NO. 78.

## Sewing Machines.

THE GROVER &amp; BAKER

## NOISELESS

FAMILY SEWING MACHINE

is rapidly superseding all others for family use. The

DOLAYE Lock-Stitch formed by this Machine is found

to be the only one which survives the wash-tub on this

score, and, therefore, the only one permanently val-

uable for sewing.

READ THE FOLLOWING TESTIMONY:

"Mrs. JESSIE DAVIS, presents her compliments to

Grover &amp; Baker, and pleasure in saying that she

has used one of their Machines for two years, and finds

it still in good order, makes a beautiful stitch, and does

easy work of any kind."—*Washington, D. C.*

"It is a great thing, and puts every body into a

excitement of good humor, and enthusiasm. I would

invite upon Sists. Grover &amp; Baker having an eternal

holiday in commemoration of their good deed for hu-

manity."—*Cassius M. Clay.*

"My wife has a Family of Grover &amp; Baker's Family

Sewing Machines for some time, and I am satisfied to

say that it is one of the best labor-saving machines that has been in-

vented. I take much pleasure in recommending it to

the public."—*J. G. Harris, Governor of Tennessee.*

"On the 1st of January, 1860, I purchased, some

months since, one of your Family Sewing Machines. My

family has been most successful in its use, and

not without some trouble or difficulty whatever in

the start, but now it is a family blessing, and

does not cost me a cent to run it. I could not

have done without it."—*James Pollock, Esq., Governor of Pennsylvania.*

"The undersigned, Clergymen of various denomina-

tions, having purchased and used in our families

Family Sewing Machines, take pleasure in recommending it as an

instrument fully combining the essentials of a good ma-

chine. Its beautiful simplicity, ease of management,

and the strength and durability of its stitch, unite to

render it a machine of great value, and one which we

feel confident will give satisfaction to all who may purchase and use it."
