MOTHERS TRY IT!! And to you we appeal to detect the illness or decline not only of your daughters before it be too late, but also your sons and husbands, for while the former from false delicacy, often go down to a premature grave, rather than let their condition be known in time, the latter are often so mixed up with the excitement of business, that if it were not for you, they, too, would travel in the same downward path until it is too late to arrest their fatal fall. But the mother is always vigilant, and to you we confidently appeal; for we are sure your never-failing affection will unerringly point you to PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR

as the remedy which should be always on hand in time

Prof. WOOD'S Restorative Cordial and Blood Renovator is a genuine medicine of real merit, pleasant to the taste and invigorating to the system. While it purifies the blood and soothes the nervous irritation, it aids the organs of digestion to perform their functions, and resist the assault of disease. It is a chewical compound so skillfully combined that while it exhibitates it does not provoke the lassitude which usually follows excitement. A tonic, composed exclusively of vegetable matter, it is absolutely ceneficial, and no ill effects can possibly accompany its use. It is, an infallible and speedy remedy for Loss of Appetite, Faintness, Nervous Deblity, Neuralgia. Pa'pitation of the Heart, Falling of the Womb, and other delica'e diseases to which women is subject. For Sickness of the Stomach, Bilious Attacks, Liver Complaints, Costivenes, Dyspepsia, Consumption, and a host of evils flesh is heir to, it is a certain cure.—St. Louis Morning Heraid.

PROF. WOOD'S RESTORATIVE CORDIAL .- It is recorded PROF. WOOD'S RESTORATIVE CORDIAL.—It is recorded in the Classics that Psyche was once sent to a climate warmer than the West Indies, to procure a sample of the beauty of Prosperine in a box. After some delay the messenger returned, and as soon as the lid of the box was removed, out flew all the ills that flesh is heir to.—Wortunately, hope was round in the bottom of the box. Prof. WOOD'S Restorative Cordial revives the recollection of the story, for it invigorates the blood, aids the organs of digestion, imparts strength to the nervous system, and fortifies the citadel of health, so as to bid defiance to the asseults of disease. It is a healthy tonic, composed entirely of vegetable productions, and while it is exhilarating as pure wine, no injurious results can pessibly follow its us:. It is a desideratum in the medipessibly follow its us: 11 18 a denderation in stormar-cal world, and those who are afflicted with loss of appe-tite, Dyspepsis, Consumption, Faintness, Giddiness, Neauralzia, Palpitation of the Heart, &c., will find here are infallible panacea.—St. Louis Daily Express.

PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD REN-ovator is, without doubt, the best tonic Cordial in the world. To those who are suffering from General Debili-ty, we would recommend its use, for it is pleasant to the taste, is strengthening to the system, and will at once tend to remove all impurities of the blood, and eradicate all traces of disease. It can be taken by the weakest atomach, while those in good health will at once feel its exhibitating power. We are confident that after using one be 'lte of this Cordial none will be for a day without it. New York Lunder. it .- New York Leader.

*A PURE, HEALTHY TORIC, and one free from the delevious and injurious effects sure to follow those in ordinary use, has long been felt to be a desideratum in the medical world. Such a tonic, and one so skillfully combined from the vegetable kingdom as to act in perfect accordance with the laws of nature, and thus soothe the weakest stomach, and at the same time allay nervous and other irritations, and tone up all the organs of which the human body is composed, is offered in Prof. WOOD'S Restorative Cordial and Blood Renovator. Hence, it is perfectly adapted to old and young. Reader, try it — Thousands have already done so, and the testimony is aniversal in its favor.—New York Atlas.

PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD REN-PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENGETATOR, for the cure of General Debility, or Weakness arising from any cause; also, Dyspepsia, Nervousness, Night Sweats, Incip ent Corsumption, Liver Cemplaints, Billousness, Loss of Appetite, Female Weakness in all stages; also to prevent the contraction of disease, is certainly the best and most agreeable Cordial tonic and Renovator ever offered to the afflicted, and so chemically combined as to be the most powerful tonic ever known to medical science. Reader, try it. It will do you good. We have no hesitation in recommending it, since we know it to be a safe, pleasant and sure remedy for the diseases enumerated.—New York Dispatch.

Before noticing a patent medicine, we have to be certain that it will prove itself to be all that it is recommended. And we would say that the Restorative Cordial and Blood Renovator of Prof. Wood will stand the test fully, and in fact it is without any doubt the first arti_le in the market for Purifying the Plood and strengthening the system. We have no hesitation in recommending its use to all.—New Yorker.

LOOK TO YOURSELF IN TIME.—How many, in consequence of a false delicacy, suffer from suppressed, pair fal or obstructed meastruction, and think because they are young that bye-and-bye nature will work itself clear from obstructions, and all come right in the end, little dreaming that the seeds of death are already germinating in the system because the vital energies are impaired, and the entire animal economy deranged, debilitated; and yes, careless of themselves as they are, if a remedy wee set before them which would restore all the functions of the system, and re-invigorate the body, they would take it, and thus be in time to save their lives.—Parents think of this, and at once give them a bottle of Prof. Wood's Restorative Cordial and Blood Renovator.—New York Corrier.

Enormous Business for one New York Courier:

We are happy to inform our fellow-citizens that there is one place in our city where the physician, anotherary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will well repay any stranger or citizen to visit Ubolfich Wolffer extensive warchouse, Nos. 18, 20 and 22, Beaver street, and Nos 17, 19 and 21, Marketfield street. His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases—Vintages of 1836 to 1856; and ten thousand cases of Madeira, Sherry and Port Wines, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had three large cellars, filled with Brandy, Winea &c. in casks, under Custom-House key, ready for bottling. Mr. Wolff's sales of Schnapps last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successf with his Brandies and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medical use should send their orders direct to Mr. Wolff, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolff's pure Wines and Liquors.
