MEDICAL

DYSPEPSIA. A Cure Warranted.

Dyspepsia has the following symptoms: 1st. A constant pain or uneasiness at the pit of the stomach. 2d. Flatulence and Acidity. 3d. Costiveness and Loss of Appetite. 4th. Gloom and Depression of Spirits. 5th. Diarrhoea, with griping. 6th. Pain in all parts of the System. 7th. Consumptive Symptoms and Palpitation of the Heart.

Out of the thousands of cases of Dyspepsia that have used Dr. Wishart's Great American Dyspepsia Pills, not one of them has failed of a perfect cure. We warrant a cure in every case, no matter if of twenty years' standing.

DYSPEPSIA, DYSPEPSIA, DYSPEPSIA.

I, ELIZABETH BRANSON, of Brandywine, Del., formerly of Old Chester, Del., do certify that, for one year and a half I suffered everything but death from that awful disease called Dyspepsia. My whole system was prostrated with weakness and nervous debility; I could not digest my food; if I ate even a cracker or the smallest amount of food, it would return just as I swallowed it; I became so convulsive in my bowels that I could not have a passage in less than four or eight days; under this immense suffering, my mind seemed entirely to give way. I had a dreadful horror and evil forebodings. I thought everybody hated me, and I hated everybody; I could not bear my husband nor my own children, everything appeared to be horror-stricken to me; I had no ambition to do anything; I lost all my love of family and home; I would ramble and wander from place to place, but could not be contented; I felt that I was doomed to hell, and that there was no heaven for me, and was often tempted to commit suicide, so near was my whole nervous system destroyed, and also my mind from that awful complaint, Dyspepsia, that my friends thought best to have me placed in Dr. Kirkbride's hospital, West Philadelphia; I remained there nine weeks, and thought I was a little better, but in a few days my dreadful complaint was again so severe that I was obliged to leave the wonderful cure performed by Dr. Wishart's Great American Dyspepsia Pills, and his treatment for Dyspepsia, my husband called on Dr. Wishart and stated my case to him. He said he had no doubt he could cure me. So in three days after I called and placed myself under the Doctor's treatment, and in two weeks I began to digest my food, and felt my disease gradually leaving me, and I continued to recover for about three months, and at the present time I enjoy perfect health of body and mind, and I most sincerely return my thanks to a merciful God and Dr. Wishart, and to his great American Dyspepsia Pills and Pine Tree Tar Cordial that saved me from an Insane Asylum and premature grave. All persons suffering with Dyspepsia are at liberty to call on me or write, as I am willing to give all the good news for suffering humanity.

MEDICAL. Dr. Wishart's Philadelphia Ledger of a great cure made upon Mr. John Babcock, of 1023 Olive street, Philadelphia, by the great American Dyspepsia Pills. I went to Dr. Wishart's Office and placed myself under his treatment, and told him if he failed to cure me, it would be the last effort I would make. It has been six weeks since I commenced the use of his medicine, and I am now a well man, free from all pain and distress, and can eat hearty meals a day with comfort, and feel perfectly well.

EVENING EDITION. From the 201st Regiment. CAMP AT MANASSAS JUNCTION, Sabbath Morning, Nov. 13, 1864. EDITOR TELEGRAPH—Dear Sir:—We are still on this lovely morning, encamped here at the Junction. After a stormy night, the coldest we have yet experienced in Dixie, the wind has fallen and the morning sun is shining in all its splendor. We are huddled together in this airy 'shabang,' (built, or rather thrown together, hastily, by a party of lazy soldiers, its former occupants,) gazing at the brisk fire roaring and crackling in the ample chimney—thinking of, and talking about, our 'loved ones at home,' and our friends in general, far away in dear old Pennsylvania!
