No Extra Session .- Rumors were current all day on Wednesday that the Governor would issue his proclamation yesterday calling an extra session. No such proclamation was issued, and the inference is, that calling such session will be governed by future events.

THE LOCK-UP.—Five volunteer lodgers were in the lock-up on Wednesday night. They gave the same old story that they were short of funds, were in search of work, and willing to do anything .-The whole party were furnished with lodging and discharged in the morning.

A meeting of the State Capital Guard was held on Wednesday evening, when the following officers were duly elected: Captain, W. B. Sipes; First Lieutenant, Henry Davis; Second Lieutenant, Jas. Murray; Corporal, Robert S. Boyd; and William Bush as tenor drummer for the company.

A Special Police.—In consequence of the excitement that has existed in town for the last few days, the Mayor of the city has deemed it advisaaugurate a extra police force. This was done on Wednesday night, and although our town was full of strangers, yet they remained docile and no arrests were made.

DISORDERLY.-Bill Patterson was arrested on Wednesday evening, and taken to the lock-up.-Bill was charged with creating a disturbance in the neighborhood of North street, by pelting the residents thereof. It is now easily to be seen that Mayor Kepner was the man who struck "Billy Patterson."

DEPARTURE OF THE TROOPS .-- On Thursday morning, many of the volunteers who had enlisted in the army, were sworn in by Captain Simmons, of the United States army. Each man took the oath to serve the country to the best of his ability. The oath was administered with the uplifted hand, after which the soldiers took the cars for Washing

THE POWER OF MUSIC.—Yesterday Wood's Minstrels engaged a vehicle and proceeded through the various streets of our city, and created considerable sensation. To Arms, to Arms !-- Whereas, revolution exists, and the glorious Stars and Stripes have been torn down, and trampled in the dust, and a piratical flag thrown to the breeze in its stead. And whereas, many of our young men have offered their services to, and been accepted by, the . Government, and are about leaving us for the seat of war: therefore, in order that we may be secure in our persons and property from enemies within and enemies without, all able-bodied men (above 45) are requested to meet at the Court House on Saturday evening, the 20th day of April inst., to crganize a company for the purpose of guarding our homes, and elsewhere, as the emergencies may re-AN OLD SOLDIER.

FIRAL ADJOURNMENT .- Both Houses adjourned finally yesterday, and by this time all, or nearly all, of the members, as well as the necessary and indispensable adjunct, the Third House, are either at home or on their way thither. The closing scenes were marked by an outburst of patriotism never before witnessed upon any similar occasion. At 15 minutes before 12 o'clock both parties met in the hall of the House, when a number of gentlemen mounted upon the Speaker's stand and sang the Star Spangled Banner, the entire body joining in the chorus, which was rendered with most thrilling effect. After the Senators returned to their chamber, and when the Speaker's gavel was just about ready to fall for the adjournment sine die, a Mr. Smith was called upon, and sang the Flag of Our Union and the Star Spangled Banner, the entire audience joining again in the chorus. At the conclusion, nine cheers were given for the Union, and the Senate closed its labors in an out burst of wild enthusiasm never excelled, if ever

CURE FOR DRUNKENNESS .- There is a famous

prescription in England, says the Springfield  $\it Re$ -

publican, for the cure of drunkenness, by which

thousands are said to have been assisted in reco-

vering themselves. The receipt came into notoriety

through the efforts of John Vine Hall, father of

Rev. Newman Hall, and Capt. Vine Hall, com-

mander of the Great Eastern steamship. He had

fallen into such habitual drunkenness that his most

earnest efforts to reclaim himself proved unavailing.

At length he sought the advice of an eminent phy-

lowed faithfully for seven months, and at the end

of that time he had lost all desire for liquors, al-

though he had been for many years led captive by

a most debasing appetite. The receipt, which he

afterwards published, and by which so many other

drunkards have been assisted to reform, is as fol-

lows: "Sulphate of iron, 5 grains; magnesia, 10

grains; peopermint water, 11 drachms; spirit of

nutmeg, 1 drachm; to be taken twice a day." This

preparation acts as a tonic and stimulant, and so

partially supplies the place of the accustomed li-

quor, and prevents that absolute physical and moral

prostration that follows a sudden breaking off from

the use of stimulating drinks. In cases where the

appetite for liquors is not too strong, the medicine

supplies the place of the accustomed drachms en-

tirely, but Mr. Hall continued the use of liquors

at first with the medicine, diminishing the amount

gradually until he was able to throw away his bot-

tle and glass altogether, after which he continued

to take the medicine a month or two, till he felt

could rejoice in a sound mind and a sound body.

THE SENATE .- The term of the following mem-

bers of the Senate expires with the present ses-

of York; Mr. Gregg, of Centre; Mr. Finney, of

Crawford; Mr. Parker, of Philadelphia. Demo-

Mr. Clymer was elected to fill the vacancy occa-

sioned by the death of Mr. Nunnemacher, and will

most unquestionably be re-elected, as he has made

an excellent Senator, unless something should

happen that we know nothing of now. The dis-

tricts of Parker, Thompson, Palmer and Yardley

will be regained certain, and there is good reason to believe that Mr. Gregg's district will return a

Democrat-so that we are likely to have not less

than eleven Democrats in the Senate; and as for

the House, that will be very apt to speak for itself.

PRIVATEERS TO BE FITTED OUT.

LETTERS OF MARQUE AND REPRISAL TO BE ISSUED.

Montgomery, April 17 .- The following proclamation has just been issued by Jefferson

Davis: PROCLAMATION BY THE PRESIDENT OF THE CONFEDERATE STATES. Whereas, Abraham Lincoln, President of the

United States, has, by proclamation, announced his intention of invading the Confederacy with an armed force, for the purpose of capturing its fortresses, and thereby subverting its independence and subjecting the free people thereof to the dominion of a foreign power:

And whereas, It has become the duty of this Government to repel a threatened invasion, and dsfend the rights and liberties of the people by all the means which the laws of nations and the usages of civilized nations place at its

disposal; Now, therefore, 1, Jefferson Davis, President of the Confederate States of America, do issue this my proclamation, inviting all those who may desire, by service in private armed vessels on the high seas, to aid this Government in resisting so wanton and wicked an aggression. to make applications for commissions of letters of marque and reprisal to be issued under the seal of these Confederate States. And I do further notify all persons applying for letters of marque to make a statement in writing, giving the name and a suitable description of the character, tonnage, and force of each vessel, the name, place, and residence of each of the owners concerned therein, and the intended number of the crew, and to sign such statements, and deliver them to the Secretary of State, (or the collector of a port of entry of these Confederate States, to be by him

transmitted to the Secretary of State. ) And I do further notify all applicants aforesaid, that before any commission or letter of marque is issued to any vessel, the owner or owners thereof and the commander, for the time being, will be required to give bond to the Confederate States, with at least two responsible sureties, not interested in such vessel, in the sum of five thousand dollars; or if such vessel be provided with more than a hundred and fifty men, then in the penal sum of ten thousand dollars; with the condition that the owners, officers and crew who shall be employed on board of such commissioned vessel, shall observe the laws of these Confederate States, and the instructions given them for the regulation of their conduct, that shall satisfy all damages done contrary to the tenor thereof by such vessel during her commission, and deliver up the same when revoked by the President of the

Confederate States. And I do further especially enjoin on all per sons holding offices, civil or military, under the authority of the Confederate States, that they be vigilant and zealous in the discharge of the Last evening, before we went to press, six more duties incident thereto.

And I do moreover solemnly exhort the good people of these Confederate States, as they love their country, as they prize the blessings of a free Government, as they feel the wrongs of the past and those now threatened in an aggravated form, by those whose enmity is more implacable because unprovoked, that they exert themselves in preserving order, in promoting concord, in maintaining the authority and the efficiency of the laws, and in supporting and invigorating all the measures which may be adopted for the common defence, and by which, under the blessing of Divine Providence, we may hope for a speedy, just and honorable

of New Jersey has issued the following procla-WHEREAS, The President of the United States has requested me "to cause to be immediately detached from the militia of this State four regiments, consisting of seven hundred and eighty men each, to serve as infantry or riflemen, for a period of three months, unless sooner discharged. The mustering officers will be instructed to receive no man, under the rank of commissioned officers, who is in years over forty or under eighteen, or who is not in phy-

ANTICIPATED COLLISSION AT FORT PICKENS. WASHINGTON, April 16 .- A collision is antieipated at any moment at Fort Pickens. The Administration have no means of ascertaining the movements of the vessels off the harbor or the troops in that fort. If reinforcements have been landed, the present commander, Lieut. Slemmer, has been superseded. The Administration is not entirely satisfied with that officer's loyalty. They have no definite information on the subject, but they strongly suspect, since he refused to obey the orders which were sent him, to allow supplies and men to he landed, that he is not the proper man to command that important position.

No doubt is entertained at the War Department of the reinforcement of Fort Pickens .-Orders have been sent to Lieut. Slemmer to stop the erection of batteries by the besiegers. The Government has no doubt that the report that Fort Pickens has been reinforced is true. It was the intention not only to put provisions into the place, but men, additional powerful guns and ammunition. When the rebels attack Fort Pickens they will find it a very different affair from the bloodless act so recently played at Charleston. There is a report to night that an attack has been made upon that fort, but it

is not credited. The Government is about notifying the Foreign Powers of its intention to blockade the Southern ports. The exportation of cotton will not be obstructed.

SEIZURE OF ARMS AND POWDER AT CINCIN-NATI.

CINCINNATI, April 17.—Chief of Police Dudley, this morning, seized thirty boxes of guns on the steamer Ohio, No. 3. Twenty-three of the boxes were marked "G. F. W., Little Rock, Arkansas," and seven were marked "L. R., Memphis."

Five boxes of guns were also seized on board the steamer Glendale, which had been reshipped from the steamer Fannie McBurnie, on Monday last. These occurrences have occasioned much excitement and attracted a great crowd to the landing. The guns were shipped at Parkersburg. Va., and are supposed to have come from Harper's Ferry.

A heavy shipment of powder has also been stopped. All the war steamers have been prohibited from taking provisions South. Two steamers have been chartered by the city authorities to act as police boats, thoroughly armed, and will stop and search all passing

boats. Three companies of troops will leave here to-night for the rendezvous at Columbus. The Home Guard is rapidly filling up its

tain the Government, held here this afternoon. was the largest and most unanimous ever held in this city. The veteran Democrat, Dr. A. Muhlenberg, presided. The meeting was eloquently addressed by Hon. Thomas E. Franklin and Judge Champneys.

Resolutions were adopted, giving a cordial

response to the President's proclamation, pledging all we have to the maintenance of the Constitution and the Union, and the defence of the National flag, approving of the action of the Governor and the Legislature, and expressing grateful acknowledgments to the gallant soldier and true patriot, General Scott.

An Executive Committee was appointed to collect money and provisions for our volunteers and their families.

ONLY ONE DOLLAR EACH!

10,000 BEAUTIFUL STBEL PLATE ENGRAVING
OF THE LORD'S PRAYER FOR SALE!
VALUABLE PROPERTY GIVEN AWAY!
The idea of representing the LORD'S PRAYER by an engraving, and of ornamenting and arranging it in such a manner as to produce at once a model of neatness and taste, was conceived and carried out by ORMSBY, the celebrated Bank-note Engraver of New York city. It commences with exquisitely executed words of "Our FATERR," and then follow in succession the other parts of the Prayer, every phrase of which is engraved in the most elegant and tasteful manner. Near the bottom of the picture is a superbly executed head of OUR SAVIOUR, and encircling the upper part of the engraving are ten angels, each bearing one of the TEN COMMANDMENTS.
The engraving has received the most unqualified praise from the religious community, as there is nothing of a sectarian character about it, having been recommended by clergymen of all denominations. As an ornament it is one of the most splendid ever published in this country, and is destined to take the place of a poorer class of engravings. The size of the plate is 20x28 inches, and is unquestionably the cheapest engraving ever offered in this country.

Who that loves Art—who that delights to study a fine engraving—who that would possess a beautiful Picture—who that would receive the impressions which such a work is calculated to impart, wou'd fail to secure a copy when the price is only ONE DOLLAR, with the chauce of securing for that sum in addition a permanent home or another valuable Gift?

called BUSINESS LETTER, which has been to meet the wants of business men and others who object to Commercial Note as being to narrow, and do not wish to use part of usual letter sheet.

This overcomes both the above objections; is a perfect sheet; pure wove; plate finish; ruled on one side; made from best material, free from adulteration, and put up in neat boxes convenient for use.

Its appearance will at once secure for it the admiration of a refined community, and recommend it to the Christian public. It is highly ornamental, and is calculated to exert a refining influence in a family, and an elevating and puritying effect upon
