THE Susquehanna begins to feel big, and is now on a splurge. Although the water is still coming up, yet the river is going down. Our Chief of Police, Mr. Radabaugh, is impro-

ving in health, and will be able to attend to his duties in a few days. WE learn from letters received from Wheatland, from some of Mr. Buchanan's friends, that he is

rapidly recovering his wonted health and vigor. THE SUSQUEHANNA -The recent rains have had

a tendency to raise the Susquehanna, and rafts are now floating down stream in gorgeous array. A meeting of the City Council will be held on

Saturday evening next. Let all who are interested PREPARE.—Court will assemble on Monday next, and all those who have any business there should

prepare to meet their judge. Mr. John Erpley has been appointed a route agent on the Northern Central Railway, between

Baltimore and Harrisburg. RESUMED WORK .- The cotton mill was put in operation on Monday morning, and the machinery is now in working order, and all the hands em-

ployed. THE WEATHER .- The weather during the past week was characterized by that changeableners peculiar to the month of April, and getting no better fast.

THE PARK.—We understand that the first competing horses will be brought into the ring on next Saturday week. It is also said that a crack horse from Philadelphia will enter the arena, and in that case we may expect some fun.

Appointments by the President .- Alex. Murdock, U. S. Marshal for Western district of Pennsylvania.

Robert B. Carnohan, U. S. Attorney for same district.

A Globious Storm.—Our city was visited on April storm.— This, of course, will be a great benefit to the agricultural population, who, of course, will make the most of it.

ARBIVAL.-A number of the mechanics formerly employed in the shops at Parksburg have arrived in town. Many of them having families are looking for houses in the neighborhood of the round house.

SHAD .- The Susquehanna fisheries at Havre-de-Grace are now in active operation, and shad have been caught in large quantities. On Wednesday and Thursday last from 1,500 to 2,000 were caught. They sell at from \$12 to \$14 per hundred.

Music for the Million.-Wood's Minstrels enlivened our citizens yesterday afternoon by performing several patriotic airs. The troupe is one of the best that has ever visited this city, and their gentlemanly conduct has endeared them to the residents of the city.

THE STATE CAPITAL GUARDS .- A meeting of the Guards was held at the armory on Tuesday evening last and a large number of names were added to the roll. Lieutenaut Waterbury was elected Captain of the company, after which the corps made a street parade.

OUR WEEKLY.—The regular weekly edition of the PATRIOT AND UNION will be issued to-morrow. During this political excitement the contents will, of course, be interesting as well as entertaining to our country readers. Single copies can be had at the office with or without wrappers.

THE MAYOR'S OFFICE. -Only one offender appeared befere the Mayor yesterday. He was charged with violating the city ordinance by driving his "go-cart" on the pavements, for which he was arrested, and made to pay the fine of \$1 and the cost of prosecution.

THE SOLDIERS.—Formerly soldiers enlisted for the army were informed, when joining, to what branch of the service, cavalry, artillery or infantry, they would be assigned. Henceforward they will be told nothing whatever about it, but made horse or foot soldiers, artillerists or sappers and miners, as may be necessary.

THE FISH MARKET .- The fish mongers of our city have been very active of late, and the supply is equal to the demand. Shad from the Delaware, shad from the Potomac, shad from the Susquehanna, can be found in the sheds, and on the paves. Rock fish, sun fish, catties, eels, suckers and fall fish can be found in abundance in our

USE THE KNIFE .- As the time is now at hand when it becomes necessary to set out plants of various descriptions, it is well enough to know that all monthly roses, if cut down to two buds when set out in the spring, will make strong growths, and give abundant blooms in June, and continue to do so until the approach of cold weather. Cat freely all deciduous trees, but spare the knife when near evergreens. Leave them in their natural form,

and prune not. HARD UP.—The Aldermen of our city are hard up at the present time. Matters of business are very dull and items of news very scarce. Perambulate, circulate, or do anything else you please, you return with clean sheets; nary an item is to be picked up. Alderman Maglauchlin has had within the last few days several cases, but as they are of no interest to the public we deem it not advisable to give publicity to the proceedings. The other Aldermen were left out in the rain and had ne business to attend to, except on the order of the civil, making out deeds, transferring documents, and

MEETING TO SUSTAIN THE NATIONAL GOVERN-MENT.-In pursuance of notice given in the newspapers, one of the largest assemblages ever convened in this city met at the County Court House for the purpose of giving expression to the views of the citizens of this and the surrounding community, in relation to our present National diffi-

The meeting was opened in a few preliminary and patriotic remarks by A. Jackson Herr, Esq., upon whose motion his Honor, the Mayor, William H. Kepner, was called to the Chair, and Judge Dock, Frederick Trace, and some thirty others were chosen Vice Presidents, with the necessary number of Secretaries.

A committee to draft resolutions was appointed, consisting of fifteen persons, when

William H. Welsh, Senator from York, was called upon, and addressed the meeting ably and effectually, taking the ground that it was no longer a question of party, but that as the issue of whether we have or have not a Government had been thrust upon us, it was the duty of every good citizen to come forward and renew his fealty to the General Government, by giving to that Government his whole and entire support, without any reservations.

Mr. W's remarks were enthusiastically received. William H. Armstrong, of Lycoming county, followed, and was greatly cheered, as was R. A. Lamberton, Esq., who succeeded.

Wm. B. Sipes, of the Sentinel, reported a series of resolutions, which, together with the resolve of the House of yesterday, were adopted. The resolutions, of which we could not obtain a copy, breathed a warm spirit of devotion to the Constitution and the Union.

A. Boyd Hamilton moved that Gen. E. C. Williams, Capt. I. S. Waterbury, and Maj. L. N. Ott be appointed a committee to collect funds to entertain the soldiers whilst in town, preparatory to being taken into service, remarking that as a general thing they generally were not persons who were possessed of overly much of this world's goods, and closed by saying he would give fifty dollars. Others said the same thing, and the motion was

agreed to. The meeting then adjourned, but another was forthwith improvised, and Col. James Worrall made a patriotic speech, with a little about our present difficulties, and a good deal about a late election, the causes thereof, and the Constitutional Union

An address to President Lincoln, similar in terms to the one drawn by Horace Binney, of Philadelphia, was circulated and received a large number of signatures. The address can be read and signed at Brant's European Hotel at any time during tomorrow, as we understand the design is to dispatch it as soon as possible.

DEATH OF DR. ORTH, -The sudden death of Dr. E. L. Orth, Monday evening, startled greatly our whole community. He was in his usual health during the day-attending to his large professional business, up to 9 p. m., when he returned home, and, after his usual office business, went into his family, and immediately after sitting down, sank back in the chair and died without a struggle. A peaceful death-meet close for a peaceful, gentle life!

Dr. Orth's death (at the comparatively early age of 47 years, after a long practice here,) is more than usually noticeable and impressive. Patient, gentle, kind and liberal in his ordinary intercourse with society, and in his profession assiduous, untiring, sympathizing and skillful, his presence will be missed in all the walks of life, and especially in the many chambers of sickness which he was wont to cheer.

How strange it is that the physician should go before the still lingering patient, and that the infirm and aged amongst us, who might have been expecting his kind ministry in their soon-coming death struggles, will now follow his body to the grave-cut off in advance, and only too early, as would seem in human judgment.

"Like grass which groweth up in the morning, it flourisheth and groweth up; in the evening it is cut down and withereth."

THE CAMERON GUARDS .- A meeting of the Cameron Guards was held at their armory on Tuesday evening last, when the following preamble and resolutions were passed:

WHEREAS, The President of the United States has issued a proclamation, calling upon the several Governors of the States to furnish 75,000 volunteers to aid in the suppression of all unlawful combinations, and the enforcing the laws and Constitution of our beloved country; therefore,

VIRGINIA. ALEXANDRIA, April 15.—The publication of President Lincolu's proclamation has greatly increased the secession feeling here, and business of all kinds is completely suspended. Merchants are engaged in discussing the probability of a long and sanguinary civil war. The Impression is that the Virginia convention will instantly pass an ordinance of secession, or call a border State conference.

OF THE LORD'S PRAVER FOR SALE!

VALUABLE PROPERTY GIVEN AWAY!

The idea of representing the LORD'S PRAYER by an engraving, and of ornamenting and arranging it in such a manner as to produce at once a model of neatness and taste, was conceived and carried out by ORMSBY, the celebrated Bank-note Engraver of New York city. It commences with exquisitely executed words of "Our Flatten," and then follow in succession the other parts of the Prayer, every phrase of which is engraved in the most elegant and tasteful manner. Near the bottom of the picture is a superbly executed head of OUR SAVIOUR, and encircling the upper part of the engraving are ten angels, each bearing one of the TRE COMMANDENTS.

The engraving has received the most unqualified praise from the religious community, as there is nothing of a sectarian character about it, having been recommended by clergymen of all denominations. As an ornament it is one of the most splendid ever published in this country, and is destined to take the place of a poorer class of engravings. The size of the plate is 20x28 inches, and is unquestionably the cheapest engraving ever offered in this country.

THE LORD'S PRAYER

We have carefully examined this Engraving, offered for sale in this community by Messrs. Austin & Wehrly, and do not hesitate to pronounce it one of the finest works of American Art we have ever seen. The design is beautiful, the style of execution is superior, and the illustrations are excellent. Its appearance will at once secure for it the admiration of a refined community, and recommend it to the Christian public. It is highly or namental, and is calculated to exert a refining influence in a family, and an elevating and purifying effect upon the morals and religion of society, and it should meet, as we understand it deserves, with a rapid and extensive sale.
