SOLDIERS READ!

The following letter from a soldier, in reference to the efficacy and powerful restorative qualitities of DR. McBRIDE'S KING OF PAIN, speaks for itself:

NEWVILLE, CUMBERLAND COUNTY, Sept. 14, 1864.

Messrs. S. A. Kunkel & Bro., druggists, Harrisburg, Pa.:

GENTS:—I would inform you that I received the bottles of McBride's Great Pain Killer, and enclosed please find five dollars more, for which send me five bottles additional to-morrow. I leave for camp to-morrow. Let me know whether you can supply me with it in the army. I am in Company H, 202d regiment P. V. I have been in very bad health for upwards of four years, and two of the one-dollar bottles have cured me completely, and have made me feel like a man. Besides, I have cured a number of my comrades of various diseases incident to camp-life, and can recommend it to be the best medicine the soldier can provide for himself.

Yours respectfully, JOS. E. WHITE.

A HOME CERTIFICATE.

The following certificate is from a well-known citizen of Harrisburg:

HARRISBURG, Aug. 30, 1864.

TO THE PUBLIC:—*It gives me great pleasure to recommend to the public the medicine prepared by DR. J. J. McBRIDE, which he calls the "KING OF PAIN."* I was induced to use it as an external remedy for a bruise, which it relieved immediately, and subsequently cured entirely. Its success induced me to use it internally for Diarrhœa, with which I was afflicted in a chronic form for nearly eighteen months, and to such an extent that my kidneys were seriously deranged. The medicine has cured me, and certainly that is saying a great deal in its favor, when I reflect how many other remedies I tried without experiencing anything but temporary relief. For my part, I shall always keep a supply of it in my house, believing as I do that it is a most invaluable family medicine.

DANIEL E. WILT.

The unexampled sale of this medicine proves it to be the most wonderful discovery of the age in the medical art.

DYSPEPSIA, DYSPEPSIA, DYSPEPSIA.

I, ELIZABETH BRANSON, of Brandywine, Del., formerly of Old Chester, Del., do certify that, for one year and a half I suffered everything but death from that awful disease called Dyspepsia. My whole system was prostrated with weakness and nervous debility; I could not digest my food; if I ate even a cracker or the smallest amount of food, it would return just as I swallowed it; I became so costive in my bowels that I would not have a passage in less than from four and often eight days; under this immense suffering, my mind seemed entirely to give way. I had a dreadful horror and evil forebodings. I thought everybody hated me, and I hated everybody; I could *not* bear my husband nor my own children, everything appeared to be horror-stricken to me; I had no ambition to do anything; I lost all my love of family and home; I would ramble and wander from place to place, but could not be contented; I felt that I was doomed to hell, and that there was no heaven for me, and was often tempted to commit suicide, so near was my whole nervous system destroyed, and also my mind from that awful complaint, Dyspepsia, that my friends thought best to have me placed in Dr. Kirkbride's hospital, West Philadelphia; I remained there nine weeks, and thought I was a little better, but in a few days my dreadful complaint was raging as bad as ever. Hearing of the wonderful cures performed by Dr. Wishart's Great American Dyspepsia Pills and his treatment for Dyspepsia, my husband called on Dr. Wishart and stated my case to him. He said he had no doubt he could cure me. So in three days after I called and placed myself under the Doctor's treatment, and in two weeks I began to digest my food, and felt that my disease was fast giving way, and I continued to recover for about three months, and at the present time I enjoy perfect health of body and mind, and I most sincerely return my thanks to a merciful God and Dr. Wishart, and to his great American Dyspepsia Pills and Pine Tree Tar Cordial that saved me from an Insane Asylum and premature grave. All persons suffering with Dyspepsia are at liberty to call on me or write, as I am willing to do all the good I can for suffering humanity. ELIZABETH BRANSON,
Brandywine, Del., formerly of Old Chester, Delaware county, Pa.

DYSPEPSIA! DYSPEPSIA!

DR. WISHART—I have been a constant sufferer with Dyspepsia for the last eighteen years, during which time I cannot say I ever enjoyed a perfectly well day. There were times when the symptoms were more aggravated than at others, and then it seemed it would be a great relief to die. I had at all times an unpleasant feeling in my head, but latterly my sufferings so much increased that I became almost unfit for business of any kind; my mind was continually filled with gloomy thoughts and forebodings, and if I attempted to change their current by reading, at once a sensation of icy coldness in connection with a dead weight, as it were, rested upon my brain; also, a feeling of sickness would occur at the stomach, and great pain to my eyes, accompanied with which was the continual fear of losing my reason. I also experienced great lassitude, debility and nervousness, which made it difficult to walk by day or sleep at night. I became averse to society, and disposed only to seclusion, and having tried the skill of a number of eminent physicians of various schools, finally came to the conclusion that, for this disease at my present age (45 years) there was no cure in existence. But, through the interference of Divine Providence, to whom I devoutly offer my thanks, I at last found a sovereign remedy in your Dyspepsia Pills and Tar Cordial, which seem to have effectually removed almost the last trace of my long list of ailments and bad feelings, and in their place health, pleasure and contentment are my everyday companions.

A POSITIVE CURE FOR DYSPEPSIA.

HEAR WHAT MR. JOHN H. BABCOCK SAYS.
No. 1028 OLIVE STREET,
Philadelphia, January 22d, 1863.

DR. WISHART—Sir:—It is with much pleasure that I am now able to inform you that, by the use of your great American Dyspepsia Pills, I have been entirely cured of that most distressing complaint, Dyspepsia. I had been grievously afflicted for the last twenty-eight years, and for ten years of that time have not been free from its path one week at a time. I have had it in its worst form and have dragged on a most miserable existence—in pain day and night. Every kind of food that I ate filled me with wind and pain, it mattered not how light, or how small the quantity. A continued belching was sure to follow. I had no appetite for any kinds of meats whatever and my distress was so great for several months before I heard of your Pills, that I frequently wished for death. I had taken everything that I had heard of for Dyspepsia, without receiving any benefit; but on your Pills being recommended to me by one who had been cured by them, I concluded to give them a trial, although I had no faith in them. To my astonishment, I found myself getting better before I had taken one-fourth of a box, and after taking half a box, *I am a well man, and can eat anything I wish*, and enjoy a hearty meal three times a day, without inconvenience from anything I eat or drink. If you think proper, you are at liberty to make this public and refer to me. I will cheerfully give all desirable information to any one who may call on me

Yours, respectfully, JOHN H. BABCOCK.

DYSPEPSIA! DYSPEPSIA!

I, Samuel D. Haven, have been a great sufferer with Chronic Dyspepsia and Inflammation of the Kidneys for three years. I employed three or four of the most eminent physicians of Philadelphia, also of Burlington county, N. J. They did all for me they could, but all to no purpose. I was constantly filled with awful pain and distress, and with constant belching of wind and sour acid. My tongue was covered with a white coating of mucus until it cracked in large furrows, and was dreadfully sore! Oh! I oftimes wished for death to relieve me of my sufferings, for I had lost all hope of ever being well again. I made it a subject of prayer to God that he would direct me to some physician or medicine that would cure me. I was told to read an advertisement of

MEDICAL.

Dr. Wishar's in the Philadelphia *Ledger*, of a great cure made upon Mr. John Babcock, of 1028 Olive street, Philadelphia, by the great American Dyspepsia Pills. I went to the Doctor's Office, and placed myself under h treatment, and told him if he failed to cure me, it would be the last effort I would make. It has been six weeks since I commenced the use of his medicine, and I am now a well man, free from all pain and distress, and can eat three hearty meals a day with comfort, and feel perfectly well. Dr. Wishart, I want you to publish my case, as I want every poor dyspeptic suffering as I was, to call on me, and I will tell them of the great cure I have received from your invaluable medicine. "HIGHLY CONCENTRATED"
COMPOUND
FLUID, EXTRACT BUCHU,

A POSITIVE AND SPECIFIC REMEDY
FOR DISEASES OF THE
BLADDER, KIDNEYS, GRAVEL
AND DROPSICAL SWELLINGS.

THIS Medicine increases the power of Digestion, and excites the ABSORBENTS into healthy action, by which the WATERY or CALCEROUS depositions, and all UNNATURAL ENLARGEMENTS are reduced, as well as pain and inflammation, and is good for MEN, WOMEN or CHILDREN.

HELMBOLD'S EXTRACT BUCHU,
FOR WEAKNESSES
Arising from Excesses, Habits of Dissipation, Early Indiscretion or Abuse,

ATTENDED WITH THE FOLLOWING SYMPTOMS.

Indisposition to Exertion,	Dryness of the Skin,
Loss of Memory,	Loss of Power,
Weak Nerves,	Difficulty of Breathing,
Horror of Disease,	Trembling,
Dimness of Vision,	Wakefulness,
Universal Lassitude of Muscular System,	Pain in the Back,
Hot Hands,	Flushing of the Body,
	Eruptions on the Face,
Pallid Countenance,	

These symptoms, if allowed to go on, which this medicine invariably removes, soon follow

IMPOTENCY, FATUITY, EPILEPTIC FITS,

In one of which the patient may expire. Who can say that they are not frequently followed by those "direful diseases,"

INSANITY AND CONSUMPTION.

Many are aware of the cause of their sufferings, but none will confess. The records of the insane asylums and the melancholy deaths by Consumption, bear ample witness to the truth of the assertion.

THE CONSTITUTION, ONCE AFFECTED WITH ORGANIC WEAKNESS,

Requires the aid of medicine to strengthen and invigorate the system, which Helmbold's Extract Buchu invariably does. A trial will convince the most skeptical.

FEMALES—FEMALES—FEMALES,

OL OR YOUNG, SINGLE, MARRIED, OR CONTEMPLATING MARRIAGE

In many affections peculiar to females the Extract Buchu is unequalled by any other remedy, as in Chlorosis or Retention, Irregularity, Painfulness, or suppression of the customary Evacuations, Ulcerated or Schirrous state of the Uterus, Leucorrhea or Whites, Sterility, and for all complaints incident to the sex, whether arising from Indiscretion, Habits of Dissipation or in the

DECLINE OR CHANGE OF LIFE.

NO FAMILY SHOULD BE WITHOUT IT.

Take no Balsam, Mercury, or Unpleasant Medicine for Unpleasant and Dangerous Diseases.

HELMBOLD'S EXTRACT BUCHU,

Cures Secret Diseases in all their stages; at little expense; little or no change in diet; no inconvenience and no exposure. It causes frequent desire, and gives strength to Urinate, thereby removing obstructions, preventing and curing Strictures of the Urethra, allaying pain and inflammation, so frequent in this class of diseases, and expelling Poisonous, Diseased, and Wornout Matter. Thousands upon thousands who have been the victims of quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "Poison" has by the use of "powerful Astringents," been dried up in the system, to break out in an aggravated form, and perhaps after marriage.

Use HELMBOLD'S EXTRACT BUCHU for all Affections and Diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing. Diseases of these Organs require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the Great Diuretic, and it is certain to have the desired effect in all Diseases for which it is recommended.

Blood—Blood—Blood. Helmbold's Highly Concentrated Compound FLUID EXTRACT SARSAPARILLA SYPHILIS. This is an affection of the Blood, and attacks the Sexual Organs, Linings of the Nose, Ears, Throat, Windpipe and other Mucus Surfaces, making its appearance in the form of Ulcers. Helmbold's Extract Sarsaparilla purifies the Blood, and removes all Scaly Eruptions of the Skin, giving to the Complexion a Clear and Healthy Color. It being prepared expressly for this class of complaints, its Blood-Purifying Properties are preserved to a greater extent than any other preparation of Sarsaparilla.

EVENING EDITION.

From the 201st Regiment.

PICKET POST, NEAR GAINESVILLE, VA., Tuesday, Nov. 1st, 1864.

EDITOR TELEGRAPH:—Last evening was "Hallow," or "Holyeen," and we, down here in Dixie, had not a single ear of corn or cabbage-stem to "hang" the *she-bang* doors of our neighboring, in commemoration of the time-honored custom so popular with the boys and "children of larger growth," in our dear old State of Pennsylvania! To be sure, farmer Mayhew, our nearest neighbor, had some fine-looking cabbage in his patch, (about a mile distant,) but we could not think of "hooking" that, for the simple reason that Pap M—— is a good, obliging neighbor—i. e., when there are no "chinge-pin whackers" about! When the thieves "come around" he "goes in" for Dixie, to save his *bacon* and everything *stealable*. He acknowledges this fact, and we respect him for the candor he evinces when placed under "peculiar difficulties." This is the policy of nearly every Virginian you meet with. Well, instead of making children of ourselves, we staid at home in our snug cabins, arguing politics.—Subject—Lincoln, Johnson, our Country and our Flag; versus—*Copperheadism and Treason!*

"Only this and nothing more."

We have some stubborn customers to contend with, and it is sheer folly to attempt to convince them by facts or arguments—for they are as determined and unreasonable as men may safely be, with *impunity*, in a country where there is law, if enforced, sufficient to punish even *treason!* Of this class of soldiers, fortunately, there are are few in our midst. Among this number, however, is an individual who remarked—"*If* M'Clellan will be elected, *they* will get up a fancy transparency in Harrisburg, and place thereon the carricature of a *negress*, and"—(vulgar in point, of course, the design of this "magificent affair" would prove, and I will omit the remainder.) "If," replied Hill, a bully Union boy, "your if's do not amount to anything. You count M'Clellan votes upon the same principle which Grab-all, the railroad contractor, paid off Paddy O'Rooke, one of his workmen." "How," exclaimed all hands." Simply in this way," replied our friend William:

"D'ye mind, Pat,—here is one pair of boots you got—price four dollars!"

"Yes, sir."

"And here is a pair you *didn't* get—that makes two pair!"

"All right, sir."

"And still another pair you didn't get—3 pair altogether, at $4 a pair—brings you $12 in my debt!"

"I don't see" (scratching his pate) how that is, but seein' its you're the boss, it must be right," concluded the son of Erin. So they count M'Clellan votes in the army—*one* they get—and *two* "they don't get!"

A day or two ago a Lieutenant of Cavalry passed up the road towards Gainesville. He stood on the platform of the rear car, dressed up in "Sunday soldier" style. He had a nod and a smile for all soldiers he chanced to get his optics on. In his hands he had a bundle of pamphlets, (octova form,) which he flung out along the road at the average rate of three or four to each *Soldat*. On picking them up, one of Old Abe's disciples read—"A Brief Sketch of the Life and History of Gen. M'Clellan." "*Aus ga spielt!*" remarked the impudent fellow, "we had the *other* sketch of Young Napoleon, edited and printed by the Congressional Committee, three weeks ago. That's the *genuine* one to distribute in this latitude. But I digress. I have another idea to jot down, in regard to the transparency business. An artist in our company, loyal and patriotic in every respect, remarked that he would furnish a design for a transparency, on the re-election of "Uncle Abraham," which would be alike suitable and *very* appropriate. It should be scriptural—not with the inscription, however, taken from the Holy Book—the same that was paraded through the streets of Harrisburg, on the occasion of a certain M'Clellan torch-light procession, one *wet* September evening, not long since—"Thou shalt not commit murder!" (What a cool request to make of a Union soldier, who is standing by his country, and, at the risk of life, is defending her flag!) *Our* artist says *his* scene will be based upon facts taken from the Vth chapter of St. Mark, from the 1st to the 13th verses. It should only be altered in one respect. The sea should appear in all its sublimity—(not the sea of Gallilee, but the sea of perdition,)—the evil spirit, with his pruning hook, should drive the herd—and instead of the fleeing swine, he would substitute a legion of *snakes*, all rushing towards the (political) sea of oblivion, so that our beloved country should be forever rid of them! Brave artist! proceed—a genuine subject to work upon! Posterity will honor you for the skill and labor spent upon this very appropriate theme.

There is a large force of men at present engaged on the Manassas railroad, removing the rails, as the Government intends to abandon the use of it for the present. It is likely, therefore, that we will be obliged to move elsewhere in a few weeks' time, and if we learn the *whereabouts* of our destination, your readers shall be informed of it in due time.

Yesterday, I am pleased to inform you, the regiment was *mustered in for pay*, by Col. Awl, in person. When the *tin* makes its appearance we will remember our "loved ones at home;" but, "a bird in the hand," they say, "is worth two in the bush," and upon this principle we will promise our friends and families at the north a remittance of *green-backs*, We have spent much time and labor in building comfortable winter quarters, and it is a source of annoyance to many of us to give up our "Continentals," "Jones Houses," "La Pierres," and "Hotel de Waxes." But *sich* is the life of a soldier.

I must not forget to give you an extract of a letter from a gentleman of Goldsborough, Pa., to his friend, a member of Company L. He states:—

"I received a letter from brother John, (at the front) to-day, in which he says the rebs are coming over in squads, and they say if Lincoln is re-elected, they will come in companies and regiments—that there will be no use in fighting any longer; for they cannot hold out four years more. I pray that it may be so. M. B. N."

We have now a *daily* mail from Alexandria, instead of three times a week—an admirable arrangement for which we are obliged to Col. Awl, also to Chaplain Rakestraw, and our obliging young friend, Mr. Carlisle, the mail agent.

As I am jotting down this paragraph, a flock of swan flying overhead, sailing southward, drying "Yank—yank—yank" and our facetious friend H—— responded "yes, go and tell your rebel friends in Dixie there are more "Yanks" than they would like to meet with, where we came from!"

I am tired—just got home from an exciting bear chase—captured the animal—some of the steak now frying. "Supper corporal," "Aye—aye, sir!" Good bye. More anon.
