Sewing Machines.

THE GROVER & BAKER

NOISELESS

FAMILY SEWING MACHINE

is rapidly superseding all others for family use. The DOUBLE LOCK-STITCH formed by this Machine is found to be *the only one* which survives the wash-tub on bias seams, and, therefore, the only one permanently valuable for Family Sewing.

READ THE FOLLOWING TESTIMONY:

"Mrs. JEFFERSON DAVIS, presents her compliments to Grover & Baker, and takes pleasure in saying that she has used one of their Machines for two years, and finds it still in good order, makes a beautiful stitch, and does easily work of any kind."—*Washington, D C.*

"It is a beautiful thing, and puts everybody into an excitement of good humor. Were I a Catholic, I would insist upon Saints Grover & Baker having an eternal holiday in commemoration of their good deeds for humanity."—*Cassius M. Clay.*

"My wife has had one of Grover & Baker's Family Sewing Machines for some time, and I am satisfied it is one of the best labor-saving machines that has been invented. I take much pleasure in recommending it to the public."—*I. G. Harris, Governor of Tennessee.*

"On the recommendation of a friend, I procured, some months since, one of your Family Sewing Machines. My family has been most successful in its use, from the start, without any trouble or difficulty whatever in its management. My wife says it is a 'family blessing,' and could not be induced to dispense with its use—in all of which I most heartily concur."—*James Pollock, Ex-Governor of Pennsylvania.*

"The undersigned, CLERGYMEN of various denominations, having purchased and used in our families GROVER & BAKER'S CELEBRATED FAMILY SEWING MACHINE, take pleasure in recommending it as an instrument fully combining the essentials of a good machine. Its beautiful simplicity, ease of management, and the strength and elasticity of its stitch, unite to render it a machine unsurpassed by any in the market, and one which we feel confident will give satisfaction to all who may purchase and use it."

"In all cases where the name of the person claiming to vote is not found on the list furnished by the commissioners and assessor, or his right to vote, whether found thereon or not, is objected to by any qualified citizen, it shall be the duty of the inspectors to examine such person on oath as to his qualifications, and if he claims to have resided within the State for one year or more, his oath will be sufficient proof thereof, but shall make proof by at least one competent witness, who shall be a qualified elector, that he has resided within the district for more than ten days next immediately preceding said election, and shall also himself swear that his bona fide residence in pursuance of his lawful calling is within the district, and that he did not remove into said district for the purpose of voting therein.

Every person qualified as aforesaid, and who shall make due proof, if required, of his residence and payment of taxes as aforesaid, shall be admitted to vote in the township, ward, or district in which he shall reside.

"If any person shall prevent or attempt to prevent any officer of any election under this act from holding such election or use or threaten any violence to any such officer, or shall interrupt or improperly interfere with him in the execution of his duty, or shall block up the window or avenue to any window where the same may be holding, or shall riotously disturb the peace at such election, or shall use or practice intimidating threats, force or violence, with a design to influence unduly or overawe any elector, or to prevent him from voting, or to restrain the freedom of choice, such a person, on conviction, shall be fined in any sum not exceeding five hundred dollars, and imprisoned for any time not less than one month nor more than twelve months, and if it shall be shown to the Court where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward, or district, or township where the said offence was committed, and not entitled to vote therein, then, on conviction, he shall be sentenced to pay a fine of not less than one hundred dollars or more than one thousand dollars, and be imprisoned not less than six months nor more than two years.

"In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of election, then the person who shall have received the next highest number of votes for judge at the spring election shall act as inspector in his place.—And in case the person who shall have received the highest number of votes for inspector shall not attend, the person elected judge shall appoint an inspector in his place, and in case the person elected shall not attend, then the inspector who received the highest number of votes shall appoint a judge in his place, or if any vacancy shall continue in the board for the space of one hour after the time fixed by law for the opening of the election, the qualified voters of the township, ward, or district for which said officer shall have been elected, present at the place of election, shall select one of their number to fill such vacancy.

"It shall be the duty of the several assessors, respectively, to attend at the place of holding every general, special or township election, during the time said election is kept open, for the purpose of giving information to the inspectors and judges when called on, in relation to the right of any person assessed by them to vote at such elections, or such other matters in relation to the assessment of voters as the said inspectors, or either of them, shall from time to time require."

Pursuant to the provisions contained in the 76th section of the act first aforesaid, the judges of the aforesaid districts shall respectively take charge of the certificate or return of the election of their respective districts, and produce them at a meeting of one judge from each district, at the city of Harrisburg, on the third day after the day of election, being FRIDAY, the 9th day of NOVEMBER, then and there to do and perform the duties required by law of the said judges.

Also, that where a judge by sickness or unavoidable accident is unable to attend such meeting of judges, then the certificate or return aforesaid shall be taken charge of by one of the inspectors or clerks of the election of said district, who shall do and perform the duties required of said judges unable to attend.

PENNSYLVANIA, SS.

L.S. In the name and by the authority of the Commonwealth of Pennsylvania, WILLIAM F. PACKER, Governor of the said Commonwealth:

A PROCLAMATION.

FELLOW CITIZENS: The revolutions of the year have again brought us to our annual festival of Thanksgiving to Almighty God. In no preceding year have we had more abundant cause for gratitude and praise. The revolving seasons have brought with them health and plenty. The summer fruits and the autumn harvests have been gathered and garnered in unwonted exuberance. A healthful activity has pervaded all the departments of life; and provident industry has met with a generous reward. The increase of material wealth has been liberally employed in sustaining our Educational and Religious Institutions; and both are making the most gratifying progress in enlightening and purifying the public mind. While, in Europe, central and absolute governments, by their pressure on personal rights and liberty, are producing excitements, which threaten to upheave the very foundations of society, and have led, in some instances, to bloody and cruel wars, we, in the enjoyment of constitutional liberty, and under the protection of just and equal laws, are peacefully pursuing the avocations of life, and engaging in whatever promises to advance our social and individual improvement and happiness. "The lines are," indeed, "fallen to us in pleasant places, and we have a goodly heritage." In all this we see the orderings of a kind and merciful Providence, which call not only for our recognition, but for our public Thanksgiving and Praise.

Under this conviction, I, WILLIAM F. PACKER, Governor of the Commonwealth of Pennsylvania, do hereby appoint THURSDAY, THE TWENTY-NINTH DAY OF NOVEMBER NEXT, to be observed as a day of public Thanksgiving and Prayer, and recommend to all our people, that setting aside, on that day, all worldly pursuits, they assemble in their respective places of worship, and unite in offering Thanks to God for his manifold goodness, and imploring His forgiveness, and the continuance of His mercies.

Given under my Hand and the Great Seal of the State, at Harrisburg, the twenty-fourth day of October, in the year of our Lord, one thousand eight hundred and sixty, and of the Commonwealth the eighty-fifth.

WM. F. PACKER.

By the Governor,

WM. M. HIESTER,

Secretary of the Commonwealth.

FRIDAY MORNING, NOV. 2, 1860.

A GLANCE AT THE NEW YORK "FIVE POINTS."

POVERTY, CRIME AND MISERY.

Here sin and filth reign paramount and supreme; here Dead Rabbits, thieves and burglars, and hopelessy degraded females congregate; here mobs are engendered upon the shorest notice and the slightest provocation; here drunkenness, murder and rioting are indigenous; here, in a word, are the famous "Five Points" of New York.

The visitor to this dim, dirty and dismal region should first, by way of precaution, put on his most threadbare garments, and lay aside his money, watches and jewelry, if he have any. He must even then go at noon-day, when the bats and owls have slunk to rest, unless he can be assured of the safe conduct of the police. *Facilis descensus Averni*—from every side, in a literal as well as a figurative sense, it is down hill to the Five Points. The whole neighborhood is a sort of a basin, where once was a morass, and was not, as might very naturally be imagined, sunk to its present level by the accumulated weight of the iniquities there practiced.

But above this level unwholesome exhalations and noisome smells do not easily rise, and the pervading impression on the olfactories of the visitor is that of going down into the hold of an old ship. Down Centre street the Fourth avenue cars will whirl you rapidly along the outskirts, where you will catch but a whiff of the bilge water stench, and a passing hasty glimpse, on the one hand, of the Tombs, with its squat Egyptian pillars begrimmed with the dirty touch of multitudes who daily throng its portals; and, on the other, of
