EDITOR TELEGRAPH: Dear Sir:-From necessity, I must write you a rambling letter this morning, instead of penning events in rotation, as they ought to appear.

The men were busy building winter quarters last night, and all the various "dressed" designs, maps and styles would do credit to a regular architect.

In running over the country to look after matters of interest, many useful articles of household and kitchen furniture were picked up, which the boys readily convert into coffee-pots, pans, &c.-the variously needed.

Dr. Lampe's Herb Salve HAS proved the most effective cure of RHEUMATIC GOUT, has proved the best remedy of Ankylosing and Strengthening the nerves of Ladies after Confinement.
