

The Chairman of the Union State Central Committee.

The result of the Presidential election following closely on that of the contest for Legislative and Congressional Representatives, demands some allusion at our hands, as well on account of the diversity of interests which controlled the first, as for the one single principle of national perpetuity which entered into the other.

This general hospital, which has been projected by Surgeon General Barnes, will eclipse in extent and accommodation any other institution of the kind in the world.

Give the Screws Another Turn!

Now that the citizens, says the Lancaster Express, of the loyal States have re-elected President Lincoln for another term of four years, we hope he will profit by the lessons which the campaign just closed has taught.

"THE CONSTITUTION AS IT IS."—The Copperheads are the most inconsistent folks in creation. They are as hard to please as a boy with the ear-ache.

WHAT IT MEANS.—The result of the election means that the loyal people of this nation are determined that the great democratic doctrine that the majority shall govern, shall be maintained, and that minorities must submit.

Pursuit of the Tallahassee.

THE following has been received from Fortress Monroe: The gunboat Sagassaw, which has been in search of the rebel privateer Tallahassee since the 4th inst., arrived at Hampton Roads, Va., to-day, and reported that she fell in with a suspicious steamer on the 6th inst., which was believed to be the Tallahassee.

AT one time the vessels were but about five miles apart, when the stranger lightened ship and kept steady on her course until darkness again set in and rendered the pursuit useless.

IN THE NAME AND BY THE AUTHORITY OF THE COMMONWEALTH OF PENNSYLVANIA, ANDREW G. CURTIN, GOVERNOR OF THE SAID COMMONWEALTH.

A PROCLAMATION.

WHEREAS, It is the honored custom of Pennsylvania to set apart, on the recommendation of the Executive, a day for returning thanks to the Giver of all Good, the Shepherd and Bishop of our Souls: Now, therefore,

I, ANDREW G. CURTIN, Governor as aforesaid, do recommend that the people throughout the Commonwealth observe THURSDAY, the twenty-fourth day of November instant, as a day of Thanksgiving to Almighty God.

For the victories which he has vouchsafed to us over armed traitors, and for the manifold blessings which he has heaped upon us, unworthy.

And that they do, moreover, humbly beseech Him to renew and increase his merciful favor toward us during the year to come, so that rebellion being overthrown, peace may be restored to our distracted country, and, in every State, with grateful and loving accord, the income of Peace and Thanksgiving may be offered by all the people unto His Holy Name.

Given under my hand and the great seal of the State at Harrisburg, this second day of [L. S.] November, in the year of our Lord one thousand eight hundred and sixty-four, and of the Commonwealth the eighty-ninth.

By the Governor. ELI SHREVE, Secretary of the Commonwealth.
