The following letter from a soldier, in reference to the cflicacy and powerful restorative qualitities of DR. Mc-BRIDE'S KING OF PAIN, speaks for itself:

**Rewylle, Cumberland County, Sept. 13, 1864.*

Messrs. S. A. Kunkel & Bro., druggists, Harrisburg, Pa.:

Gents: —I would inform you that I received the bottles of McBride's Great Pain Killer, and enclosed please find live dollars more, for which send me five hottles additional to-morrow. I leave for camp to-morrow. Let me know whether you can supply me with it in the army. I am in Company H, 202d kegiment P. V. I have been in very bad health for upwards of four years, and two of the one-dollar bottles have cured me completely, and have made me feel like a map. Besides, I have cured a number of my comrades of various diseases incident to camplific, and can recommend it to be the best medicine the soldier can provide for himself.

A HOME CERTIFICATE.

HARRISBURG, Aug. 30, 1864. To the Public :—It gives me great pleasure to recommend to the public the medicine prepared by DR. J. J. MOBRIDE, which he calls the "KING OF PAIN." I was MGRIDE, which he calls the "KING OF PAIN." I was induced to use it as an external remedy for a bruise, which it relieved Immediately, and subsequently cured entirely. Its success induced me to use it internally for Diarrhosa, with which I was affaited in a chronic form for nearly eighteen months, and to such an extent that my kidneys were scriously derunged. The medicine has cured me, and certainly that is saying a great deal in its favor, when I reflect how many other remedies I tried without experiencing anything but temporary relief. For my part, I shall always keep a supply of it in my house, believing as I do that it is a most invaluable family medicine.

DANIEL E. WILT.

The unexampled sale of this medicine proves it to be the most wonderful discovery of the age in the medical art.
The undersigned are the sole agents for the State, and will supply it wholesale and retail.

This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgence. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasures of healthy offspring, the most sorious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and montal functions weakened, loss of procreative power, normous irritability, dyspepsis, publication of the hoart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, doesy and death. TAKE PARTICULAR NOTHEE.

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, symptoms of consumption, &c.

MENTALIX.—The fearful effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self distrust, love of solitude, timidity, &c., are some of the evils produced.

YOUNG MEN

YOUNG MEN

Whata nive that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a cortain secret habit. Such passons must, before contemplating:

MARRIAGE,

MARRIAGE, MAISHAGE,
Reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without those; the journey through life becomes a weary plyingay; the propert bourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE. DISEASE OF IMPRUDENCE.
When the misguided and imprudent votary of pleasure finds he has imbited the seeds of this psinful disease, too often happens that an illtimed sonse of shame or the dread of discovery deters him from applying to those who from education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, incapable of ouring, flich his pecuniary substance, keep him trifling month after month, or as long as the smallest for can be obtained, and in despair leave him with ruined health to sigh over his galling disappointment, or, by the use of the deadly polson, Mercury, hasten the constitutional symptoms of the constitutional symptoms of the constitutional symptoms of the constitutional symptoms. or, by the use of the deadly poison, Mercury, hasten the constitutional symptoms of this terrible disease, such as affections of the Head. hroat, Nose, Skin, stc., progressing with frightful rapidity till death puts a period to his dreadful sufferings by sending him to that undiscovered country from whence no traveler returns.

INDOESEMENT OF THE PRESS.

The many thousands cured at this institution year after no many thousands cured at this institution year after year, and the numerous important surgical operation performed by Dr. Johnson, witnessed by the reporters of the Sam, Chipper, and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.
