TOWN LOTS FOR SALE

THE PHILADELPHIA AND ERIE LAND

COMPANY, chartered by an act of the Legislature of Pennsylvania, ofters for saic choice lots for dwellings and business purposes in the above new lowns on the line of the Philadelphia and Erie Railroad.

RENOVO has been selected as it he site for the extensive shops for building and repairing the rolling stock of the Philadelphia and Pric Railroad, of which the Penna. Railroad Company are now lessees. It is 92 miles west of Sunbury, and 196 miles east of Erie. The town is beautifully situated on the margin of the west branch of the Susquehanna river, in the county of Clinton, and is surrounded by romantic and attractive scenery. The Railroad Company are creeting an immense Locomotive Round Hones, Repair Shops for Cars and Engines, Car Building shop, Iron and Brass Furnaces, and Dwellings for the Superintendent and other officers. A splendid Hotel, with which are connected arrangements for feeding passengers on the most extribure scale, has been commenced. All these buildings are of the most permanent and substantial character, of brick and iron, and are in accordance with the immense business anticipated on the completion of this great Railroad, so long anxiously looked for, and now an accomplished fact—the last rail connecting the Susquehanna river with Lake. Frie having been laid on Saturday, July 2d, 1864.

A Company has been chartered by the Legislature for supplying the town with gas and water, and the water works are nearly completed: "Churches will be crected immediately." The situation of RENOVO is entirely healthy, and as the dimensions of the town are limited by nature, the value of the lots must approciate greatly in the course of a few years.

EMPORIUM will certainty be the most important commercial porat between Lock Hayen and Warren, a distance of 158 miles. It is near the Junction of the Driftwood Branch of the Sinnenshoning, with West Creek, Portage Creek and North Creek, the Valleys of which streams make it the most accessible point on the Phi

ing town.

Lithographic Maps of both towns are now ready, and
Mr. GIDEON J. BALL, General Superintendent, will
furnish all necessary information on the premises, or by
latter.

To the Public :—It gives me great pleasure to recommend to the public the medicine prepared by DR. J. J. MoBRIDE, which he calls the "KING OF PAIN." I was induced to use it as an oxternal remedy for a bruise, which it relieved immediately, and subsequently cured entirely. Its success induced the to use it internally for Diarrheea, with which I was afflicted in a chronic form for nearly eighteen months, and to such an extent that my kidneys were seriously deranged. The medicine has cured me, and certainly that is saying a great deal in its favor, when I reflect how many other remedies I tried without experiencing anything but temporary relief. For my part, I shall always keep a supply of it in my house, believing as I do that it is a most invaluable family medicine.

DANIEL E. WILIT.

The unexampled sale of this medicine proves it to be the most wonderful discovery of the age in the medical art.
The undersigned are the sole agents for the State, and will supply it wholesale and retail.
