A HOME CERTIFICATE.

Harrisburg:

Harrisburg:

Harrisburg, Aug. 80, 1864.

To the Public :—It gives me great pleasure to recommend to the public the medicine prepared by DR. J. J.

MOBRIDE, which he calls the "KING OF PAIN." I was induced to use it as an external remedy for a bruise, which induced to use it as an external remedy for a bruise, which it relieved immediately, and subsequently curred entirely. Its success induced me to use it internally for Diarrhosa, with which I was afflicted in a chronic ferm for nearly eighteen months, and to such an exteat that my kidneys were seriously deranged. The medicine has cured me, and certainly that is saying a greated all in its favor, when I reflect how many other remedies I tried without experiencing anything, but temporary relief. For my part, I shall always keep a supply of it in my honse, believing as I do that it is a most invaluable family medicine.

ML. S. A. KUNKEL:—

Str.—I take pleasure in stating that your "DIARRHŒA MIXTURE", exceeds anything of the kind that I ever magined. I was very much troubled with diarrhosa, and could find, nothing to help me in the least, until I took your "MIXTURE.".

I give you this certificate, hoping that, if you see proper to use it, it may be the means of extending a knowledge, of the matchless value of your medicine.

Very respectfully yours.—

This distressing affection—which readers life miserable and marriage impossible—is the penalty paid by the victims of improper indulgence. Young persons are too ant to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsie, palpitation of the heart, indigestion, constitutional dobility; a wasting of the frame, cough, cersumption, decay and death. MARRIAGE, MAKKIA(+E,
Reflec that a sound mind and body are the most necessary
requisites to promote connubial bappiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the
mind becomes shadowed with despair and filted with the
melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and impredent votary of pleasure finds he has imbibed the, seeds of this painful disease, too often happens that an illimed sense of shame or the dread of discovery detars him from applying to those who from education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing, filch his pecuniary substance, keep him trifling month after month; or as long as the smallest foe can be obtained, and in despair leave him with ruined health to sigh over his galling disappointment, or, by the use of the deadly poison, Mercury, hasten the constitutional symptoms of this terrible disease, such as affections of the Head. I broat, Nose, Skin, etc., progressing with frightful rapidity till death puts a period to his dreadful sufferings by sonding him to that undiscovered country from whence no traveler returns. DISEASE OF IMPRUDENCE.

INDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important surgical eperations performed by Dr. Johnson, witnessed by the reporters of the Sun, Clipper, and many other papers, notices of which have appeared again and again before the public, besides his standing as a gontleman of character and responsibility, is a sufficient guarantee to the afflicted.
