Read the following from the New York Courter: ENORMOUS BUSINESS FOR ONE NEW YORK MERCHART. — We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive warehouse, Nos. 18, 20 and 22, Beaver street, and Nos. 17, 19 and 21, Marketfield street. His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases of Madeirs, Sherry and Port Wines, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had three large cellars, filled with Brandy, Wines, & c., in casks, under Custom-House key, ready for bottling.
Mr. WOLFE's sales of Schnapps last year amounted to one hundred and eighty thousand ozen, and we hope in less than two years ho may be equally successf with his Brandies and Wines.
Mis business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medical use should send their orders direct to Mr. WOLFE, until every Apothecary in the land make up their minds to discard the poisonous staff from their shelves, and replace it with WOLFE's pure Wines and Liquors.
We understand Mr. WOLFE, for the accommodation of wines and Liquors.
