

TOWN AND COUNTRY.

SECOND WARD!—Get Out of the Draft!—A meeting of the citizens of the Second Ward will be held at D. Wagner's hotel, this evening, for the purpose of making arrangements to fill the quota of the ward. A little effort is all that is necessary to clear the ward of the draft, and it is hoped that every man subject to military duty will be present, at 7 o'clock. Now is the time to work.

ATTENTION, FIFTH WARD!—The citizens of the Fifth Ward are requested to meet at the office of Alderman Bowers, Third street, above North, to-morrow (Friday) evening at 7 o'clock, to take action in relation to filling the quota of the Ward under the late call of the President.

A BRAVE MAN.—One who isn't afraid to wear old clothes until he is able to pay for new.

THE Lebanon county Teachers' Institute will hold its annual meeting, commencing on the 19th of January.

"HOGGISH."—Mr. Jonas Rautzahn, of Benderville, killed a hog a few days ago, that weighed seven hundred and thirty-one pounds!

SAD ACCIDENT.—On Saturday afternoon a week, a son of Mr. John Kupp, of Myerstown, Lebanon county, while playing with a number of other boys in the barn, fell from the overhead beam, striking a wagon bed, causing a fracture of the skull, from the effects of which he died next day.

PERSONAL.—Capt. Maloney, of the 201st P. Vols., has been in this city, and left yesterday, to rejoin his company, in Bedford county. The gallant Captain is looking well, and appears to enjoy soldiering. He and his company have been doing a good work in gathering up skulkers in the benighted regions of Bedford.

IRON ORE NEAR HUMMELSTOWN.—The Lebanon Courier says: "We hear big accounts of the discovery of beds of iron ore in the vicinity of Hummelstown and of the organization of companies to work it. One company, we are told, with a capital of a million and a half, design erecting two stacks there at an early day for the manufacture of 'pigs'."

THE BANKS OF LEBANON.—The Lebanon Bank and the Lebanon Valley Bank will cease to exist as State Institutions, in a few days, and become national banks. The former will bear the name of the Lebanon National Bank, and the latter the Valley National Bank of Lebanon. The late Lebanon Deposit Bank is now the First National Bank of Lebanon.

DINNER AT THE SICK SOLDIERS' REST.—Today the ladies prepared a magnificent dinner, which was served up at the Sick Soldiers' Rest, (near the depot,) and tendered the members of Captain B. O. Cook's company of the Second Battalion, Veteran Reserve Corps. Everything that could add to the elegance of the dinner, was found upon the table, and the brave veterans pronounced it the most sumptuous meal prepared for them since they left their homes. About thirty members of Captain Cook's company (including the gallant captain) and a few invited guests were present. All had a pleasant time, and enjoyed the occasion to the fullest extent.

BEAUTIFUL PRESENT TO A SABBATH SCHOOL SUPERINTENDENT.—The Superintendent of the Presbyterian Sunday School at Alexandria, Huntingdon county, was the recipient of a valuable Christmas present, in the shape of a magnificent gold-headed cane, the finest ebony, elaborately chased, the cost of which was \$36. It was purchased by the teachers in the school, and presented to the faithful superintendent as a token of their regard for him. The following inscription was engraved upon the head: "Presented by the Teachers of the Alexandria Presbyterian Sunday School, to John Porter, its faithful Superintendent for thirty-six years. December 25, 1864."

THE CASE MANUFACTURED BY M. H. LEE, No. 69 Market street, in this city. Mr. M. has on hand, and manufactures to order, all kinds of canes, and persons desiring to present a handsome gift to their friends, should give him a call.

DONATIONS TO A MINISTER.—Last evening a pleasant surprise took place at the First Baptist Church in this city. A meeting was held for the annual election of officers, at which Rev. W. G. Coulter was present. At the close of the exercises, Rev. James Colder, in behalf of his congregation, presented the visiting minister, Mr. Coulter, with a well-filled purse, and a large quantity of groceries and provisions. The recipient of the donation is pastor of the Free Baptist Mission at Manheim, Lancaster county, and as the mission cannot yet pay a salary adequate to the support of their minister, Mr. Coulter's congregation took advantage of the presence of Mr. Coulter, in this city, and gave him a substantial evidence of their regard for him as a minister of the gospel. The presentation address of Mr. Coulter was one of his happiest efforts, and no doubt caused Mr. Coulter to feel that he was in the midst of friends whose benevolence was not confined to their own congregation. Mr. Coulter was completely overcome by the unexpected liberality of his friends here, but finally replied in a few remarks, expressing his gratitude for the very acceptable free-will offering.

THE LOCKER.—Formerly Herr's Hotel.—We direct attention to the advertisement in another column, of William W. Reed & Co., proprietors of the Lochiel, announcing the opening of that splendid establishment. The building has been entirely overhauled, every room having been repainted and repaired, and the whole house refurnished with suits of entirely new and modern style furniture, so that the Lochiel can now safely claim a place among the first class houses in the country. The office for the reception of guests, is actually one of the finest of any hotel in the State; while the reading room adjacent is ample and well calculated for the purpose to which it has been devoted. The dining room has also been greatly improved, and the access to it is of the most private character for ladies, and convenient for gentlemen. In fact, without attempting to go into particulars, we must frankly concede to the Lochiel all the attractions and all the accommodations of a modern hotel, while we are confident the proprietors will spare no effort calculated to make this hotel the resort of the traveling public doing business at the State Capital.—The senior member of this firm, Mr. Charles H. Mann, has had great experience in this line of business, and the junior, Mr. Wm. W. Reed, is well known as having been long connected with one of the best hotels in Harrisburg. The members of the new hotel firm have our sincere wishes for success.

ENING RECORD.—This is the title of a new daily paper, just started in Reading, by E. H. Bauch & Son. It is ably edited, neatly printed, and contains the latest news by telegraph and otherwise. Price \$7 a year. Success to the Record.

ROUSE'S Star Company is playing in Wilkesport. It is not necessary to tell the people of that place that Rouse's is the best troupe that ever traveled in Pennsylvania. They were convinced of that fact long ago, by the admirable performances of the Stars.

The postmaster at Chambersburg advertises a letter "For the first good-looking girl that comes to the office." Handsome girls must be scarce in that section, or the letter would not be permitted to remain in the post office a month, and then have to be advertised.

DEATH OF A FORMER CITIZEN.—We learn from the Erie Gazette that Mr. George S. Whitehill, for many years a citizen of Harrisburg, was run over by a locomotive, last week, in the city of Erie, and instantly killed. The deceased stepped upon the track as the engine was approaching, and being very hard of hearing, was not aware of his danger until too late to avert it. He had been in the employ of the Cleveland and Erie railroad company, as a book-keeper, and was highly esteemed. His funeral took place on Thursday, the 22d inst., from the residence of his brother-in-law, Mr. David Shirk.

WHO IS THE LUCKY FATHER?—The Fulton Republican contains the following, from which it would appear that a soldier in Capt. Maloney's company has been uncommonly fortunate: One of the soldiers of Company G, 201st P. V., stationed at this place, received word on Monday last that his wife had, a few days previous, given birth to three children. He immediately stated the facts to Capt. Maloney, commandant of the post, and asked for a furlough, that he might visit the new Infantry brigade. The Captain, being an extremely modest man, came near fainting on hearing the facts above narrated, but speedily recovering, granted the request. We think the soldier should not only have a furlough, but that he should receive a full discharge and pension. We would suggest for the trio the names of Sherman, Grant and Thomas.

I have found them serving in time of need, most effectually. Yours truly, T. H. ROBINSON, Pastor of N. S. Presbyterian Church.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from a cold or frequent use, and improving the effectiveness of the delivery of public addresses. Yours, &c., JNO. WALKER JACKSON, Pastor of the Locust St. Methodist Church.

To C. A. BANNART.—Dear Sir: Having used your Troches, I am free to say they are the best I have ever tried, and take great pleasure in recommending them to all persons afflicted with some throat or lung trouble, arising from public speaking or singing. Yours, &c., G. G. RAKESTRAW, Pastor of Ridge Avenue Methodist Church. DISTRICT ATTORNEY'S OFFICE, HARRISBURG, Feb. 29, 1864. To C. A.
