THE KING OF PAIN IS INFALLIBLE!

No matter what the pain, apply the medicine and you will find instant relief. It is an internal and external cure.

## THE KING OF PAIN

## SOLDIERS READ!

The following letter from a soldier, in reference to the efficacy and powerful restorative qualities of DR. MCBRIDE'S KING OF PAIN, speaks for itself.

NEWVILLE, CUMBERLAND COUNTY, PA., Sept. 14, 1864.

Messrs. S. A. KUNKEL & BRO., druggists, Harrisburg, Pa.: GENTLEMEN—I would inform you that I received the bottles of McBride's Great Pain Killer, and enclose please find enclosed a portion of my letter to Dr. McBride, dated 1st of November. I leave for camp to-morrow. Let me know whether you can supply me with it in the army. I am in Company H, 202d Regiment P. V. I have been in very bad health for upwards of four years, and two of the medical bottles have cured me completely, and have made me well again. But, Sir, I have had a number of my comrades of various diseases, incident to camp life, and can recommend it to be the best medicine the soldier can provide for himself.

Yours truly, JOSEPH E. WHITE.

After a short distance promptly attended to by S. A. KUNKEL & BRO.

## A HOME CERTIFICATE.

The following certificate is from a well-known citizen of Harrisburg:

HARRISBURG, Aug. 30, 1864.

To the PUBLIC.—I give this great pleasure to recommend to the public the medicine known as DR. MCBRIDE'S which he calls the "KING OF PAIN." I was induced to use it as an external remedy for a bruise, which it relieved immediately, and subsequently cured entirely. Its success induced me to use it internally for Diarrhea, which I suffered from in a severe form for nearly eighteen months, and to such an extent that my kidneys were seriously deranged. The medicine has cured me, and certainly is saying a great deal in its favor when I reflect how many other remedies I tried without experiencing any success. I have no doubt that for the part I shall always keep a supply of it in my house, believing as I do that it is a most invaluable family medicine.

DANIEL E. WILT.

The unexpected sale of this medicine proves it to be the most wonderful discovery of the age in the medical art.

The undersigned are the sole agents for the State, and will supply it wholesale and retail.

DYSPEPSIA! DYSPEPSIA!

I, Samuel D. Haven, have been a great sufferer with Chronic Dyspepsia and Inflammation of the Kidneys for three years. I employed three or four of the most eminent physicians in the city, but none could effect a cure. They did all that they could, but all to no purpose. I was constantly filled with awful pain and distress, and with constant belching of wind and sour acid. My tongue was covered with a white coating of mucus until it crept up in large turvures, and was dreadfully offensive. On one occasion I had lost all hope of ever being well again. I made it a subject of prayer to God that he would direct me to some physician or medicine that would cure me. I was told to read an advertisement of
