TOWN LOT'S FOR SALE

THE PHILADELPHIA AND ERIE LAND

COMPANY, chartered by an act of the Legislature of Pennsylvania, ofters for sale choice lots for dwellings and business purposes in the above new towns on the line of the Philadelphia and Erie Railroad. RemovO has been selected as the site for the extensive shops for building and repairing the rolling stock of the Philadelphia and Frie Railroad, of which the Penna Railroad Company are now lessees. It is \$2 miles west of Sunbury, and 196 miles east of Erle. The town is beautifully situated on the margin of the west branch of the Suspuehanna river, in the county of Clinton, and is surrounded by romanuc and attractive scenery. The Railroad Company are crecting an immenso Locomotive Round House, Repair Shops for Cars and Engines, Cer Building shop, Iron and Brass Farnaces, and Dwellings for the Superintendent and other officers. A splendid Hotel, with which are connected arrangements for feeding passengers on the most extensive scale, has been commenced. All these buildings are of the most permanent and substantial character, of brick and iron, and are in accordance with the immense business anticipated on the completion of this great Railroad, so long anxiously looked for, and now an accomplished fact—the last rail connecting the Susquehanna river with Lake Eric having been laid on Saturday, July 24, 1864.

A Company has been chartered by the Legislature for supplying the town with gas and water, and the wat r works are nearly completed. Churches will be crected immediately. The situation of RENOVO is entirely lealthy, and as the dimensions of the town are limited by nature, the value of the lots must appreciate greatly in the curves of a few years.

EMPORIUM will certainly be the most important commercial point between Lock Haven and Warren, a distance of 186 miles. It is near the Juncion of the Dritwood Branch of the Sinaemahoring, with West Creek, Portage Greek and Morth Greek, the Valleys of which streams make it the most accessible poin

DR. JOHNSON. 经通过保险价值 经

LOCK HOSPITAL,

HAS discovered the most certain, speedy DISEASES OF EMPRUDENCE

RELIEF IN SIX TO TWELVE HOURS NO MERCURY OR NOXIOUS DRUGS

A Cure Warranted, or No Charge, in from Ons to Tien Days.

Weakness of the Back, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spiritr, Confusion of Ideas, Palpitation of the Heart, Timidity Tremblings, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Liver Lungs, Stomach or Eowels—those terrible disorders exising from the Solitary Habits of Youth—those scoret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c. impossible.

YOUNG MEN Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Mon of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ectasy the living lyre, may call with full confidence.

MARRIAGE. Married persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places bimself under the care of Dr. J. may re ligiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS

ORGANIC WEAKNESS

mmediately cured, and full vigor restored.

This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgence. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and menial functions weakened, loss of procreative power, nervous irritability, dyspopsis, publication of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumetion, decay and death.

OFFICE NO. 7, SOUTH PERDERICE STREET,

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number. Letters must be paid and contain a stamp. The Dector's Diplomes hang in his office. DR. JOHNSON,

Member of the Royal College of Surgeons, London, grad unte from one of the most eminent colleges in the United States, and the groater part of whose life has been spont in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asteep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE. TARLE FARTIOUDAR NOTIOE.

These are some of the sad and melanoholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of sight, lose of anscular power, palpitation of the heart, dyspepsia, norvous irritability, symptoms of consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodhigs, aversion to society, self distrust, love of solitude, timidity, &c., are some of the evils produced.

YOUNG MEN

Who have injured themselves by a certain practice is dulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when esleep, and if not cured renders

nightly felt, even when esleep, and if not our of renders marriage mpossible, and destroys both mind and body, should sply m mediately.

Wheta not that a young man, the hope of his country, the darling of his parents, should be matched from all pruspects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons suzz, howe contemplating MARRIAGE,

Reflec tihat a sound mind and body are the most necessar requisites to promote consultal bappiness. Indeed, without these, the journey through life becomes a weary pigrimage; the prospect heurly darkens to the yiew; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and improdent votary of pleasure finds he has imbibed the seeds of this painful disease, one often happens that an illtimed sense of chame or the tread of discovery deters him from applying to those who from education and respectability, can alone befriend him, he falls into the hands of important and designing pretend-He fails into the hands of ignorant and designing pretenders, who, incapable of ouring, flich his pocuniary substance, keep him tritling month after month, or as long as the smallest fee can be obtained, and in despair leave him with rulned health to sigh over his galling disr pleave him or, by the use of the deadly poison, Mercurry, hasten the constitutional symptomy of this terrible disease, such as affections of the Head, broat, Nose, Skin, etc., progressing with frightful rapidity till death puts a period to his dreadful sufferings by sending him to that undiscovered country from whence no traveler returns.

INDOESEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important surgical operations performed by Dr. Johnson, witnessed by the reporters of the Sun, Clipper, and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

A HC ME CERTIFICATE. The following certificate is from a well-known citizen of Harrisburg; The following certificate is from a well-known chizen of Harrisburg:

HARRISBURG, Aug. 30, 1864.

To the P'ublic:—It gives me great pleasure to recommend to t'.e public the medicine prepared by DR. J. J. McBRIP.E, which he cails the "KING OF PAIN." I was induced to use it as an external remedy for a bruise, which it rel'eved immediately, and subsequently cured entirely. Its success induced me to use it internally for biarrhea, with which I was afflicted in a chronic form for nearly eighteen months, and to such an extent that my kidneys were seriously deranged. The medicine has sured me, and certainly that is saying a great deal in its favor, when I reflect how many other remedies I tried without experiencing anything but temporary relief. For my part, I shall always keep a supply of it in my house, believing as I do that it is a most invaluable family medicine.
