MEDICAL.

DR. JOHNSON,

BALTIMORE
LOCK HOSPITAL,
HAS discovered the most certain, speedy
and effectual remedies in the world for
DISEASES OF IMPURITUDE.
RELIEF IN SIX TO TWELVE HOURS
NO MERCURY OR NOXIOUS DRUGS.

*A Cure Warranted, or No Charge, in from One
to Two Days.*

Weakness of the Back, Affections of the Kidneys and
Bladder, Involuntary Discharges, Impotency, General De-
bility, Nervousness, Dyspepsia, Langour, Low Spirit,
Constipation of Ideas, Palpitation of the Heart, Head-
travelling, Dimness of Sight or Giddiness, Disease of the
Head, Throat, Nose or Skin, Affections of the Liver
Lungs, Stomach or Bowels, or various Disorders
arising from the Solitary Habits of Youth—these secret
and solitary practices more fatal to their victims than the
most malignant venereal disease, blighting their most
brilliant hopes or anticipations, rendering marriage,
&c., impossible.

YOUNG MEN
Especially, who have the victims of Solitary Vice,
that dreadful and destructive habit which annually swells
to an untimely grave thousands of Young Men of the
most exalted talents and brilliant intellect, who might
otherwise have entered illustrious Science with the thun-
der of eloquence or walked to conquest the living lyre, may
call with full confidence.

MARRIAGE.
Married persons, or Young Men contemplating marriage,
who are afflicted with physical weakness, organic debility,
deformities, &c., should be cured.
He who places himself in the care of Dr. J. may re-
ligiously confide in his honor as a gentleman, and con-
fidently rely upon his skill as a Physician.

ORGANIC WEAKNESS
immediately cured, and full vigor restored.
This distressing affection—which renders life miserable
and marriage impossible—is the result of the vicious
habits of early manhood, which has been the cause
of organic weakness, and is not cured until the
consequences that may ensue. Now, who that under-
stands the subject will pretend to deny that the power of
procreation is lost sooner by those falling into improper
habits than by the prudent. Besides being deprived the
pleasure of healthy offspring, the most serious and de-
structive symptoms to both body and mind arise.
The system becomes deranged, the physical and mental
faculties weakened, loss of progressive power, nervous
irritability, dyspepsia, great nervousness, being
constituted debility, a wasting of the frame, cough, con-
sumption, decay and death.

Office No. 7, SOUTH FRANKLIN STREET,
Baltimore, Md.

Left hand side going from Baltimore street, a few doors
from the corner. Fall not to observe name and number.
Let me be paid for a bottle, and I will send the Doctor's
Diplomas hand in his office.

DR. JOHNSON,
Member of the Royal College of Surgeons, London, gradu-
ate from one of the most eminent colleges in the United
States, and the greatest of whose line has been spent
in the hospitals of London, Paris, Philadelphia and else-
where, has effected some of the most astonishing cures
that were ever known; many troubled with ringing in the
ears, and other symptoms, great nervousness, being
alarmed at sudden sounds, headachess, with frequent
blushing, attended sometimes with derangement of mind
were cured.

TAKE PARTICULAR NOTICE.
These are some of the sad and melancholy effects pro-
duced by early habits of youth, viz: weakness of the back
and limbs, pain in the joints, and slight tremor of the
muscular power, palpitation of the heart, dyspepsia, nervous
irritability, symptoms of consumption, &c.
MARRIAGE.—The fearful effects on the mind are such
to be dreaded—loss of memory, confusion of ideas, de-
pression of spirits, early forebodings, aversion to society,
self distrust, love of solitude, timidity, &c., are some of
the evils produced.

YOUNG MEN
Who have injured themselves by a certain practice in-
dulged in when alone, a habit frequently learned from
evil companions, or at school, the effects of which are
sightly felt when alone, and a habit which renders mar-
riage impossible, and destroys both mind and body,
should apply immediately.

Who, in their youth, had the hopes of their country,
the darling of their parents, the joy of their friends,
prospects and enjoyments of life, by the consequence of
deviating from the path of nature and indulging in a
certain secret habit. Such persons, before contempla-
ting

MARRIAGE,
Realize that a sound mind and body are the most necessary
requisites to promote marital happiness. Indeed, with-
out these, the journey through life becomes a weary pil-
grimage; the prospect hourly darkens to the view; the
mind becomes shadowed with despair and filled with
melancholy reflections; that the happiness of another
being blighted with our own.

DISEASE OF IMPURITUDE.
When the misguided and imprudent votary of pleasure
finds he has involved the needs of this painful and ex-
hausting disease, and that the most salutary remedies
too often happens that an ill-timed sense of shame or the
dread of discovery deters him from applying to those who
from education and respectability, can alone befitting him.
He falls into the hands of ignorant and designing preten-
ders, who, in capable of curing, fish his pecuniary sub-
stance, keep him trembling month after month, or so long as
the smallest fee can be obtained, and in despair leave him
with ruined health to seek out hissing disappointment, or
by the use of the deadly poison, Mercury, hasten the
constitutional symptoms of this insidious disease, such as
tremors of the head, throat, nose, skin, &c., progressing
with frightful rapidity till death puts a period to his
dreadful sufferings by sending him to that unknown re-
cess from whence no traveler returns.

INDORSMENT OF THE PRESS.
The many thousands cured at this institution year after
year, and the numerous important surgical operations
performed by Dr. Johnson, witnessed by the reporters of
the Baltimore and other papers, and the many thousands
who have appeared again and again before the public, bear
him standing as a gentleman of character and respectabil-
ity, is a sufficient guarantee to the afflicted.
