

NATIONAL UNION TICKET.

FOR PRESIDENT, Abraham Lincoln, OF ILLINOIS. FOR VICE PRESIDENT, Andrew Johnson, OF TENNESSEE.

George Francis Train, Esq.

This distinguished orator and champion of freedom arrived in Harrisburg at noon to-day, and is a guest at the hospitable mansion of Gen. Cameron. Mr. Train will address the people of Harrisburg, as already announced, in front of the Court House, this evening.

Are You Willing to Surrender to an Enemy Whom You Have Whipped?

Every man who votes to-morrow, will either declare, emphatically, that he is a coward, or that he is a hero willing to stand up in defence of the Union.

Is the Credit of the Country Worth Pre-

When the slave-holders, under the auspices of the Democratic leaders in the North as well as the South, precipitated rebellion, it became necessary, in order to defeat the hellish attempt at national suicide, to command the entire resources of the country.

The Threat of Revolution and What will Become of It.

All tyrants are cowards—and all cowards are bullies. The Democratic leaders, catching the spirit which animated the slaveholding traitors four years ago, now assert that if they are defeated at the polls—if Mr. George B. McClellan is defeated in his foolish aspiration to wield Executive power—there will be revolution, rebellion in the free States.

THE HOLDER OF A DOLLAR OF THE SECURITIES

of the National Government, who votes for George B. McClellan, puts himself on the record of the ballot-box in favor of repudiation. McClellan's election is only sought for two great objects, namely: Repudiation of the national debt and recognition of the Southern Confederacy.

What is Certain to Follow the Re-election of Abraham Lincoln.

When Mr. Lincoln was elected four years since, to the Presidency, the traitor leaders of the South were dastardly with the idea, by their dough-face allies in the North, that the great mass of the people of the free States were cowards and would not fight, even to protect their women and children from death, and their homes from destruction.

THE REBELS OF THE SOUTH, who are committed

to the success of rebellion by an oath and by the blood which is on their heads, favor the election of George B. McClellan, because their leaders have told them that his triumph can alone secure their success.

THE LAWS OF SLAVERY, says the Richmond

Enquirer, the highest Democratic authority, 'apply equally to white men as to black.'

EVERY indication from the army points to

very heavy Union majorities, unless the Opposition should succeed in their lately exposed attempts to manufacture fraudulent votes with which to stuff ballot-boxes on the day of election.

THE SHENANDOAH VALLEY

Letters from Gen. Sheridan's army, dated the 31st ult., report that a small rebel army had crossed the north fork of the Shenandoah on the 30th, and proceeded in the direction of Luray Court House.

THE WAR IN THE SOUTHWEST.

The steamer James White was sunk on the 10th, in the Mississippi river. She was valued at \$120,000, and insured for \$80,000.

SHALL IT BE NATIONAL BANKRUPTCY OR NATIONAL PROSPERITY.

This is a question entirely for the settlement of the voter at the polls. An endorsement of the Government in its efforts to prolong its national life, is the exhibition of the ability and the disposition to defeat any foe who may attempt its destruction.
