington county, N. J. They did all for me they could, but all to no purpose. I was constantly filled with wind and pain, and with constant belching of wind and sour acid. My tongue was covered with a white coating of mucus until it craked in large lumps, and was dreadfully sore. I had no desire to eat, and was unable to relieve me by any means. I made it a subject of prayer to God that he would direct me to some physician or medicine that would cure me. I was told to read an advertisement of
