BLOOD RENOVATOR,

Is precisely what its name indicates, for while pleasant to the taste, it is revivifying, exhilarating and strengtaening to the vital powers. It also revivifies, reinstates and renews the blood in all its original purity, and thus restores and renders the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of sil.

And to you we appeal to detect the illness or decline not only of your daughters before it be too late, but also your sons and husbands, for while the former from false delicacy, often go down to a premature grave, rather than let their condition be known in time, the latter are eften so mixed up with the excitement of business, that if it were not for you, they, too, would travel in the same downward path until it is too late to arrest their fatal fall. But the mother is always vigilant, and to you we confidently appeal; for me are sure your never-failing affect on will unerringly point you to PROF. Prof. WOOD'S Restorative Cordial and Blood Ren rris. WOU'S restorative terms at a shoot kenovator is a genuine medicine of rest merit, pleasant to the
taste and invigorating to the system. While it purifies
the blood and soothes the nervous irritation, it sids the
organs of digestion to perform their functions, and resist the assault of disease. It is a chewical compound
so skillful'y comtined that while it exhibitates it does
not provoke the lassitude which usually follows excitement. A tonic composed exclusively of versteble met. not provoke the lassitude which usually follows excitement. A tonic, composed exclusively of vegetable matter, it is absolutely ceneficial, and no ill effects can possibly accompany its use. It is an infallible and speedy remedy for Loss of Appetite, Faintness, Nervous Debility, Neuralgia. Palpitation of the Heart, Falling of the Womb, and other delicate diseases to which women is subject. For Sickness of the Stomach, Bilious Altacks, Liver Complaints, Costiveness, Dyspensia, Consumption, and a host of evils flesh is heir to, it is a certain cure.—

St. Louis Morning Herald.

PROF. Wood's RESTORATIVE CORDIAL.—It is recorded in the Classics that Psyche was once sent to a climate warmer than the West Indies, to procure a sample of the beauty of Prosperine in a box. After some delay the messenger returned, and as soon as the lid of the box was removed, out flew all the ills that flesh is heir to.—Fortunat ly, hope was found in the bottom of the box. Prof. WOOD'S Restorative Cordial revives the recollection of the story, for it invigorates the blood, aids the organs of digestion, imparts strength to the nervous system, and fortifies the citadel of health, so as to bid defiance to the assults of disease. It is a healthy tonic, composed entirely of vegetable productions, and while it is exhibitating as pure wine, no injuvious results can possibly follow its use. It is a desideratum in the medical world, and those who are afflicted with loss of appetite. Dyspepsia, Consumption, Faintness, Giddiness, tite, Dyspepsia, Consumption, Faintness, Giddiness, Neauralgia, Palpitation of the Heart, &c., will find here an infallible panaces.—St. Louis Daily Express.

PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD REM-ovator is, without doubt, the best tonic Cordial in the world. To those who are suffering from General Debili-ty, we would recommend its use, for it is pleasant to the taste, is strengthening to the system, and will at once tend to remove all impurities of the blood, and eradicate all traces of disease. It can be taken by the weakest stomach, while those in good health will at once feel its exhilarating power. We are confident that after using one bolte of this Cordial none will be for a day without it.—New York Leader.

VA PURE, HEALTHY TONIC, and one free from the deleterious and injurious effects sure to follow those in ordinary use, has long been felt to be a desideratom in the medical world. Such a tonic, and one so skillfully combined from the vegetable kingdom as to act in perfect accordance with the laws of nature, and thus soothe the weakest stomach, and at the same time allay nervous and other irritations, and tone up all the organs of which the human body is composed, is offered in Prof. WOOD'S Restorative Cordial and Blood Renovator. Hence, it is perfectly adapted to old and young. We have no hesitation in recommending it, since we know it to be a safe, pleasant and sure remedy for the diseases enumerated.—New York Despatch.

Before noticing a patent medicine, we have to be certain that it will prove itself to be all that it is recommended. And we would say that the Restorative Cordial and Blood Renovator of Prof. Wood will stand the test fully, and in fact it is without any doubt the first artile in the market for Purifying the Blood and strengthening the system. We have no hesitation in recommending its use to all.—New Yorker.

Look to Yourself in Time.—How many, in consequence of a false delicacy, suffer from suppressed, pair ful or obstructed menstruction, and think because they are young that bye-and-bye nature will work itself clear from obstructions, and all come right in the end, little dreaming that the seeds of death are already germinating in the system because the vital energies are impaired, and the entire animal economy deranged, debilitated; and yet, careless of themselves as they are, if a remedy wee set before them which would restore all the functions of the system, and re-invigorate the body, they would take it, and thus be in time to save their lives.—Parents think of this, and at once give them a buttle of Piof. I beg leave to call the attention of the citizens of the
United States to the above Wines and Liquors, imported by Uddleho Wolfe, of New York, whose name
is familiar in every part of this country for the purity
of his celebrated Schiedam Schapps. Mr. Wolfe, in
his letter to me, speaking of the purity of his Wines
and Liquors, says: "I will stake my reputation as a
man, my standing as a merchant of thirty years' residence in the City of New York, that all the Brandy and
Wines which I bottle are pure as imported, and of the
best quality, and can be relied upon by every purchaser."
Every bottle has the proprietor's name on the wax, and
a fac simile of his signature on the certificate. The
public are respectfully invited to call and examine for
themselves. For sale at Retail by all Apothecaries and

Read the following from the New York Courier:

ENORMOUS BUSINESS FOR ONE NEW YORK MERCHANT.—
We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this menchant's extensive business, although it will well repay any stranger or citizen te visit Upolffe Wolffe's extensive warehouse, Nos. 18, 20 and 22, Reaver street, and Nos 17, 19 and 21, Marketfield street. His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases—Vintages of 1836 to 1856; and ten thousand cases of Madeira, Sherry and Port Wines, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had three large cellars, filled with Brandy, Wines, &c., in casks, under Custom-House key, ready for bottling. Mr. Wolffe's sales of Schnapps last, year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successf with his Brandies and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medical use should send their orders direct to Mr. Wolffe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolffe's pure Wines and Liquors.

We understand Mr. Wolffe, for the accommodation of

LIQUORS.

We understand Mr. Wolff, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to human health and happiness.
