as the very best Tonic and Nervine extent, and will give
collect where all other remedies fall. This is not a meay
escertion, but has neen proved over and over again by the
class of persons we are now addressing, as the certificate
thereto appended will show. So well are the virtues o
the litters known, that it is freely prescribed by the
locating physicians of Philadelphia and vicinity. It is
continely vegetable, and free from alcosolic stimulast and
all injurious ingredients. Persons advanced in life, and
seling the hand of time weighing heavily upon them,
will find in these Bitters an elixir that will restore, in a
measure, the energy and ardor of more youthful days,
sailed up their shrunken forms, and give health and hap
gliness to their remaining years.

Weak and delicate children are made strong by using
the Bitters. In fact, it is a family medicine, and may
be profitably administered to a child of three months,
the most delicate female, or a man of ninety.

Brake the bottle before using.

Price 75 cents per bottle. For sale by draggists and
attorekeerers generally throughout the country. PREPARED ONLY BY DR. C. M. JACKSON

From Rev. J. Newton Brown, D. D., Editor of Encyclopedia of Religious Knowledge.

To Dr. C. M. JAUKSON.—Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet knew of no sufficient reason why a man may not testify to the benefit he believes; himself to have received from the body and the hore that he way that

to the benefit he believes; himself to have received from eary simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this more readily in regard to "Hoofland's German Sitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three factiles of these Bitters, at the beginning of the present great, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for hix months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

to those similarly afflicted requires that I should give to those similarly afflicted requires that I should give thrief statement of my case.

I had suffered for years from Liver Complaint and Dyspepsia in their most aggravated forms—was unable to eat animal food, or indeed any vegetables with the single exception of rice; on which I subsisted for feet years. I cannot pretend to describe my sufferings its almost with pain that my memory recurst o that perviod. I should long since have been in my grace had not my physician, Dr. Fickart, recommended the use of your Bitters, as the best Tonic with which he was acquainted. I had tried a number of remedies without exerces, but concluded to follow the advide of my medical advisor. I did so, and my most anguine hopes were realized. I am now well, and to your invaluable Bitters of the first three lines.

Very gratefully yours,

Br. JACKSON—Dear Sir: I have been frequently regressed to connect my name with commendations of different kinds of medicines, but regarding the practice case eat of my appropriate sphere, I have in all cases existined; but with a clear proof in various instances, seasificately in my own family, of the usefulness of GP. Hoofand's German Bitters, I depart for once from any small course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In come cases it may fail, but usually I doubt not it will be very benedicial to those who suffer from the above manuses. Yours very respectfully, J. H. KENNARD.

GREAT IMPROVEMENTS IN SEW-ING MACHINES. EMPIRE SHUTTLE MACHINE.

PATENTED FEBRUARY 14th, 1860. SALESROOM, 510 BROADWAY NEW YORK.

This Machine is constructed on an entirely new principle of mechanism, possessing many rare and valuable imprevements, having been examined by the most pround experts, and pronounced to be SIMPLICITY and PRIFECTION COMBINED.

The following are the principal objections urged against Sewing Machines:

1.—Excessive labor to the operator.
2.—Liability to get out of order.
3.—Expense, trouble and loss of time in repairing

The Empire Sewing Machine is Exempt from all these Objections.

It has a straight-needle perpendicular action, makes the LOCK or SHUTTLE STITCH, which will neither RIP nor RAVEL, and is slike on both sides; performs perfect sewing on every description of material from Leather to the finest Nansook Muslin, with cotton, linen or slik thread, from the coarsest to the finest number. Having neither CAM nor COG WHREL, and the least possible friction, it runs as smooth as glass, and is EMPHATICALLY A NOISELESS MACHINE!

It requires FIFTY PER CENT. less power to drive it han any other Machine in market. A girl of twelve years of age can work it steadily, without fatigue or inwary to health.

Its strength and WONDERFUL SIMPLICITY of contraction rander it almost impossible to get out of order

Its strength and WONDERFUL SIMPLICITY of construction render it almost impossible to getout of order, and is GUARANTEED by the company to give entire satisfaction.

We respectfully invite all those who may desire to supply themselves with a superior article, to call and stamine this UNRIVALLED MACHINE.

But in a more special manner do we solicit the pat reners of
