From Rev. J. Newson Brown, D. B., Editor of Encyclo-pedia of Religious Knowledge. To Dr. C. M. know of no sumcledt reason why a man may hot testily to the benefit he belisves himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others. I do this more readily in regard to "Hoofland's German Bitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mix-ture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for enceuragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was tollowed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of re-gaining. I therefore thank God and my friend for di-recting me to the use of them. Philadelphis, June 23, 1860. From Capt. Sickles, of Scott Legion, Co K.

Philadelphiz, June 23, 1860. From Capt. Sickles, of Scott Legion, Co K. GENTLEMENT. IN the camp diseases, such as Dysentery Typhoid Fever, and Chills, so common in active service. to those similarly afflicted requires that I should give brief statement of my case. I had suffered for years from Liver Complaint and Dyspepsis in their most aggravated forms—was unable to eat animal food, or indeed any vegetables with the single exception of rice, on which I subsisted for four years. I cannot pretend to describe my aufferings is almost with pain that my memory recurst o that pe riod. I should long stace have been in my grave had not my physician, Dr. Fickart, recommended the use of your Bitters, as the best fonic with which he was ac-quainted. I had tried a number of remedies without success, but concluded to follow the advide of my medi-cal adviser. I did so, and my most sanguine hopes were receases, but concluded to follow all advectors of my men-cal adviser. I did so, and my most sanguine hopes were realized. I am now well, and to your invaluable Bitters I ewe it, that I am permitted to write these lines. Very gratefully yours, MB3. S. A. LINEAU, No. 1607 Wallace street.

From the Rev. Joseph H. Kennard, Pastor of the Tenth Baptist Church. Dr. JAONSON-Dear Sir: I have been frequently re-quested to connect fly name with commendations of different kinds of medicines, but regarding the practice as ent of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofsad's German Bitters, I depart for once from my usual course, to express my fall conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuabe preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above eause. Yours very respectfully. Yours very respectfully, J. H. KENNARD.
