PATRIOT AND UNION.—The DAILY PATRIOT AND UNION can be had by Dauphin subscribers, every morning, at the periodical store of J. S. FRAIM.

THE SUSQUEHANNA.—The river is again in pretty good navigable order, and quite a number of rafts passed this city on Saturday, on their way to the lower market.

THE FISH MARKET.—Our fish market was well supplied on Saturday. Shad were abundant, and were selling at 20 and 25 cents apiece. Pike, rock fish, and some few Susquehanna salmon were in market, the former selling at fair prices.

GONE TO PHILADELPHIA.—Governor Curtin and the military gentlemen from Carlisle, who have been in conference with him for several days past, left here for Philadelphia on Saturday morning.—We did not learn the object of their journey.

TROOPS.—Four companies of cavalry passed through this city on Saturday last for Carlisle barracks. These troops were part of the Government forces that arrived at New York, a few days since, from Texas. They were in the enjoyment of excellent health and spirits.

WHISKERS.—There appears to be quite a mania at present among boys just verging upon manhood, to sport "hirsute appendages" to their faces. No harm in this, boys, if you do not cultivate the exterior to the detriment of the interior, and if, in coloring, you don't use nitri c acid!

WOOD'S MINSTRELS.—This evening the opening entertainment of Wood's Minstrels, from New York city, will be given in Brant's Hall. This troupe has gained a wide notoriety as being composed of some of the best performers in this country, and we bespeak for them a crowded house this evening.

LUCKY OR UNLUCKY.—A Hollidaysburg paper, in alluding to the late accident on the Pennsylvania railroad, says: "Mr. John Maloney, of this place, received a cut on the head and some scratches on the face; as a salve for which, we hear it reported that he got $300 damages, down cash, *and a life ticket.* Was John lucky or unlucky?"

A MODEL OFFICER.—Col. Tway, the Supervisor of the First district of this city, is at present busily engaged in cleaning the streets and alleys of the lower end of the city. The Colonel has given perfect satisfaction in the capacity of Supervisor, as was testified by the City Council in unanimously re-electing him at their last stated meeting.

HARMONIC SOCIETY.—As will be seen from a notice in our columns, this popular society will give one of their interesting soirees *this evening.* Their soirees have always been very pleasant, and we understand they have made special preparation for this occasion. Those who attend will be sure to enjoy a rich treat.

HARRISBURG TYPOGRAPHICAL UNION.—At a meeting of the Harrisburg Typographical Union, No. 14, held at the Hall of the Citizen engine house, on Saturday evening, Mr. John D. Kinneard was elected a delegate to attend the National Union, to meet in New York on the 6th of May. The Union was entitled to three representatives, but concluded to send but one.

NARROW ESCAPE.—The mail train from Philadelphia, yesterday morning, encountered a cow upon the track, about a mile this side of Middletown, and had it not been for the invaluable services of the patent brakes, the train would doubtless have been thrown from the track. The cow had pulled down the guard-fence in her efforts to get out of the way of the cars, which were removed, and the train proceeded to this city.

NEW YORK TO PITTSBURG WITHOUT CHANGE.—The new arrangement of running cars through from New York to Pittsburg will go into effect today. The first train will leave New York at 9 a. m., and connect in this city with the fast line that leaves here at 4.10 p. m. The second train will leave New York at 7.30 p. m., and connect here with the Express train at 3.10 a. m. The trains will run at a high rate of speed and will only stop at the principal stations. They will prove a great accommodation to the through travelers.

THE BATTLE OF LIFE.—Read and treasure up the wisdom contained in the following sentences: —The battle of life, in by far the greater number of cases, must necessarily be fought up-hill; and to win it without struggle were, perhaps, to win it without honor. If there were no difficulties, there would be no success; if there were nothing to struggle for, there would be nothing to achieve. Difficulties may intimidate the weak, but they act only as stimulants to men of pluck and resolution. All the experience of life, indeed, serves to prove that the impediments thrown in the way of human advancement may, for the most part, be overcome by steady good conduct, honest zeal, activity, perseverance, and above all, by a determined resolution to surmount difficulties and stand up manfully against misfortune. Let young men who are ready to yield to trifling obstacles, and accustomed to "faint by the wayside," think of these things.

THE WAR EXCITEMENT.—The excitement in this city on Saturday morning, on account of the startling news from the South, was intense. All sorts of rumors were afloat, and the operators in the telegraph offices were besieged by anxious applicants to ascertain if the intelligence was correct. Knots of persons were congregated at the street corners discussing the news, and everybody appeared to be in fever heat to get the full particulars. At noon when the New York and Philadelphia papers arrived the demand for them was so great that the supply was immediately exhausted At the present writing the excitement has not abated, and everybody is anxiously awaiting further intelligence from the seat of war.

Yesterday morning the excitement was not abated, but it had rather increased. Rumors of all kinds were in circulation, purporting to have come from Charleston—the truth or falsity of which seemed to exercise the mind of the people. We are informed that the preachers in most of our churches referred to the exciting state of affairs in their pulpits yesterday, and fervent prayers were offered to the Throne of Grace for the preservation of our country.

CORNER LOUNGING.—At this season of the year, when the evenings are becoming pleasant for pedestrians, there is a noticeable feature calculated to interrupt the enjoyment of those who seek pleasure in an evening walk, which calls loudly for reform. The corners of the principal thoroughfares of our city—where loafers "most do congregate"—present an appearance that challenges the vigilance of those who are delegated to preserve the peace and quiet of the town. This evil, which is getting to be the subject of general remark, has never been more apparent than at the present time. It is a deplorable sight, in these days of cheap reading, to see young men, night after night, frequenting these places, for no other purpose than to rivet their gaze upon, and exchange remarks offensive to, those who may be passing within hearing distance. These disgraceful loungers, whose presence is marked by pavements stained with tobacco juice, not only salute ears polite with offensive language, but frequently expectorate their tobacco upon the dresses of ladies. It is high time, we think, that this growing practice should be checked. Apart from the annoyance to all respectable citizens, it engenders a love for idleness and habitual vagrancy, and is a stepping stone to graver crimes. No doubt many a young man of fair abilities has been led astray by joining these pernicious associations, and can trace his downfall to their influence.—"A word to the wise *should be* sufficient."

COTILLION PARTY.—We would request those who are accustomed to enjoying themselves in the amusement of an exhibition of their skill in the Terpsichorean art, to purchase a ticket to the Cotillion party, to be given for the benefit of the "Paxton tribe," on Tuesday evening, the 16th inst. Tickets can be procured at the Exchange restaurant. The statement made by the *Telegraph* that the tribe will appear in costume is incorrect.

SOIREE, HARMONIC SOCIETY.—The Harmonic Society will give their regular monthly soiree this Monday evening, commencing at 7½ o'clock, in the lecture room of the Baptist church, corner of Pine and Second streets. The Society would invite the presence of subscribing and honorary members.—The full attendance of *active* members is desired.

Mothers, read this.
The following is an extract from a letter written by a pastor of the Baptist Church to the *Journal and Messenger,* Cincinnati, Ohio, and speaks volumes in favor of that world-renowned medicine—MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING:
"We see an advertisement in your columns of Mrs. Winslow's Soothing Syrup. Now we never said a word in favor of a patent medicine before in our life, but we feel compelled to say to your readers, that this is no humbug—WE HAVE TRIED IT, AND KNOW IT TO BE ALL IT CLAIMS. It is, probably, one of the most successful medicines of the day, because it is one of the best. And those of your readers who have babies can't do better than to lay in a supply. sep29-d&wly

ONLY ONE DOLLAR EACH!
10,000 BEAUTIFUL STEEL PLATE ENGRAVING OF THE LORD'S PRAYER FOR SALE!
VALUABLE PROPERTY GIVEN AWAY!
The idea of representing the LORD'S PRAYER by an engraving, and of ornamenting and arranging it in such a manner as to produce at once a model of neatness and taste, was conceived and carried out by ORMSBY, the celebrated Bank-note Engraver of New York city. It commences with exquisitely executed words of "OUR FATHER," and then follow in succession the other parts of the Prayer, every phrase of which is engraved in the most elegant and tasteful manner. Near the bottom of the picture is a superbly executed head of OUR SAVIOUR, and encircling the upper part of the engraving are ten angels, each bearing one of the TEN COMMANDMENTS.
The engraving has received the most unqualified praise from the religious community, as there is nothing of a sectarian character about it, having been recommended by clergymen of all denominations. As an ornament it is one of the most splendid ever published in this country, and is destined to take the place of a poorer class of engravings. The size of the plate is 20x28 inches, and is unquestionably the cheapest engraving ever offered in this country.
Who that loves Art—who that delights to study a fine engraving—who that would possess a beautiful Picture—who that would receive the impressions which such a work is calculated to impart, would fail to secure a copy when the price is only ONE DOLLAR, with the chance of securing for that sum in addition a permanent home or another valuable Gift?
As a work of art this valuable and beautiful engraving is worth more than the dollar asked for it, as will readily be acknowledged on an inspection of it; but the subscribers intend to make a Gift Distribution to purchasers of the engraving of valuable presents, as follows:
1 House and Lot in York Borough;
2 Building Lots;
2 Buggies; Quinn & Palmer's make, warranted;
1 Rockaway;
100 Valuable Books;
50 Barrels of Flour, warranted;
1,000 Gilt Frames to suit Engraving of Lord's Prayer;
500 Steel Plate Engravings—Birth of Christ; Magnificent Looking-glasses;
Gold and Silver Watches;
All kinds of Jewelry, embracing Cameos, Florentines, Mosaic, Gold Stone, &c.
A Gift worth from 50 cents to $500.00 with each Engraving sold.
When the Engravings are all sold, a meeting of the purchasers will be called at Washington Hall, York, Pa., when the Gifts named above will be distributed in such manner as the purchasers may determine—the purchasers selecting a committee of disinterested persons to make the awards in such manner as they may designate.
The proprietors, from the favorable manner in which this Gift Enterprise has been received, and the number of Engravings already sold, hope to be able to have the whole amount disposed of by the first of July ensuing, and when all are sold they will notify the purchasers and have the distribution of the Gifts proceeded with.
This Engraving has received the commendation of the Reverend Clergy, our first citizens, and, indeed, of all classes, who enter into it with interest and spirit.
Send on ONE DOLLAR and four Red Stamps to pay postage on Engraving, and you are sure to get it by return mail. Address AUSTIN & WEHRLY,

THE LORD'S PRAYER.
We have carefully examined this Engraving, offered for sale in this community by Messrs. Austin & Wehrly, and do not hesitate to pronounce it one of the finest works of American Art we have ever seen. The design is beautiful, the style of execution is superior, and the illustrations are excellent. Its appearance will at once secure for it the admiration of a refined community, and recommend it to the Christian public. It is highly ornamental, and is calculated to exert a refining influence in a family, and an elevating and purifying effect upon the morals and religion of society, and it should meet, as we understand it deserves, with a rapid and extensive sale.

BLACKWOOD'S EDINBURGH MAGAZINE, (Tory.)
The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news-items, crude speculations and flying rumors of the daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific and theological character, we urge them upon the consideration of the reading public.

The receipt of ADVANCE SHEETS from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

PROF. WOOD'S HAIR RESTORATIVE.
READ WHAT A DISTINGUISHED PHYSICIAN OF ST. LOUIS SAYS OF IT.
St. Louis, July 10th, 1860.
O. J. WOOD, Esq.: *Dear Sir*—Allow me the pleasure and satisfaction to transmit to you the beneficial effects of your Hair Restorative after a trial of five years I commenced using your Restorative in January, 1855, since which time I have not been without a bottle on hand. When I commenced the use, my hair was quite thin, and at least one-third gray. A few applications stopped its falling, and in three weeks time there was not a gray hair to be found, neither has there been up to this time.
After my hair was completely restored, I continued its use by applying two or three times per month. My hair has ever continued healthy, soft and glossy, and my scalp perfectly free from dandruff. I do not imagine the facts above mentioned will be of any particular advantage to you, or even flatter your vanity at this late day, as I am well aware they are all well known already, and even more wonderful ones throughout the Union. I have occupied my time in traveling the greater part of the time the past three years, and have taken pride and pleasure in recommending your Restorative and exhibiting its effects in my own case. In several instances I have met with people that have pronounced it a humbug; saying they had used it, and without effect. In every instance, however, it proved by probing the matter, that they had not used the article at all, but had used some new article, said to be as good as yours, and selling at about half the price. I have noticed two or three articles myself advertised as above, which I have no doubt are humbugs. It is astonishing that people will patronize an article of no reputation, when there is one at hand that has been proved beyond a doubt.
Apparently some of those charlatans have not brains enough to write an advertisement, as I notice they have copied yours, word for word in several instances, merely inserting some other name in place of yours.
I have, within the past five years, seen and talked with more than two thousand persons that have used your preparation with perfect success—some for baldness, gray hair, scald head, dandruff, and every disease the scalp and head are subject to.
I called to see you, personally, at your original place of business here, but learned you were now living in New York.
You are at liberty to publish this or to refer parties to me. Any communication addressed to me, care box 1920, will be promptly answered. Yours, truly,
JAMES WHITE, M. D.

PROF. WOOD: *Dear Sir*—I was induced more than a year ago to try your valuable Hair Restorative, for the purpose of cleansing my head of dandruff I had suffered with it upon my head for years, and had never been able to get anything to do me any good in removing it, although I had tried many preparations, until I saw your advertisement in a Harrisburg paper. Being there at the time, I called at Gross & Ross's Drug Store and bought a bottle, and now am prepared to recommend it to universal use, for it has completely removed all dandruff from my head, and an application once in two weeks keeps it free from any itching or other unpleasantness.—I must also state that my hair had become quite white in places, and, by the use of your preparation, has been restored to its original color. I am now 50 years of age, and although I have used two bottles of the Restorative, no one has any knowledge of it, as I allow a few gray hairs to remain in order to have my appearance comport with my age. My head is now of less trouble to me, in keeping it clean, &c., than at any time since I have been a child. I consider your preparation of great value, and although I do not like to expose myself, I consider it my duty to say so. You can use this, or any part of it, in any shape you think proper, if it is worth anything to you Yours, &c.,
H. H. ETTER.

Bloomington, Ind., July 30th, 1859.
Dear Sir:—I here send you a statement that I think you are entitled to the benefit of. I am a resident of Bloomington and have been for over thirty years. I am now over 50 years of age. For about twenty years past my hair has been turning considerably gray, and was almost entirely white, and very stiff and unpliant. I had seen a number of certificates of the very wonderful effect of your Hair Restorative, but supposed there was more fiction than truth in them; but entertaining a strong desire to have my hair, if possible, restored to its original color and fineness, as it was in my younger days a beautiful black, I concluded I would make the experiment, commencing in a small way. I purchased one of your small bottles, at one dollar, and commenced using, following directions as nearly as I could. I soon discovered the dandruff removed, and my hair, that was falling off in large quantities, was considerably tightened, and a radical change taking place in the color. I have continued to use it till I have used three of your small bottles, and just begun on the fourth. I have now as pretty a head of dark brown, or light black hair, as any man, or as I had in my youthful days when a boy in the hills of Western Virginia. My head is entirely clear of dandruff, and the hair ceased entirely falling off, and is as soft and fine, and feels as oily, as though it was just from under the hands of a French shampooer. Many of my acquaintances frequently say to me, "Butler, where did you get that fine wig?" I tell them it was the effects of your Restorative. It is almost impossible to convince them that it is the original hair of the same old gray head. Yours, truly,
FREDERICK T. BUTLER,

Bloomington, Monroe County, Indiana.
PROF. WOOD'S HAIR RESTORATIVE.—In another column will be found an advertisement of this well-known and excellent preparation for restoring gray hair to its original color. The Hair Restorative also cures cutaneous eruptions, and prevents the hair falling off. We have seen many authentic testimonials in proof of these assertions, some of which are from gentlemen whom we have known for many years as persons of the most reliable character. *Don't dye till you have tried this Restorative.—Boston Olive Branch.*

WOOD'S HAIR RESTORATIVE.—We are not in the habit of puffing every new discovery, for nine cases of ten they are quack nostrums, but we take great pleasure in recommending Professor Wood's article to all whose hair is falling off, or turning gray. Our well-known contributor, Finley Johnson, Esq., has experienced the benefits of its application, and joins with us in speaking of its virtues. Let all try it, and bald heads will be as rare as snow in Summer.—*Baltimore Patriot.*

WOOD'S HAIR RESTORATIVE.—Unlike most specifics, this is proved, by unimpeachable evidence, to possess great efficacy as a restorer of the hair to its pristine vigor. Where the head had become almost bald because of sickness, the use of this article has produced a beautiful growth of thick, glossy hair. It is therefore a valuable preparation for all classes. Its ingredients are such as to effectually eradicate dandruff and other impurities, which operate so injuriously to the hair. It also has curative properties of another description. In many cases pimples and other disfigurements of the skin disappear wherever it is used. There is no hazard attaching to the trial of this remedy, and its effects can only be beneficial, as the compound, if it does not cause a manifest improvement, is incapable of doing harm, as its component elements are perfectly innoxious.—*Boston Transcript, April 22, '59.*

A GENUINE BOON.—In our capacity as conductor of a public journal we are called upon to advertise the curealls of the day, each of which claims to be unadulterated in its composition and infallible in its curative effects—with what justice we leave our readers to determine. In one instance, however—Prof. Wood's Hair Restorative—we are so well assured of the notable qualities of the article that we *give it* our endorsement as all that its inventor and vender claims it to be. Its effect upon a falling head of hair is universally known to be magical; like lime or guano on exhausted land, it brings its crop wherever applied. Our own thatch is fortunately healthy, but we advise our friends with
