DYSPEPSIA, DYSPEPSIA, DYSPEPSIA.

I, ELIZABETH BRANSON, of Brandywine, Del., formerly of Old Chester, Del., do certify that, for one year and a half I suffered everything but death from that awful disease called Dyspepsia. My whole system was prostrated with weakness and nervous debility; I could not digest my food; if I ate even a cracker or the smallest amount of food, it would return just as I swallowed it; I became so costive in my bowels that I would not have a passage in less than from four and often eight days; under this immense suffering, my mind seemed entirely to give way. I had a dreadful horror and evil forebodings. I thought everybody hated me, and I hated everybody; I could not bear my husband nor my own children, everything appeared to be horror-stricken to me; I had no ambition to do anything; I lost all my love of family and home; I would ramble and wander from place to place, but could not be contented; I felt that I was doomed to hell, and that there was no heaven for me, and was often tempted to commit suicide, so near was my whole nervous system destroyed, and also my mind from that awful complaint, Dyspepsia, that my friends thought best to have me placed in Dr. Kirkbride's hospital, West Philadelphia; I remained there nine weeks, and thought I was a little better, but in a few days my dreadful complaint was raging as bad as ever. Hearing of the wonderful cures performed by Dr. Wishart's Great American Dyspepsia Pills and his treatment for Dyspepsia, my husband called on Dr. Wishart and stated my case to him. He said he had no doubt he could cure me. So in three days after I called and placed myself under the Doctor's treatment, and in two weeks I began to digest my food, and felt that my disease was fast giving way, and I continued to recover for about three months, and at the present time I enjoy perfect health of body and mind, and I most sincerely return my thanks to a merciful God and Dr. Wishart, and to his great American Dyspepsia Pills and Pine Tree Tar Cordial that saved me from an Insane Asylum and premature grave. All persons suffering with Dyspepsia are at liberty to call on me or write, as I am willing to do all the good I can for suffering humanity. ELIZABETH BRANSON,

Brandywine, Del., formerly of Old Chester, Delaware county, Pa.

DYSPEPSIA! DYSPEPSIA!

DR. WISHART—I have been a constant sufferer with Dyspepsia for the last eighteen years, during which time I cannot say I ever enjoyed a perfectly well day. There were times when the symptoms were more aggravated than at others, and then it seemed it would be a great relief to die. I had at all times an unpleasant feeling in my head, but latterly my sufferings so much increased that I became almost unfit for business of any kind; my mind was continually filled with gloomy thoughts and forebodings, and if I attempted to change their current by reading, at once a sensation of icy coldness in connection with a dead weight, as it were, rested upon my brain; also, a feeling of sickness would occur at the stomach, and great pain to my eyes, accompanied with which was the continual fear of losing my reason. I also experienced great lassitude, debility and nervousness, which made it difficult to walk by day or sleep at night. I became averse to society, and disposed only to seclusion, and having tried the skill of a number of eminent physicians of various schools, finally came to the conclusion that, for this disease at my present age (46 years) there was no cure in existence. But, through the interference of Divine Providence, to whom I devoutly offer my thanks, I at last found a sovereign remedy in your Dyspepsia Pills and Tar Cordial, which seem to have effectually removed almost the last trace of my long list of ailments and bad feelings, and in their place health, pleasure and contentment are my everyday companions.

A POSITIVE CURE FOR DYSPEPSIA.

HEAR WHAT MR. JOHN H. BABCOCK SAYS.
No. 1028 OLIVE STREET,
Philadelphia, January 22d, 1863.

DR. WISHART—Sir:—It is with much pleasure that I am now able to inform you that, by the use of your great American Dyspepsia Pills, I have been entirely cured of that most distressing complaint, Dyspepsia. I had been grievously afflicted for the last twenty-eight years, and for ten years of that time have not been free from its path one week at a time. I have had it in its worst form and have dragged on a most miserable existence—in pain day and night. Every kind of food that I ate filled me with wind and pain, it mattered not how light, or how small the quantity. A continued belching was sure to follow. I had no appetite for any kinds of meats whatever and my distress was so great for several months before I heard of your Pills, that I frequently wished for death. I had taken everything that I had heard of for Dyspepsia, without receiving any benefit; but on your Pills being recommended to me by one who had been cured by them, I concluded to give them a trial, although I had no faith in them. To my astonishment, I found myself getting better before I had taken one-fourth of a box, and after taking half a box, I *am a well man, and can eat anything I wish*, and enjoy a hearty meal three times a day, without inconvenience from anything I eat or drink. If you think proper, you are at liberty to make this public and refer to me. I will cheerfully give all desirable information to any one who may call on me

Yours, respectfully, JOHN H. BABCOCK.

DYSPEPSIA! DYSPEPSIA!

I, Samuel D. Haven, have been a great sufferer with Chronic Dyspepsia and Inflammation of the Kidneys for three years. I employed three or four of the most eminent physicians of Philadelphia, also of Burlington county N. J. They did all for me they could, but all to no purpose. I was constantly filled with awful pain and distress, and with constant belching of wind and sour acid. My tongue was covered with a white coating of mucus until it cracked in large furrows, and was dreadfully sore! Oh! I oftimes wished for death to relieve me of my sufferings, for I had lost all hope of ever being well again. I made it a subject of prayer to God that he would direct me to some physician or medicine that would cure me. I was told to read an advertisement of

MEDICAL.

Dr. Wishart's in the Philadelphia *Ledger*, of a great cure made upon Mr. John Babcock, of 1028 Olive street, Philadelphia, by the great American Dyspepsia Pills. I went to the Doctor's Office, and placed myself under h treatment, and told him if he failed to cure me, it would be the last effort I would make. It has been six weeks since I commenced the use of his medicine, and I am now a well man, free from all pain and distress, and can eat three hearty meals a day with comfort, and feel perfectly well. Dr. Wishart, I want you to publish my case, as I want every poor dyspeptic suffering as I was, to call on me, and I will tell them of the great cure I have received from your invaluable medicine. "HIGHLY CONCENTRATED"

COMPOUND

FLUID, EXTRACT BUCHU,

A POSITIVE AND SPECIFIC REMEDY

FOR DISEASES OF THE

BLADDER, KIDNEYS, GRAVEL

AND DROPSICAL SWELLINGS.

THIS Medicine increases the power of Digestion, and excites the ABSORBENTS into healthy action, by which the WATERY or CALCEROUS depositions, and all UNNATURAL ENLARGEMENTS are reduced, as well as pain and inflammation, and is good for MEN, WOMEN or CHILDREN.

HELMBOLD'S EXTRACT BUCHU,

FOR WEAKNESSES

Arising from Excesses, Habits of Dissipation, Early Indiscretion or Abuse,

ATTENDED WITH THE FOLLOWING SYMPTOMS.

Indisposition to Exertion,	Dryness of the Skin,
Loss of Memory,	Loss of Power,
Weak Nerves,	Difficulty of Breathing,
Horror of Disease,	Trembling,
Dimness of Vision,	Wakefulness,
Universal Lassitude of the Muscular System,	Pain in the Back,
Hot Hands,	Flushing of the Body,
	Eruptions on the Face,
	Pallid Countenance,

These symptoms, if allowed to go on, which this medicine invariably removes, soon follow

IMPOTENCY, FATUITY, EPILEPTIC FITS,

In one of which the patient may expire. Who can say that they are not frequently followed by those "direful diseases,"

INSANITY AND CONSUMPTION.

Many are aware of the cause of their sufferings, but none will confess. The records of the insane asylums and the melancholy deaths by Consumption, bear ample witness to the truth of the assertion.

THE CONSTITUTION, ONCE AFFECTED WITH ORGANIC WEAKNESS,

Requires the aid of medicine to strengthen and invigorate the system, which Helmbold's Extract Buchu invariably does. A trial will convince the most skeptical.

FEMALES—FEMALES—FEMALES,

OR YOUNG, SINGLE, MARRIED, OR CONTEMPLATING MARRIAGE

In many affections peculiar to females the Extract Buchu is unequalled by any other remedy, as in Chlorosis or Retention, Irregularity, Painfulness, or suppression of the customary Evacuations, Ulcerated or Schirrous state of the Uterus, Leucorrhea or Whites, Sterility, and for all complaints incident to the sex, whether arising from Indiscretion, Habits of Dissipation or in the

DECLINE OR CHANGE OF LIFE.

NO FAMILY SHOULD BE WITHOUT IT.

Take no Balsam, Mercury, or Unpleasant Medicine for Unpleasant and Dangerous Diseases.

HELMBOLD'S EXTRACT BUCHU,

Cures Secret Diseases in all their stages; at little expense; little or no change in diet; no inconvenience and no exposure. It causes frequent desire, and gives strength to Urinate, thereby removing obstructions, preventing and curing Strictures of the Urethra, allaying pain and inflammation, so frequent in this class of diseases, and expelling Poisonous, Diseased, and Wormout Matter. Thousands upon thousands who have been the victims of quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "Poison" has by the use of "powerful Astringents," been dried up in the system, to break out in an aggravated form, and perhaps after marriage.

Use HELMBOLD'S EXTRACT BUCHU for all Affections and Diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing. Diseases of these Organs require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the Great Diuretic, and it is certain to have the desired effect in all Diseases for which it is recommended.

Blood—Blood—Blood. Helmbold's Highly Concentrated Compound FLUID EXTRACT SARSAPARILLA SYPHILIS. This is an affection of the Blood, and attacks the Sexual Organs, Linings of the Nose, Ears, Throat, Windpipe and other Mucus Surfaces, making its appearance in the form of Ulcers. Helmbold's Extract Sarsaparilla purifies the Blood, and removes all Scaly Eruptions of the Skin, giving to the Complexion a Clear and Healthy Color. It being prepared expressly for this class of complaints, its Blood-Purifying Properties are preserved to a greater extent than any other preparation of Sarsaparilla.

HELMBOLD'S ROSE WASH.

An excellent Lotion for diseases of a Syphilitic Nature, and as an injection in diseases of the Urinary Organs, arising from habits of dissipation, used in connection with the Extracts Buchu and Sarsaparilla, in such diseases as recommended. Evidence of the most responsible and reliable character will accompany the medicines. CERTIFICATES OF CURES from eight to twenty years standing, with names known to Science and Fame. Cures in from one to three days.

CHEROKEE REMEDY

AND

CHEROKEE INJECTION,

Compounded from Roots, Barks and Leaves.

CHEROKEE REMEDY, the great Indian Diuretic, cures all diseases of the urinary organs, such as Incontinence of the Urine, Inflammation of the Bladder, Inflammation of the Kidneys, Stone in the Bladder, Stricture, Gravel, Gleet, Gonorrhea, and is especially recommended in those cases of Fluor Albus (or Whites in females) where all the old nauseous medicines have failed.

☞ It is prepared in a highly concentrated form, the dose only being from one to two teaspoonfuls three times per day.

☞ It is diuretic and alterative in its action; purifying and cleansing the blood, causing it to flow in all of its original purity and vigor; thus removing from the system all pernicious causes which have induced disease.

CHEROKEE INJECTION is intended as an ally or assistant to the CHEROKEE REMEDY and should be used in conjunction with that medicine in all cases of *Gonorrhea, Gleet, Fluor Albus or Whites.* Its effects are *healing, soothing and demulcent*; removing all scalding, heat, chordee and pain, instead of the burning and almost unendurable pain that is experienced with nearly all the *cheap quack Injections.*

☞ By the use of the CHEROKEE REMEDY and CHEROKEE INJECTION—the two medicines at the same time—all improper discharges are removed, and the weakened organs are speedily restored to full vigor and strength.

☞ Price, CHEROKEE REMEDY, $2 per bottle, or three bottles for $5.

THE CHEROKEE REMEDY, CHEROKEE INJECTION AND CHEROKEE CURE, are sold by all enterprising Druggists in the civilized world. Some unprincipled dealers, however, try to sell worthless compounds in the place of these; those which they can purchase at a cheap price, and make more money by selling, than they can on these medicines. As you value your health, aye, the health of your future offspring, do not be deceived by such unprincipled druggists, ask for these medicines and take no others. If the druggists will not buy them for you, inclose the money in a letter, and we will send them to you by express, securely sealed and packed from observation.

Patients addressing us will please state plainly all the symptoms of their complaints, and write Postoffice, County, State, and name of writer, plain, and inclose postage stamp for reply.

EVENING EDITION.

A MELANCHOLY accident occurred a few months since, at the theatre of Magdebury, in Prussia, during the performance of "Robert and Betram." The scene of a part of the first act passes in a tower raised at a considerable height above the stage, and while the play was in progress, the tower suddenly fell to the ground, with ten actors who were on it at the moment. Two men were both killed on the spot, an actress had her arm separated from her body, and a number of other persons received injuries from the falling beams and planks of which the tower was constructed.

IRON SLAG FOR PAVEMENTS.—The slag from reducing furnaces is said to be an excellent material for paving streets. It is run into moulds so as to form large blocks, and allowed to cool slowly. It has been tried in Paris, and several Belgian establishments have commenced the manufacture of it. One great advantage is that it does not become polished by use.

THERE is this difference between those two temporal blessing, health and money:—Money is the most envied, but the least enjoyed; health is the most enjoyed, but the least envied; and the superiority of the latter is still more obvious when we reflect that the poorest man would not part with health for money, but that the richest would gladly part with all his money for health.

THE subject of a universal language is now exciting considerably attention in England. A code of symbols has been invented, which is declared infallible. The symbols are thirty-four in number, and have been tried in most of the European and Oriental languages. It is said that a person of common intelligence and education can learn them in a few days' study.

THE ladies are now adopting a new fashion for buttons. Buttons on ladies have lately increased by degrees from the size of a pea to the dimensions of a four pound dumb bell and the arc of a soup plate; now they are to be square. Yes, square. Next month they will be triangular, and in the spring they will exhibit the shape of a rhomboid.

LAST week the captured bounty jumpers in charge of the Provost Marshal of Indianapolis were compelled to build a guard house to be used for their own security. One of them, a gentleman in broadcloth, kid gloves and a sleek plug hat, is said to have been particularly expert in driving nails.

A MEMORIAL relative to the death of the late Archbishop Hughes, has been prepared by order of the Corporation authorities of New York, and is now on exhibition at the Governor's Room in the City Hall. It is said to be one of the most beautiful specimens of chirography ever produced.
