TOWN AND COUNTRY.

Saturday afternoon and evening, from 3 to 8.

ATTENTION, INVINCIBLES!—A meeting of the Republican Invincibles will be held at their hall on Wednesday evening, at 7½ o'clock, for the purpose of electing *permanent officers*. It is desirable that *every member* be present. BY ORDER. 3t

ATTENTION, ODD FELLOWS!—A convention of the Odd Fellows of the city will be held in the Hall of No. 68, Exchange Building, Walnut street, this evening, to transact some important business. Every Odd Fellow is invited to be present.

COURT.—The November term of court commenced to-day. The usual business of receiving returns of constables, justices, etc., was attended to.

HOMELESS.—It is said that twelve hundred women and children, of Chambersburg, are yet without homes—dependent upon the charity of friends. Cannot something be done to relieve them?

THERE will be a sale of horses, mares, etc., at the Government corral at Hummelstown, to-morrow (Tbesday) at ten o'clock. The stock is the property of the United States, and has been condemned as unfit for service.

THANKSGIVING BALL.—The Young Men's Literary Association will give their first annual ball in Brant's Hall, on Wednesday evening, (Thanksgiving eve.) Arrangements have been made to render the ball worthy of the occasion, and a fine time is anticipated.

THE OIL FEVER.—It is astonishing how wide-spread is the oil infection. Not only are men of means to be found operating in oil stock, but young men commencing business, and clerks upon small salaries, are "investing." Go where you will, the subject of "ile" seems to be the one of paramount importance.

A MEMBER OF THE ALLEMAN FENCIBLES KILLED.—We learn that during an engagement on Thursday last, a shell from the enemy entered a bomb-proof of Capt. Detwiler's company, in Fort Sedgwick (Front of Petersburg,) and exploded, killing Mr. Wm. Chapman. Deceased was from New Cumberland. No others were injured.

IN Cambria, Somerset, and the adjoining counties of Pennsylvania, a good quality of tar is manufactured from the knots of the pitch pine. The manufacture of this substitute for North Carolina tar is carried on extensively and has already, it is stated, considerably depreciated the price of the latter article. The tar thus produced, answers nearly all the requisites as a substitute for the original article.

THEATRE!—The citizens of Harrisburg will be gratified to learn that Mr. Sam Hemple has been engaged for six nights more, and will appear at the Theatre every evening this week. To-night will be presented, for the first time in this city, the thrilling two-act drama of THE MURDER AT THE ROADSIDE INN, with the celebrated four room scene. There is an excellent cast in this piece, all the members of the Star Combination Company participating. The entertainment will conclude with the burletta of MR. AND MRS. PETER WHITE. A number of new plays will be produced this week, and Mr. Hemple will sustain the leading characters, supported by Rouse's whole company.

THE PRESIDENT PETROLEUM COMPANY.—There is one feature connected with the above company that is well worthy of the attention of those who are about to invest in property of this kind. We allude to the immense extent of oil-boring territory owned by the company, when compared with that owned by other companies. A reference to the advertisement in our columns, will show that this company owns eight thousand four hundred acres of land, furnishing an oil-boring territory of over ten and one-half miles in extent—fronting on the Allegheny river, and on Hemlock, Porcupine and McRea creeks. The immense advantage of investing in a company of this kind is at once apparent. There is space for a vast number of wells. Should all of them succeed, the value of the investment could hardly be calculated, while if but a moderate proportion of them should do so, it would pay sufficiently to satisfy the utmost desires of any reasonable man. J. W. Simonton, Esq., the agent of the company at this place, states that this feature of the case is—as we think deservedly—attracting considerable attention.

ACCIDENT ON THE LEBANON VALLEY RAILROAD.—On Saturday night two trains—a coal and a freight—collided, somewhere in the vicinity of Reading. We are informed that a number of cars were smashed, but no person was killed. Three Harrisburgers were seriously wounded, among whom were Albert Cadow and Jeremiah Burch. It is reported that all three had limbs broken. We have been unable to learn any further particulars at the time of this writing.

LATER.—We have since learned that the accident was caused by the coal train being behind time, and as it was shifting to a siding the freight and stock train came dashing along at the rate of twenty-five mile an hour, and ran into its rear. The night was very dark, and it is said no light was displayed in the rear of the coal train. We are informed that Cadow was very seriously wounded, one of his limbs being broken at the thigh, and his head bruised. Burch had both legs broken. A car belonging to Mr. Cottrell, of Chestnut street, was demolished, as were several belonging to other persons. A number of cars containing live stock were wrecked, and their contents badly damaged. We are informed that several were destroyed by fire, but cannot vouch for the truth of the rumor.

It is exceedingly difficult to obtain a reliable account of a railroad accident, and we are compelled to publish the facts as we hear them.

The Reading *Times* of to-day gives the following notice of the accident. It says that forty cars were destroyed:

On Saturday evening, while the freight train on the Lebanon Valley Branch was shifting cars at Heidelburg Station, one mile above Wernersville, the down freight, drawn by the Vicksburg, ran into it, destroying 40 cars, wounding three men, one severely, and burning up a large number of cattle. We have not heard who, if any body, was to blame.

TWO HUNDRED condemned cavalry horses will be sold at Lancaster, on Friday next, 25th instant.

ATTENTION is invited to the advertisement of A. A. Barker, (of Ebensburg,) who offers for sale a large lot of fine flooring and weather-boarding.

WE learn that collections will be taken up in the various churches, on Thanksgiving day, for the benefit of the Christian Commission. It is hoped that the contributions will be liberal. The Ladies' Christian Commission of this city will take charge of the funds.

A DRAFT has taken place for those sub-districts which failed to fill their quotas under the 500,000 call, after promises had been made to furnish the requisite number of men. Below we give the list of names drawn from the wheel. BUSINESS ITEMS.

FASHION, BEAUTY AND DURABILITY.—While we could not advocate a blind adherence to fashion, we also deprecate a studied intention of oddity in dress. Beauty, we fancy, consists in the selection of colors that harmonize with the complexion and blend with the style of the wearer. Durability is a principle in the school of economy, that is a faithful study in in these times of high prices. All these advantages in dress goods can be obtained at the cheap dry goods store of C. L. Bowman, No. 1, corner of Front and Market streets, Harrisburg, Pa.

LIGHT, MORE LIGHT.—These were the last words of Goethe; but wonderful indeed have been the inventions to create artificial light since the death of the great German Poet. The oil lamp and the tallow candle have vanished, and the brilliant and beautiful gas flame has taken their place. Again we have the calcium light, whose power is equal to 200 solar lamps. Wonderful indeed are the inventions of mankind. Every day brings something new. The latest of all is the new arrival of dry goods at R. Lowenstein's, Walnut street, next to Fourth. He will sell you calicos at 25 and 20 cents; beautiful muslin at 30 cents; ladies' stockings 35 cents; nubias $1 00; plaid dress goods 60 cents, with a large assortment of hoseries, gloves, woolen goods of all descriptions, cloth coats and circulars of his own make, and everything in the dry goods line at 25 per cent. cheaper than any other store in town; which we are able to do on account of our cheaper rent and smaller expenses.

Bannvart's Troches.

For the cure of Hoarseness, Throat Diseases, &c., are specially recommended to ministers, singers and persons whose vocation calls them to speak in public. Manufactured only by C. A. Bannvart & Co., Harrisburg, Pa., to whom all orders should be addressed. Sold by druggists everywhere.

Read the following testimonials from some of our eminent clergymen:

HARRISBURG, Feb. 8th, 1864.

C. A. BANNVART—*Dear Sir:* I have used Brown's Bronchial Troches, Wistar's Lozenges, and other preparations for hoarseness and throat troubles, and, in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of need, most effectually.
Yours truly, T. H. ROBINSON,
Pastor of N. S. Presbyterian Church.

☞ I agree with Mr. Robinson as to the value of Bannvart's Troches.
W. C. CATTELL,
Late Pastor of O. S. Presbyterian Church.

HARRISBURG, Jan., 1864.

To C. A. BANNVART—*Dear Sir:* In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public addresses. Yours, &c.,
JNO. WALKER JACKSON,
Pastor of the Locust St. Methodist Church.

To C. A. BANNVART—*Dear Sir*: Having used your Troches, I am free to say they are the best I have ever tried, and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice, arising from public speaking or singing.
Yours, &c., G. G. RAKESTRAW,
Pastor of Ridge Avenue Methodist Church.

DISTRICT ATTORNEY'S OFFICE,
HARRISBURG, Feb, 29, 1864.

To C. A. BANNVART—*Dear Sir:* I have found your Troches to be invaluable in relieving hoarseness and in strengthening the muscles of the throat. They impart clearness to the voice, and are certainly of great benefit to all public speakers. A. J. HERR.

Dr. Rand's Specific.

The oldest and most reliable medicine for the cure of Spermatorhœa, Seminal Weakness, Loss of Power &c. This medicine has stood the test of over thirty years, and has always proved a success.

Dr. RAND'S SPECIFIC is exhibited in the form of pills, made up entirely of substances that have a specific effect upon the generative organs. Most persons associate the idea of operations upon the bowels from taking any kind of pills. The SPECIFIC of Dr. Rand is not intended as an *evacuating medicine*. Its medicinal virtues are expended entirely upon the impaired regenerative organs. The pills are not unpleasant to the taste, and many persons masticate them with impunity before swallowing them; which plan we would always recommend, as affording the speediest way to get the effect of the remedy.

Price $1 per box, or six boxes for $5. Sold by druggists everywhere.

Harrisburg Gas Works.

HARRISBURG, Nov. 12, 1864.

ON AND after the first day of December this company will be under the necessity of increasing the price of Gas to $3 50 per 1,000 cubic feet. There are many reasons which compel this company to make the increase; and in order to inform the public of the cause which compels them to do so, we beg leave to mention the following facts, viz:
Coal, the article most extensively used for the manufacture of Gas, was formerly purchased for $3 85 per ton now the same article costs $9 45. Lime, another item, was formerly purchased at 9 cents per bushel; now we pay 20 cents.
Retorts and other castings extensively used were formerly purchased at 2½ cents per pound; now we pay 6 cents.
Pipe of every description has increased in price more than one hundred per cent.
Fire brick, meters, rosin, &c., have advanced more than two hundred per cent.
Labor and everything connected with the manufacture of Gas has increased more than one hundred per cent, and the company is therefore reluctantly compelled to add 50 cents to the price of Gas per 1,000 cubic feet, on and after the above mentioned day. In addition to the above enormous increase of materials and labor, the company pays a tax of 20 CENTS on every 1,000 feet of Gas manufactured, to the United States Government, in addition to the usual license. The last Legislature has also laid a tax of THREE PER CENT. in addition to the taxes heretofore paid on capital stock and dividends. These increased taxations, alone amount to more than one half of the increase per 1,000 feet. WM. DOCK, President.
