WAR DEPARTMENT, 9 P. M., WASHINGTON, December 19, 1864.

Major General John A. Dix, New York.

The following report of his operations on yesterday has been received from Major Gen. Thomas:

HEADQUARTERS DEPARTMENT CUMBERLAND, NEAR SPRINGHILL, December 18.

The enemy have been vigorously pushed today, but has studiously avoided any attack by my troops. I have succeeded in taking a few prisoners, some to three hundred, but our captures are light in comparison with the successes of the past few days.

The pursuit will be continued in the morning at as early an hour as the troops can march.

The following copies of orders found in Breckinridge's camp in East Tennessee for your information:

HEADQUARTERS DEPARTMENT VA., AND EAST TENNESSEE, WYTHEVILLE, VA., Dec. 2, 1864.

GENERAL ORDERS NO. 27.

In accordance with instructions received from the Ordnance Department at Richmond, that it has become of vital importance to husband small arms, ammunition and lead, the following order is published: All lead which can be gleaned from battle fields or otherwise obtained will be collected by the brigade ordnance officers, and be sent to the nearest arsenal. All arms to be relieved of their loads for cleaning, the balls should be drawn, if practicable—otherwise the loads should be discharged into boxes of sand or dirt, so that the lead may be recovered and turned into the Ordnance Department.

The attention of the commanding officer is called to the necessity of giving rise to this order and its rigid enforcement is strictly enjoined by commanding officers.

(Signed) Maj.-Gen. BRECKINRIDGE, J. J. STODHART, JOHN, A. A. G.

HEADQUARTERS DEPARTMENT OF WEST VA. AND EAST TENNESSEE, WYTHEVILLE, Dec. 10, 1864.

CIRCULAR.

The attention of commanding officers is called to the scarcity of forage in this department, and the absolute necessity of using economy in its consumption.

Evidence of waste have been observed heretofore. The proper officers must in all cases superintend the issue of forage, and commanding officers and every company officer must give his strict personal attention.

(Signed) T. H. MEYERS, A. A. G.

I have found the railroad thus far but little disturbed, and my trains will be up by railroad in a day or two, at farthest. The telegraph is up with me now.

I find upon receiving more correct reports of the operations of the 16th inst., that Maj. Gen. Ed. Johnson's entire division, with all the brigade commanders, was captured in the works, which were captured by assault, besides destroying a brigade of the enemy's cavalry and capturing its commander, Brig. Gen. Rucker.

Among the captures made to-day are the rebel Brigadier-General Quarles, wounded, and a number of other rebels also wounded, lying in the houses by the roadside unable to get away.

(Signed) G. H. THOMAS, Major-General Commanding.

No report for to-day has reached the department, except the following, (unofficial):

NASHVILLE, Tenn., Dec. 19, 1 P. M.—This forenoon the rains have been so heavy that the progress has been made. Our cavalry skirmished with the enemy a short distance south of Spring Hill, finding Forrest in command. The rivers are swelling rapidly.

No intelligence from Gen. Sherman has been received to-day.

A call and draft for three hundred thousand troops, to make up the deficiency occasioned by credits on the last call, has been ordered by the President.

EDWIN M. STANTON, Secretary of War.

The Rebel Army in Full Retreat

Their Rear Attacked and a Large Number of Prisoners Captured.

NASHVILLE, Dec. 19.

A courier who left Franklin yesterday reports the rebel force in full retreat.

General Hatch's cavalry attacked the rebel rear guard, on Saturday, capturing a large number of prisoners.

The 4th corps crossed the Honfourth river at Franklin, on Sunday morning.

Franklin is reported as full of rebel wounded, over 8000 being left there in their retreat. Every church and public building has been taken for hospitals. Nearly all the churches of this city have been appropriated for the use of our wounded.

It is rumored here that Gen. Rousseau's command attacked and routed part of Forrest's force, near Murfreesboro, on the 15th inst.

Heavy rains fell yesterday and last night, and the river is rapidly rising. Twelve feet of water is reported on the shoals.

Kentucky.

EXCITEMENT AT CASEYVILLE—REPORTED ADVANCE OF THE REBEL LYON.

Cairo, Dec. 19.

The steamer Alice Dean bears 230 bales of cotton from Memphis.

Steamers from the Ohio river report that there is much excitement at Caseyville, Ky., and that the citizens have fled across the river in consequence of the reported advance of the rebel General Lyon's forces.

The Nashville correspondent of the Chicago Tribune estimates the rebel loss at the battle of Franklin at 6000, and the Federal loss at 2000.

Officers and Soldiers Called to the Field.

WASHINGTON, Dec. 19.

The following has just been issued: WAR DEPARTMENT, Dec. 19, 1864.—General Orders, No. 301.—Every officer and soldier capable of duty is now wanted in the field, and if not on duty, they are ordered to their respective organizations.

All Provost Marshals and Boards of Enrollment are instructed to employ most diligent exertions in forwarding soldiers to the front, and in arresting deserters, shirkers and all fit for duty, who are absent without proper authority.

Surgeons in charge of hospitals are directed to send forward all who are fit for service, taking care, however, not to expose any who are unable to go.

Reuniting officers are enjoined to diligence, and those who are found guilty of neglect or uselessness, the Adjutant General is directed to recall immediately and send to their commands.

Every effort must be put forth to fill up the ranks, strengthen the armies, and aid the patriotic and gallant troops now meeting the retreating enemy with victorious blows.
