Renovo and Emporium

TOWN LOTS FOR SALED

THE PHILADELPHIA AND ERIE LAND

COMPANY, chartered by an act of the Legislature of Pennsylvania, olders for sale choice lots for dwellings and business purposes in the above new towns on the line of the Philadelphia and Eric Railroad.

RENOVO has been selected as the sic for the extensive sheps for building and repairing the rolling stock of the Philadelphia and Eric Railroad, of which the Penna. Railroad Company are now lessees. It is 92 miles west of Sunbury, and 106 miles east of Eric. The town is beautifully situated on the margin of the west branch of the Susquehanna river, in the county of Chinton, and is gurrounded by romantic and attractive scenery. The Railroad Company are erecting an immense Locomotive Round House, Repair Shops for Cars and Engines, Car Building shop, Iron and Brass Furnaces, and Dwellings for the Superintendent and other officers. A splendid Hotel, with which are connected arrangements for feeding passengers on the most extensive scale, has been commenced. Alf these buildings are of the most permanent and substantial character, of brick and fron, and are in accordance with the immense business anticipated on the completion of this great Railroad, so long anxiously looked for, and now an accomplished fact—the last rail connecting the Susquehanna river with Lake Eric having been laid on Saturday, July 2d, 1864.

A Company has been chartered by the Legislature for supplying the town with gas and water, and the water works are nearly completed. Churches will be erected immediately. The situation of RENOVO is entirely healthy, and as the dimensions of the town are limited by nature, the value of the lots must appreciate greatly in the source of a few years.

EMPORIUM will certainly be the most important commercial pount between Lock Haven and Warren, a distance of 168 miles. It is near the Junction of the Driftwood Branch of the Sinnemahoning, with West Creek, Portage Creek and North Creek, the Valleys of which streams make it the most accessible

Ing town
Lithographic Maps of both towns are new ready, and
Mr. Gidbron J. Balll, General Superintendent, will
furnish all necessary information on the premises, or by

letter.

He may be addressed to the care of H. P. RUTTER.
