tah and Oregon, 10 cents.
All letters and transient newspapers are required to be pre-paid by stamps before they can be

DEPARTURE OF TROOPS .- Three regiments, armed equipped, uniformed and provided with ball cartridge left in the North Central for Baltimore between 11 and I e'clock on Saturday night.

PATRIOTIC FIREMEN.-Twenty of the members of the Hope Fire Company of this city have already enlisted, and ten have signed the roll of a new company now organizing. Harrisburg, notwithstanding the great want of military spirit in times of peace, will furnish her quota of men, probably not less than three hundred, which, for the population, may be set down as pretty good.

WAR TERMS .- A casemate is a stone roof to a fort, made sufficiently thick to resist the force of cannon balls, and a casemate gun is one which is placed under a casemate. A barbette gun is one which is placed on the top of the fortification. An embrasure is the hole or opening through which guns are fired from fortifications. Loop holes are openings in walls to fire musketry through.

ERRORS.-In our report in Saturday's paper we set down the Citizen's Guard, of Johnstown, at 65 men, when the fact is, they had 93.

We also stated that a collection was being taken up for the purchase of revolvers for the Cameron Guard. The design is also to purchase them for the State Capital Guard.

Errors of this kind can scarcely be avoided in times like these, when general excitement rules the hour, and should be overlooked.

A FLAG ON THE DEPOT .- Col. T. A. Scott has had erected on one of the towers of the depot of the Pennsylvania railroad a towering flag staff, from which the stars and stripes will float just as soon as the flag can be obtained. The Pennsylvania Railroad Company is both loyal and patriotic, and by carrying troops and munitions of war over their road free of expense are contributing an immense amount of money for the maintenance of the Union-probably as much as the tonnage tax would have amounted to for several years.

VIOLATION OF CITY ORDINANCE.—Warrants were issued on Saturday for William Brightbill, J. Haus, William Hummel, Abram Bates, Jacob Mish, M. Grisman and J. M'Cormick, for violation of city ordinance, in leaving their horses stand unhitched during market hours. The penalty is a dollar fine and the costs of prosecution, which they will all be compelled to pay, as the Mayor has determined to show no more mercy to people after they have been duly notified. That is perfectly right .-Where is the use of having ordinances if they are to be violated with impunity whenever people feel inclined to do so?

A Pugnacious Darkey .-- A darkey from the country, probably from Clearfield, or some other county where darkies are few and "sassy," came down the river on a raft, and being flush, he invested his spondulicks in Columbiad whisky. A little after dinner he went to the depot to see the soldiers come in, and while there he took it into his head to whip somebody. He pitched into a couple of soldiers, who, like himself, were a little limber in the knee joints, and being a stalwart gumbe, he would have whipped them both but for the interference of officer Fleck, who was obliged to level Mr. Darkey in order to secure him, after which he landed him in jail.

THE SABBATH,-Yesterday was a Sabbath like those they had during the Revolution. Every place of business was closed, but the tap of the drum, the heavy tramp of the military, and the music of brass bands were heard in the crowded streets all day. It is something more than twentytwo years since we witnessed a similar scene in the streets of Harrisburg. We have reference to the "Buck Shot War." Then the troops were brought here to aid in treating an election as if it had not been held-now they are brought here to rendezvous preparatory to chastising a people who are endeavoring to treat a government as if it only existed in a name.

SINGULAR COINCIDENCE .- On the 19th day of April, 1775, there was organized a company in the town of Acton, Massachusetts, that took part in the battle of Lexington, and thus commenced the War of the Revolution.

That organization has been kept up since that time to the present. The company were in the Brigade that arrived in Philadelphia from Massachusetts, on Thursday evening, and proceeded to Washington. It was attacked in Baltimore by a mob. Three of the Massachusetts soldiers were killed and many wounded.

Thus American loyal blood has been shed on the 19th of April, 1861, on the anniversy of the organization of the Company, attacked by a cowardly mob.

COUNTERFEIT NOTES .- A good deal of counterfeit money-both coins and notes-is now in circulation, and in these times of general settlement, it passes rapidly from hand to hand without detection. Bogus gold dollars, and silver quarters and dimes are most common, but the loss on them is proportionately small. A very dangerous counterfeit is that of the \$5 bill of the Western Bank of Philadelphia. Scarcely any one but a professional dealer in money can detect them. These notes were put in circulation by Minnie Price and his gang. They resemble the genuine in every particular, and the safest plan is to refuse them entirely. Counterfeit \$2 bills, with a vignette of a forest scene, man chopping wood, female on the right end, and coat of arms on the left, purporting to be on the Farmer's Bank of New Jersey, at Mt. Holly, were put in circulation in Philadelphia last week. This bank has never issued \$2 notes. The National Bank Note Reporter says that the plate above described has been altered to several banks, is well engraved, and is likely to deceive tolerable good judges of paper money.

A THRILLING INCIDENT AT CAMP CURTIN!

AN AMERICAN EAGLE SURVEYS THE CAMP?

One of the most thrilling incidents connected with the military operations of the day took place at Camp Curtin on Saturday afternoon. A number of persons were engaged in raising the Stars and Stripes over the main building, used as the headquarters of the officers, and just as everything was in readiness, and the men had seized the halyard to run up the flag, a large Eagle came from no one knew where, HOVERED OVER THE FLAG, AND SAILED MAJESTICALLY OVER THE EN-CAMPMENT WHILE THE FLAG WAS RUN UP! Thousands of eyes were upturned in a moment, and as the noble bird looked down, the cheers of three thousand men rent the air! Never was such ovation paid the "Imperial Bird of Jove." It lingered for a few minutes, apparently not a particle frightened at the terrific noise-then cleaving the air with his pinions he disappeared in the horizon.

In the days of the Roman Republic this would have been looked upon as a glorious omen, and we do not see why we should not look upon it as such

Never was an incident looked upon with more favor. It sent a patriotic thrill through every heart that witnessed it, and every man seemed to be animated with the deepest feeling of patriotism and devotion to the flag of our Union.

ARRIVAL OF TROOPS .- Since our last the arrival of troops has been large—and they are so scattered, and the confusion is of such a nature, as to render it impossible for us at this time to get any thing like an accurate list.

A company from Scranton, and another from Wilkesbarre, numbering 175 men, arrived on Saturday. Also, a company from Sunbury, and another full company from Carlisle.

In the afternoon of Saturday nearly a full regiment arrived from Montgomery county, under the command of Col. Hartranft, of Norristown. They are all fine looking men, and made a most impo_ sing appearance.

Late at night the Reading train, which was two hours behind time, arrived, having on board upwards of a thousand men-companies from Northampton, Lehigh, Berks and Lebanon. It was impossible to get the names of the companies, or the number of each, yesterday.

A company from M'Veytown, two from Centre county, one from Huntingdon, and several from Pittsburg or vicinity, also arrived in the course of the night, making, exclusive of the Ohio companies, and not counting those that left, about four thousand at Camp Curtin. This number, of course. was largely increased last evening and this morn-

MAYOR'S OFFICE,
HARRISBURG, April 20, 1861.

As Mayor of the city of Harrisburg, I feel it to e my duty, in the present critical condition of public events, to impress upon all loyal citizens the importance of observing moderation in their speech and actions. In the inflammatory state of the popular mind, all exciting topics should be sup-pressed as far as practicable. An ill-advised word may prove the unfortunate cause of much trouble to our community. The baleful cloud which now hangs over us ought not to be blackened by any rashness on the part of any class of our people. Let quietness prevail, and let every effort be made to restrain and direct into a proper channel the

onthusiasm which glows in every patriotic heart.

To this end, I urge upon all who are engaged in the sale of liquors to be exceedingly cautious to whom they sell. Whilst it is at all times against the law to furnish intoxicating drink to a minor or to any one who may already be under its influence, it would be now doubly criminal, because of the serious and disastrous consequences it might lead to. Let those concerned in this traffic exercise a proper care in this particular, in order to preserve this community from riot, bloodshed and confusion.

The citizens may feel assured that more than ordinary vigilance shall be exerted to prevent any encroachments upon the public during the present exciting period.

WM. H. KEPNER, Mayor.

DEATH OF DAVID SMITH .- On Saturday morning David Smith departed this life at his residence in Fourth street. Few men in this community were better known to every man, woman and child, than Mr. Smith. He has been a clerk in the Post Office for upwards of a quarter of a century, and although a Democrat, he would have been retained by Mr. Bergner. In consequence of Mr. Smith's long experience, and an ability which amounted almost to instinct, to tell at a glance who a letter was intended for, he has for some years acted in the capacity of delivery clerk. As age, sickness and infirmity crept upon him, he becama petulant, and very crusty, to the terror of children and the annovance of strangers. Those who knew him, however, were disposed to overlook these infirmities. He was regarded as a good citizen, and an honest man, and has no doubt gone where a crown is laid up for all who do their whole duty to God and man in this world.

His funeral is to take place this afternoon.

THE OHIO TROOPS .-- About 500 soldiers from Ohio arrived on Saturday morning and were quartered at Brant's Hall. About 2,000 more arrived a little after 12 o'clock yesterday morning, and are quartered at the Capitol. Among the last are the Rover Guards, the Lafayette Guards and the Zouaves-the crack companies of Cincinnati-and two fine companies trom Cleveland and Dayton.— The Buckeye boys, take them all in all, are as fine a body of men as will be in the army. The Portsmouth company is under command of Captain Bailey, a graduate of West Point, and Lientenants Raynor and Kinney. They look like men eminently fit for service, and they will not belie their looks if occasion offers. The Columbus Vedettes, Captain Thrall, is also a fine company. But there is no use in making invidious distinctions-they are all our fancy painted them-and that is because they are nearly all the descendants of Penusylvanians.

FIRE ALARMS .-- An alarm of fire was caused on Saturday afternoon by the burning of a chimney somewhere in the vicinity of Third and Pine streets.

An alarm was raised on Saturday night about ten o'clock, the cause of which we could not trace. As we have quite enough food for excitement at present, it is to be hoped that no person will be guilty of the miserable business of raising false fire alarms. The police on duty should take pains to watch close, and arrest any one guily of such stu-

Ata meeting of Council, held on Saturday evening last, the following resolutions were unanimously adopted:

Resolved, That the Common Council of the city of Harrisburg appropriate the sum of five thousand dollars to be used for the support of those volunteering to sustain the honor of our flag. Resolved, That the Ordinance Committee be in-

structed to memorialize the Legislature for authority to levy an additional tax of two mills on the dollar, to meet the above appropriation.

A FAITHFUL Dog .- There is a dog at Camp Curtin who followed his master from Pottsville, traveling after the cars. His master left last evening, placing his faithful friend in charge of a man to take him home.

Mone TROOPS.-Yesterday afternoon there was another arrival of troops by the Reading Railroad, numbering nearly a thousand. Four companies were from Schuylkill county alone.

For the Patriot and Union. "NEHEMIAH" ON THE STATE OF THE COUNTRY. When inflammation violent

With pain our bodies rack, Phlebotomy is the only cure That saves from the attack. So with our body politic; The fever's raging flood Will soon now be abated

THE VOLUNTEER FUND .- At an informal meeting of the subscribers to the military fund, authorized to be raised at the meeting of the 16th of April, 1861, held on Saturday, April 20, it was

And a sound and healthy Government.

Resolved, That owing to the resignations in the original committee, all of whom have volunteered to serve their country, the following organization

shall take its place:

I. That William H. Kepner, Mayor of the city,
Leander N. Ott, Charles C. Rawn, Rudelph F.
Kelker, William Bostick and Frederick Trace be acommittee to have a general superintendence of the fund to be raised in this city for the use of the families of those who volunteered, and that they have authority to receive and disburse funds contributed from any other part of the county, and also to have a thorough superintendence of the whole receipt and expense, which are to be published quarterly in the newspapers, for public informa-

II. That Jacob C. Bomberger, Cashier of the Mechanic's Bank, be Treasurer of the fund, and that he be authorized to receive subscriptions to it. III. That committees of collectors from each ward be appointed to visit the citizens and request contributions: to consist of

Ward 1. David Crawford, C. O. Zimmerman. Ward 2. Weidner W. Boyer, William H. Bell. Ward 3. John L. Speel, Robert L. Muench. Ward 4. Daniel D. Boas, Richard H. Adams. Wards 5 and 6. Ald. J. L. Hutchinson, Joseph

Strominger. IV. That the committees be furnished with properly authenticated books of subscription, and that they proceed at once to discharge their duty. V. That the Commissioners of Dauphin county be requested to make subscription to this fund of liberal amount, so that they may assist, by their official action, to make the contributions for this patriotic object fully equal on all classes of citizens, as representations from all classes are in the levy already enrelied for the defence of this glorious

That all those who desire to contribute be requested to do so at once, without putting the collecting committee to the loss of time involved in making two calls where one should answer wben it is for our country." noticed.

On Saturday, Jackson S. Smith, Anthony Williams, Jacob Jones, Wm. Casey and James Vogan, (all colored) were arrested and brought before the Mayor, for "corner lounging." They were all fined he usual penalty. Two of the number were short of funds and were committed to jail. In a very short time their friends came to the rescue, and paid the fines imposed, when they were discharged from custody.

Yesterday morning a colored man named Sam Williams was arrested on complaint of George Bell for stealing a pair of boots out of a carpet bag at one of our hotels. Bell is also a colored man and servant of Col. Stambaugh, who has left the city with his company. The boots were found on defendant's feet. He was committed to answer.

Tommyhawking.—Two fellows named John Bates and Nelson Malson, at an early hour on Saturday morning effected an entrance into the domicile of John Minnich, in the Third ward, by battering in the door. Malson was armed with a tommyhawk, with which he threatened to lay open Minnich's skull. The latter being opposed to this uncivilized mode of warfare in these days of Minnie rifles and patent carbines, swore out a warrant against the offendare ___ Malson was taken yesterday, and lodged in quod.

Movement of Troops.-Last evening one thousand of the troops from Camp Curtin left for Philadelphia. It was expected that the Ohio troops would move in the same direction in the course of the night. At the time we go to press fifty car loads of troops from Illinois and Indiana are momentarily expected.

All the available resources of the Pennsylvania railroad company, which are second to none in the world, have been placed at the disposal of the Government.

VACANCIES .- There will be a number of vacancies in the extra session of the Legislature. Len. Bartholemew, General Wilson and J. J. Patterson hold commissions in the army, and Mr. Palmer had intended taking his departure for Buenos Ayres this week.

NEW STORE .- Good News for the Ladies .- This morning will be opened at the corner of Walnut and Second streets, in Shoemaker's row, a large assortment of fancy and staple dry goods, which will be sold at prices to suit purchasers. As the stock must be reduced, in view of the stringency of the times, the subscriber offers Traveling Dress Goods at 64 cents per yard, which are really worth 10 cents; also, excellent quality Muslins, Bleached and Unbleached, at 5 and 6 cents a yard; first-rate white and black Stockings, at 61 cents a pair .-The ladies had best call, examine, and convince themselves. Delaines and Challies for 121 centsworth 18 cents. Carpets of every style and quality cheaper than can be purchased elsewhere.

†tf A. Einstein. Awnings sewed at the office of the Wheeler & Wilson Sawing Machine Company, Third & Market streets.

NEW ARRIVAL! NEW ARRIVAL !- Just received a large assortment of new spring goods. We name in part, 10 pieces of beautiful Challise, 122, worth 182; 10 pieces of Traveling Dress Goods, at 8, worth 121; 50 pieces of bleached and unbleached Muslin, 10, worth 121; 50 pieces of bleached Muslin, 121, worth 15; also, a very large stock of Cassimeres and other summer stuff for men and boys' wear. Stella Shawls very cheap. Broche Bordering, at 25, 37 and 50 cts.; also, a large stock of Cambrics and Swiss Muslins. Please call and S. LEWY'S. examine at

at Rhoads' Old Corner, Corner of Market and Second streets.

THE TAVERNS OPENED. - A consultation was held resterday by Gov. Curtin, Mayor Kepner and Judge Pearson, who decided to permit the taverns and lager shops to sell to soldiers not intoxicated. The reason of this is obvious. It will not do to cut off men short who have been in the habit of taking liquor daily for any considerable time. Notwithstanding the permission to open, we are pleased to notice the fact that there was little or no drunkenners.

HAVERSACKS .- Nearly all the ladies of Harrisburg were engaged yesterday in the manufacture of haversacks for the army. Several thousands were made at the cotton mill alone, where a large number of sewing machines were at work. One haversack goes to war manufactured by a little son of ours not yet seven years of age, who acquired the art of sewing without instruction.

REGULARS EN ROUTE.-Yesterday afternoon six car loads of regulars, from Fort Ridgely, Minnesota, arrived from the West. They remained in the cars, and left for Philadelphia in the night, from which place they will be shipped to Annapolis in vessel already prepared for them.

A SERMON ON THE TIMES .- Rev. Mr. Cookman preached a sermon last evening in the Locust Street Methodist Church on the Union. The church was crowded to its utmost capacity, and the sermon was one which will long be remembered by all who heard it.

STRENGTH OF THE COMPANIES .- Nearly every ompany that has arrived here has had more than the requisite number of men. From this excess alone, four companies have been formed, besides filling the companies that lacked the compliment.

10,000 BEAUTIFUL STEEL PLATE ENGRAVING
OF THE LORD'S PRAYER FOR SALE!

VALUABLE PROPERTY GIVEN AWAY:
The idea of representing the LORD'S PRAYER by an engraving, and of ornamenting and arranging it in such a manner as to produce at once a model of neatness and taste, was conceived and carried out by ORMSBY, the celebrated Bank-note Engraver of New York city. It commences with exquisitely executed words of "Our FATHER." and then follow in succession the other parts of the Prayer, every phrase of which is engraved in the most elegant and tasteful manner. Near the bottom of the picture is superbly executed head of OUR SAVIOUR, and encircling the upper part of the engraving are ten angels, each bearing one of the TEN COMMANDMENTS.

The engraving has received the most unqualified praise from the religious community, as there is nothing of a sectarian character about it, having been recommended by clergymen of all denominations. As an ornament it is one of the most splendid ever published in this country, and is destined to take the place of a poorer class of engravings. The size of the plate is 20x28 inches, and is unquestionably the cheapest engraving ever offered in this country.

THE LORD'S PRAYER.

We have carefully examined this Engraving, offered for sale in this community by Messrs. Austia & Wehrly, and do not hesitate to pronounce it one of the finest works of American Art we have ever seen. The design is beautiful, the style of execution is superior, and the illustrations are excellent. Its appearance will at once secure for it the admiration of a refined community, and recommend it to the Christian public. It is highly ornamental, and is calculated to exert a refining influence in a family, and an elevating and puritying effect upon the morals and religion of society, and it should meet, as we understand it deserves, with a rapid and extensive sale.

ap9-d2w BANK LETTER AND BUSINESS

We would call attention to a new article of paper, called BUSINESS LETTER PAPER!

We would call attention to a new article of paper, called BUSINESS LETTER, which has been gotten up to meet the wants of business men and others who object to Commercial Note as being to narrow, and do not wish to use part of usual letter sheet.

This overcomes both the above objections; is a perfect sheet; pure wove; plate finish; ruled on one side; made from best material, free from adulteration, and put up in neat boxes convenient for use. we also have a paper called BANK LETTER, similar to the above, except it has but half the number of lines on, so as to allow a printed blank or heading above.
