PROF. WOOD'S RESTORATIVE CORDIAL.—It is recorded in the Classics that Psyche was once sent to a climate warmer than the West Indies, to procure a sample of the beauty of Prosperme in a box. After some delay the messenger returned, and as soon as the lid of the box was removed, out flew all the ills that flexh is heir to.— Fortunat. ly, hope was found in the bottom of the box. Prof. WOOD'S Restorative Cordial revives the recollec-tion of the s'ory, for it invigorates the blood, aids the organs of digestion, imparts strength to the nervous sys-tem, and fortifies the ctadel of health, so as to bid de-fiance to the assults of disease. It is a healthy tonic, composed entirely of vegetable productions, and while it is exultarating as pure wine, no injuvious results can possibly follow its uss. It is a desideratum in the medi-cal world, and those who are afflicted with loss of appe-tite. Dyspepsia, Consumption, Faintness, Giddiness, Beaural (is, Palpitation of the Heart, & c., will find here an infallible panacea.—St. Louis Daily Express.

PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD REX-OVATOR is, without doubt, the best tonic Cordial in the world. To those who are suffering from General Debili-ty, we would recommend its use, for it is pleasant to the taste, is strengthening to the system, and will at once tend to remove all impurities of the blood, and eradicate all traces of disease. It can be taken by the weakest stomach, while those in good health will at once feel its exhilarating power. We are confident that after using one bo Its of this Cordial none will be for a day without it.—New York Leader. it.-New York Leader.

Such a tonic, and one soskillfully com-bined from the vegetable kingdom as to act in perfect accordance with the laws of nature, and thus soothe the Weakest stomach, and at the same time allow recommended weakest stomach, and at the same time allay nervous and other irritations, and tone up all the organ of which the human body is composed, is offered in Prof. WOOD'S Restorative Cordial and Blood Renovator. Hence, it is perfectly adapted to old and young. Reader, try it — Thousands have already done so, and the testimony is universal in its favor.—New York Atlas.

Reader, try it. It will do you pool medical s. ience. Reader, try it. It will do you good. We have no hesitation in recommending it, since we know it to be a safe, piezasat and sure remedy for the diseases enumerated.—New York Dispatch.

IF Before noticing a patent medicine, we have to be certain that it will prove itself to be all that it is re-commended. And we would say that the Restorative Cordial and Blood Renovator of Prof. Wood will stand the test fully, and in fact it is without any doubt the first article in the market for Purifying the Flood and strengthening the system. We have no hesitation in recommending its use to all.—New Yorker.

LOOK TO YOURSELF IN TIME .- How many, in con LOOK TO YOURSELF IN TIME.—How many, in conse-quence of a false delicacy, suffer from suppressed, pain ful or obstructed menstruation, and think becau e they are young that bye-and-bye nature will work itself clear from obstructions, and all come right in the end, little dreaming that the seeds of death are already germinating in the system because the vital energies are impaired, and the entire animal economy deranged, debilitated; and yet, carele so of themselves as they are, if a remedy wee set before them which would restore all the func tions of the system, and re-invigorate the body, they would the it, and thus be in time to save their lives.— Parents think of this, and at once give them a bottle of Piof.
