

LOCAL NEWS.

THE DAILY PATRIOT AND UNION may be had at Jack's Book Store, corner of Third and Market streets.

PATRIOT AND UNION.—The DAILY PATRIOT AND UNION can be had by Dauphin subscribers, every morning, at the periodical store of J. S. FRANK.

THE MAILS.—Under the change of schedule on the different railroads, the time of closing the mails at the Harrisburg Post Office, December 1st, 1860, is as follows:

PENNSYLVANIA R. R. East—7 a. m.—way mail, 12:15 p. m., 5 p. m., P. M. West—6:30 a. m.—way mail, 3:50 p. m., 9 p. m.

NORTHERN CENTRAL R. R. South—12:15 p. m.—way mail, 9 p. m. North—1 p. m.

LEBANON VALLEY R. R. 7:30 a. m. DAUPHIN AND SUSQ. R. R. 1:30 p. m. GUMBERLAND VALLEY R. R. 7:30 a. m., 1 p. m.—way mail.

STAGGS.—7 a. m. to Gettysburg, on Tuesday, Thursday and Saturday. 7 a. m. to Jonestown, on Monday, Wednesday and Friday. 1 p. m. to Lewisberry, on Saturday.

APPOINTED.—It was currently reported yesterday morning that Samuel B. Thomas, of Delaware county, has been appointed Deputy Secretary of the Commonwealth by Gov. Curtin.

AMUSEMENTS.—General Tom. Thumb and his troupe are wending their way hither. Sam Sanford and his imitator troupe may also be looked for during the last of this, or the beginning of next week.

PARDONS.—Governor Peaker last week pardoned Robert Harvey, convicted of keeping a gambling house, and William A. Hambricht, convicted of picking pockets. Both were imprisoned in Philadelphia.

NOTARY PUBLIC.—Governor Peaker has appointed Col. John P. Glass to be a Notary Public for the city of Pittsburg, in place of A. W. Foster, Esq., whose official term will expire on the 14th inst. Col. Glass is a thorough business man, and will make an excellent officer.

STRANGERS IN TOWN.—Our city is filled with strangers, nearly two-thirds of whom are besieging the Governor's room for an audience. Of course, they wait offices for themselves or their friends.—The Philadelphia Inquirer says to be particularly ravens, and want nearly everything in the Governor's gift.

GRAND INAUGURATION BALL.—The Grand Inauguration ball comes off at Brant's Hall this evening, and it is expected that the Governor, the ex-Governor, Heads of Departments, Senators, Members, and many distinguished strangers now sojourning at the Capital will be present. Kieffer's string band, of Lancaster, has been engaged.

NEW MUSIC.—Mr. O. C. Carter has again placed us under obligations for a number of pieces of popular music just published. His store is in Market street, near Fourth, next door to Koller's drug store, where he keeps all the popular music published in the eastern cities. Strangers in the city will do well to give him a call.

FIRE.—One of the chimneys in Herr's Hotel sent out a volume of smoke yesterday morning large enough to raise an alarm of fire, which soon became general. The sparks from the chimney set fire to the roof, but it was soon put out—not, however, without doing Mr. Benford a little damage in the way of watering him. Everything was promptly repaired.

NON ARRIVAL OF MILITARY.—Up to 8 o'clock last evening no military companies had arrived in our city. The Cameron Guard turned out, and made a respectable show, headed by the State Capital Brass Band, for the purpose of doing escort duty. They marched to the railroad at noon, but the whole thing was a water haul. In short Captain Byrnes with about thirty men, marched to the Depot, and then back again!

WE do not suppose that there will be over half a dozen companies on parade to-day.

TAKEN TO THE ASYLUM.—The name of the man who stole Mr. Hoke's mare, and Mr. Hoffman's sleigh, is Samuel Washington Minnie, belonging to Lancaster county. He is a lunatic, and had escaped from the Asylum, to which place he has been taken by Dr. Curran—the lunatic of course being irresponsible for any crime. The authorities at the Asylum should be vigilant. This man put the gentlemen whose property was stolen to considerable expense and trouble, and it is not easy to conjecture what some of the inmates might do if they had the opportunity.

MARSHAL OF THE ROTUNDA.—Col. Dieth, of Pittsburg, has received the appointment of Marshal of the Rotunda. The amount of assets are not set down in round figures, but we hope our Republican friends will make a liberal appropriation at the end of the session. The inauguration of the Colonel was to have taken place last evening, under the direction of Butler, of Carbon, and Hutchinson, ex-Clerk of the Senate, but the arrangement was deemed "previous" by the Colonel as taking precedence of the Governor, and postponed for the present.

BEFORE THE MAYOR.—John Haley was before the Mayor on Sunday morning, on a charge of being drunk and disorderly in Robinson's store on Saturday night. He was let off. Herman Uppman, a "revolver," and Charles Lichtenberg, a traveling tinker, took lodgings, and were permitted to travel.

ON Sunday night Charles Steals, a yankee loafer, who has been traveling about the city with a carpet bag whistling "Jordan is a Hard Road to Travel," was let off on a promise to take one of the numerous roads that diverge from the city, forthwith. Alexander Stewart, vagrant lodger, was also discharged.

AN INHER "PATRY."—A family melody took place in the house of one Roache on Sunday, which came very near terminating in a row. One Richard Roache and his sister, from Philadelphia, were on a friendly visit to the Roache resident of this city, and by way of "diversion" they no doubt had several quarts of the best, inasmuch as the Roaches are "illigan" people, who, like stung cats, hiss their looks—having plenty of tin. However it was, the sister-in-law had Richard arrested on Sunday, and placed in durance vile on a charge of drunkenness, disorderly conduct, and threats of bodily harm. Yesterday morning Richard appeared before the Mayor, when an additional charge was preferred against him for attempting to whip two Dutchmen who occupied the same cell. The latter were mollified, however, but Richard was fined one and a half dollars, which he paid from a well filled wallet. He was next ordered to find security in the sum of one hundred dollars to keep the peace. The sister who was present offered to go the length of a book which she produced, which proved that she was a depositor in the Mechanics' Bank to the amount of \$2,400.

The Mayor could not take such a libel, whereupon the sister offered to put up the spondulix. At this stage of the proceedings the parties adjourned to the mansion of the resident Roache, where a treaty of peace was no doubt executed.

STARTLING INTELLIGENCE.—A Leading Republican of Harrisburg under the Surveillance of a Southern Vigilance Committee.—We regret to say that our distinguished friend Abraham Frazier, one of the leaders of the Republican party in this city, made a narrow escape from a Southern Vigilance Committee last week, in the State of Maryland. It appears that A. F.'s relatives live in that State, where Mr. F. had the misfortune to be born. He concluded that as the Union was about to be dissolved, and a passport system rigidly enforced, he would go over the line established by the firm of Mason & Dixon, civil engineers and land surveyors, and take a view of matters as they stood, and also pay a friendly visit to his relatives. He determined to eschew politics, and keep his real sentiments, like the veiled prophet did his countenance, from the public. But it availed him not—he was soon known as one of the Republican leaders of Pennsylvania, and mysterious and villainous looking ruffians immediately dogged his footsteps wherever he went. He reported so much confidence in a brother, that he told him he had voted for Lincoln, and was likely to get the Post Office in Harrisburg. Although the brother was told this in confidence, he betrayed Abraham. Alas! that things should come to such a pass that even the ties of consanguinity are no longer a barrier against the feud now stirred up. This brother is not unknown to the people of Harrisburg, having visited our place on several occasions, as he said, in search of fugitive slaves, but the terrified niggers always declared him a kidnaper, although we never heard of him making any attempt to snip any of the valuable hide of Boss Coo.

There is no doubt but that Frazier would have fared badly at the hands of the committee. The tar, feathers and rail were unquestionably all in readiness, but Abraham is wise and fleet of foot—so he quietly slipped into one of the cars of the Franklin Railroad, and came away at the very time the hoodlums were hunting for him!

Wide Awakes of Harrisburg, we call upon you to resent this outrage upon the mail and wedge bearer of your professions last summer. Up, every one of you, and go for Frazier, Union and the Post Office. This he is not only entitled to for past services, but for his narrow escape from martyrdom, which he would have preferred to yielding one principle in his platform.

Since his return from the South, he is more of a Republican than ever. He says now that if he had a son who would not vote for Lincoln to-morrow, he would inherit him!

Are there any aspirants—parlor politicians, we mean, who eat in their parlors smoking cigars while Frazier carried the mail and wedge—who will now set up a claim for the Post Office against him? We trust not.

THE INAUGURATION.—The inauguration of Gov. Curtin will take place to-day at 12 o'clock, m., on a platform in front of the Capitol. The following order has been issued by Gen. Keim, commander-in-chief of the military:

In accordance with the resolutions adopted by the joint committee of the Senate and House of Representatives, and by authority delegated to the undersigned, the following orders will be observed preceding and during the ceremony of inauguration of Governor Andrew G. Curtin:

By command of Major General WILLIAM H. KEIM, 5th Division P. V., officer commanding. SAMUEL L. YOUNG, Assistant Adjutant General. THOMAS J. JORDAN, Judge Advocate.

MAKING A VIRTUE OF A NECESSITY.—The Wide Awakes met on Saturday evening, and resolved to give way to the military and civic societies in conducting the inauguration ceremonies. This was done after a committee of their own party would not agree to any such a burlesque as permitting them to appear in the procession. This is a recognition of the virtue of a necessity. Play the arrangement had not been made several weeks ago; we might then have a creditable military display to-day—one of numbers.

Attention is directed to the Wide Awake procession advertised in another column to come off this evening.

NOTICE.—All ladies visiting Harrisburg, desiring to participate in the Inauguration Ball to-night, will please leave their addresses at Brant's Hall before 6 o'clock this evening.

THE POTATO DISEASE.—M. Bouterive, the French savan, has instituted a series of experiments having for their object the discovery of a method of eradicating the potato disease. This is a suggestion that the first cause of the different maladies which have caused such ravages among the potatoes, lies in the plant itself, from an actual degeneration of the plant, caused by a too extended propagation by tubers. The only means of eradicating the scourge is to regenerate the plant by successive re-plantings from the seed. With each successive sowing of the seed, M. Bouterive found that the number of diseased plants diminished, and he believes that after repeating the process for four or five times, the malady will entirely disappear.

SECRET SOCIETIES IN CHINA.—John Chinaman must needs have his secret societies as well as our side barbarians. The principal of the Celestial Clubs are the Societies of the Triad, of the White Lily, of the Blue Lily, of the Call's Head, of the Sun, of the Sparkling Honor, of the Unmixed Sea, of the Yellow Cup, of the Origin of the White Cloud, of the Short Sword, and lastly, the Society that has no Mether. Lee, 74 Market street, has returned from the East with a large assortment of gold and silver mounted canes, sword and fancy canes of every style and variety, and the largest and best assortment of umbrellas ever offered in this city.
