Hoeses Wanted .- Col. Ekin advertises for horses for cavalry and artillery purposes, at (Hesboro' depot. \$175 and \$180 will be paid.

Election.—An election for nine directors of the West Harrisburg Market Company, will be held at the new market house, to-mor-

BUCKWHEAT CAKES .- Our readers will be happy to learn that the buckwheat crop has the high price of butter and "hog gravy."

REV. MR. ROBINSON announces to his congregation, that the "Congregational Bible Class," for this week, will be held in the Lecture Room, this (Wednesday) evening, at 7 o'clock. All are invited to attend, both old

THEATRE! -To-night the plays of Bob NET-TLES, JUMBO JUM, and BONNIE FISH-WIFE, will compose the bill at the Theatre. Sam Hemple will sustain the principal characters. The hall is filled each evening, and the manager, Mr. Rouse, is sparing neither trouble nor expense to render the entertainments attractive.

ONE DAY LONGER. -- We have the pleasure of announcing that Dr. Crane, the distinguished physician, whose lectures and examinations ave astonished our citizens, will remain one day longer, and can be consulted at his room, No. 27, Jones House, during to-morrow. The afflicted should embrace this opportunity of undergoing an examination at the hands of Dr. Crane, as he can determine at once whether a cure can be effected. If preferred, patients will be visited by the Doctor, at their

MARKET.—With the approach of Thanks-giving day and Christmas, prices "go up" in our market. This morning, turkeys, not very large nor very fat, sold as high as \$4 50 per pair; a large wild "gobbler" commanded the handsome sum of \$5.00; chickens were sold at from 60 cents to \$1 00 per pair, according to quality; butter advanced to 45@50 cents, and eggs to a like figure. Vegetables were slightly advanced. Prices at the butchers' stands remained unchanged.

MINORS VOTINO, -Our readers need not be surprised at the increase of the Democratic vote in York county, between the 11th of Oc-lober and Tuesday last. We were confidently informed that in the Fourth ward of this Bo rough, boys under twenty-one were allowed to vote without ceremony, and the same thing was practiced to a large extent in different parts of the county. These modern Democrats have a strange way of swelling their majorities. If the Union men were to pursue the same course, they would call it traud—

THE NEW MARKET HOUSE —The West Harrisburg Market bids fair to be a most perfect success. Since its opening, the citizens of the upper part of the city have been enabled to ost everything that can be had at the old market, at about the same prices, without the exposure, and trouble of dragging their marketing along a couple of miles, as they have had to do heretofore. We would advise our farmers to bring some of their marketing along on Tuesday and Friday mornings, and Saturday afternoon, as they will have a comfortable place, and can get the same prices as at the other market, and have plenty of customers for all they bring.

Petroleum is King .- "Cotton" has bee deposed and a new monarch has been set up to govern and control the fortunes of men The greasy king, however fickle, arbitrary and slippery he may seem to be, sways a sceptre before which all the devotees of Dam Fortune meekly bow and yield a willing obe dience. His kingdom embraces not only the universal Yankee nation, but on the principle of annexation of territory is rapidly extending over the whole civilized world, and will ulti mately, we have no doubt, include some por tions, if not all of that which is uncivilized too. Everybody feels the influence of this rigorous ruler, and the verdict of the world truly seems to be that "Pretroleum is king." But we did not intend, in this article, to enter upon an elaborate dissertation on oil much less to vaunt the praises of this omnipo tent sovereign, or to attempt an analysis of the constitution and laws under which his subjects operate, but simply to call the attention of our readers to the advantages now offered in our city to court the favors of King Petroleum, and realize something substantial from an actual participa-tion in the affairs of his Government There are several accredited agents from Petrolia in our city, who are doubtless ready and willing to introduce all those who may favor them with a call, into the mysteries of the oily region, but there is on e whom we desire without being invidious, to recommend to our many appreciative readers—we allude to that worthy gentleman, Maj. J. R. Muffly. If our friends will call upon him, he will take great pleasure in telling them of the fabulous wealth of that portion of Petrolia which he repreents; he will unfold to them its great resources, show them its greaty productions, and if they are not convinced that the time has come to weest, they are made of much more invaluesable stuff than most men. If they call upon him for the purpose of "taking stock" he will convince them that the erganizations which he represents, present inducents for remunerative investment rarely offered in this country. He will demonstrate even and Plain UNDER-GARMENTS for the Ladies; also Fancy Head-Dresses, Hair Nets, Handkerchiefs, Corsets in large quantities, Feathers, Ribbons, Flowers, Fancy and Black Velvets, Francy Buttons, Gloves of all kinds, besides a general variety of goods found in a ladies' furbishing store. PHRENOLOGY.

Dr. A. Crane has, for the last few days, been astonishing our citizens by his wonderful knowledge of the occult and extraordinary science of Phrenology, as well as the laws per-taining to man generally. He lectured here on Friday, Saturday and Monday nights last, and, at the close of each lecture, a committee of seven were appointed, the Doctor blindbeen very abundant, and that the prospects folded, and subjects presented, whose heads for cakes are good, the only drawback being he examined and delineated their several characters, each entirely different, with an accu racy that most intimate acquaintances could not have surpassed. His lectures were chaste, eloquent and forcible, and replete with useful and important instruction.

No one, however sceptical on the subject, who will not allow his prejudices to influence him, can hear him lecture and examine a few heads, and go away without being either firmly convinced, or having his prejudices very much shaken. Owing to the number of patients he has on hand, the Doctor will remain at the Jones House during to-morrow, and we would advise all who are suffering with any chronic disease, and especially those of the lungs, to call upon him.

Independent of his knowledge of phrenology, which he has practised for thirty years with distinguished success throughout the United States, Europe and Mexico, the Dr. is a regular bred physician, and we believe a gentleman of a high order of talents, and be-yond a doubt one of the most, if not the most skilful and seientific physicians and phrenologists of the age.

Notice.—The person who stole two glass lanterns from the stairway leading to the Mechanics' Rooms, fourth story of Wyeth's Hall, Market street, on last Thursday night, is respectfully invited to return them to the hall or send them to the office of the "Telegraph," as he is well known, and will positively be prosecuted if they are not returned. Atten tion to this notice will save trouble.

By order of the Council.

T. W. ANDERSON, Sec'y.

HARRISBURG, Feb. 8th, 1864.

C.A. BANNVART—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges, and other preparations for hoarseness and throat troubles, and, in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of colds. I have round need, most effectually.
T. H. ROBINSON,

Yours truly, T. H. ROBINSON, Pastor of N. S. Presbyterian Church.

I agree with Mr. Robinson as to the value of Bannvart's Troches. W. C. CATTELL,

HARRISBURG, Jan., 1864. To C. A. BANNVART-Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public addresses. ses. Yours, &c., JNO. WALKER JACKSON,

Paster of the Locust St. Methodist Church.

To C. A. BANNVART-Dear Sir: Having used your Troches, I am free to say they are the best I have ever tried, and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice, arising from public speaking or singing.

Yours, &c., G. G. RAKESTRAW, Pastor of Ridge Avenue Methodist Church.
