TOWN AND COUNTRY

ATTENTION, FOURTH WARD! -All citizens of the Fourth ward who are enrolled as liable to draft, are requested to meet in the Hope Engine House, to morrow evening, (Saturday.) at 7 o'clock, for the purpose of correcting the enrollment lists. This will be the only meet-ing that will be held, so every person interested should be present.

ATTENTION, FIFTH WARD!—The citizens of of the Fifth Ward are requested to meet at the office of Alderman Bowers, Third street, above North, this (Friday) evening at 7½ o'-clock, to take action in relation to filling the quota of the Ward under the late call of the President. 2t

Wanted.—Two boys to carry daily papers. Apply at this office.

N. T.—Some of our country editors who know, say that N. T. stands for "No Turkey."

Sales of condemned horses, to take place at Giesboro', D. C., are advertised in to-day's

THE QUOTA.—The quota of this Congressional district, under the late call for volunteers, is 4,214.

IMPORTANT changes have been made in the time of the arrival and departure of trains on the principal railroads.

SEVERAL of the trains were detained yester-day. The mail train from Philadelphia, on the Reading road, did not arrive here until three o'clock. The train from Elmira was also several hours behind time.

GAY AND HAPPY .- The Friendship Fire Company's Ball will take place on Monday evening next. We are assured by those having the management in hand that nothing will be left undone to make this a most plea-

IMPORTANT TO EVERY ONE.—The citizens of Dauphin county ought now, if they never were before, to be wide awake to the necessity of correcting the enrollment lists in the various districts. Much can be done by individual effort that does not come within the duties of the Government officers. Let every man give notice of persons he knows to have left his ward, borough or township, and of those who have recently removed therein.

M. H. Lee, 69 Market street, advertises, to-day, a large assortment of Gold and Silver headed canes, in addition to a variety of fine jewelry, watches and clocks, all of which he terms. By his fairness and liberality, Lee has made a splendid business in his line in this city, and by the same qualities we know he will continue to deserve the support of the

THAT DINNER. -- We were slightly in error yes terday, in alluding to Capt. Cook's company being furnished with a dinner, at the Sick Soldiers' Rest. We should have said Lieut. Cook. We learn that Captains Reichenbach and Granger, Rev. Dr. Hay, and others were present. Speeches were made, and a good time was had by the whole party. Want of space prevents us from giving an extended account of the pleasant affair.

Bowman, at the corner of Front and Market streets, proposes closing up the dry goods business for the year 1864, by giving great bargains in the following goods: Furs, shawls, blankets, ladies' cloth circulars, coats, and Chesterfield's balmoral and hoop skirts, ladies' Chesterfield's balmoral and hoop skirts, ladies dress goods; cloths, cassimeres and vestings for men and boys. This is a good chance to obtain goods less than the regular market price. Allen's 200 yard spool cotton at 64 cents a spool; J. & P. Coats' spool cotton at 12½ cents a spool; black and colored skirt braid at 12½ cents a piece.

RECORD YOUR DEEDS.—The attention of parties holding unrecorded Deeds is directed to the provisions of the Act of Assembly. which requires that-

"All deeds and conveyances for real estate in this Commonwealth, shall be recorded in the office for Recording Deeds in the County where the lands lie, within six months after the execution of such deeds and conveyance; and every such deed and conveyance not recorded as aforesaid, shall be adjudged FRAUDU-LENT AND VOID against any subsequent purchaser for a valuable consideration, unless such deeds be recorded before the recording of the deed or conveyance under which such subsequent purchaser or mortgage shall

This is a very important notice, and those holding unrecorded deeds will see the importance of having them recorded without further

OIL CITY must be a gay place to live in.

The Meadville Journal says:

Another murder was committed at Oil City last Tuesday night. A. M. M'Fate, of New Manager of New Castle, while passing along the streets, was assaulted, shot through the head, and had his throat cut. Robbery was the object of the deed, as he was known to have a considerable sum of money about him, and had been show-ing it quite freely during the afternoon.— Next morning a vigilance committee was organized and two or three suspicious characters have been arrested. It is high time that something was done to clear the oil country of these cut throats, as this is the fourth mur der committed in that vicinity within the last month. There is evidently an organized band of ruffians along the creek, and a man's life is worth only a charge of powder and a bullet.

A reward of \$10,000 is offered for the detection of the murderer of M'Fate.

No pains have been spared to place it on a genuine and substantial footing. Most valuable and extensive tracts of Oil and Coal Land have been secured in fee, and the lease-hold producing interests in the heart of the Venango County (Pa.) Oil Region. Attention is invited to the following schedule of the company's property, including fee simple territory, leaseholds, producing wells, and wells in the various stages of completion:

No 1—Thirty acres of bottom land, in fee, on the Allegbeny river, having a water-frontage of nearly one mile New ten-horse power engine and fixtures. Two wells sunk to the depth of 300 feet, and already filled with oil. Room for forty more wells.

No 2—Three hundred and twenty acres of rich Oil Land in fee, lying nearly opposite the above, having a mile of water-frontage on Trather and Bennet Runs. Well supplied with timber.

No 3—One-sixteenth lease interest on the famous "Widow M'Clintock Farm," Oil Creek. One well down and the stage and the suns at the cast the last instance and the instance and t

THIS Company has three different tracts of land now producing Oil, and ample revenues to guarantee regular dividends.

The three tracts with wells on them are capable of extensive development, and the Company have five engine and all the fixtures ready to prosecute the work. It has 120 acres in fee on Allegheny river, immediately opposite Oil city, with 110 rods river front, and 75

rods front on Lay's Run. This land is now worth \$100,-000 exclusive of the oil right, It has 100 acres in fee in the Cherry Run d'strict, im mediately adjoining Cherry Run Petroleum Company, and leases are about to be executed with two strong parti s to sink wells on lease on this tract the Company to

receive half of the oil. It has two tracts of land on Oil creek, each producing over ten barrels per day, and one tract on the Allegheny producing ten barrels of heavy Oil, weith \$21 per barrel All of these tracts will be promptly developed, and they are well tested Oillands.

It is organized on a certain basis to pay dividends from the start. Its revenues from the Oil alone are more than twelve per cent. per annum on the capital; and new wells are about to be sunk on lease, without cost to the commany. and one-half the proceeds will belong to the company.
