So well are the virtues of the Bitters known, that it is freely prescribed by the leading physicians of Philadelphia and vicinity. It is marely vegetable, and free from alconolic stimulant and an injurious ingredients. From Rev. J. Newton Brown, D. B., Editor of Encyclopedia of Religious Knowledge.

To Br. C. M. Jackson.—Although not disposed to favor or recommend Patent Medicines in general through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this more readilyin regard to "Hoofland's German Bitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Mag., for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three besties of these Bitters, at the beginning of the present year, was tollowed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt far mix menths before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

Philadelphia, June 23, 1860.

From Capt. Sickles, of Scott Legion, Co K.

Chert. Make.—In the camp diseases, such as Dysentery Typhoid Fever, and Chills, so commen in active service, I find no thing equal to your Bitters. As a preventive or carra, I look upon them as invaluable, and cheerfully bear my testimony to their excellence.

LIVED FOUR YEARS ON RICE.

PHILADRIPHIA, May 19, 1869.

DR. C. M. JACKSON—Dear Sir: Though somewhat recuesart to give you a certificate, I think that my duty to those similarly affilicted requires that I should give brief statement of my case.

I had suffered for years from Liver Complaint and Dyspepsia in their most aggravated forms—was unable to est animal food, or indeed any vegetables with the single exception of rice, on which I subsisted for foss years. I cannot pretend to describe my sufferings as amost with pain that my memory recursts that per sical. I should long since have been in my grace had not my physician, Dr. Fickart, recommended the use of years Bitters, as the best Tonic with which he was accommended. I had tried a number of remedies without examples, but concluded to follow the advide of my medical adviser. I did so, and my most sanguine hopes were creatised. I am now well, and to your invaluable Bitters it swe it, that I am permitted to write these lines.

Very gratefully yours,

MRS. S. A. LINEAU,

No. 1607 Wallace street.

Bross the Rev. Joseph H. Kennard, Pastor of the Tenth Baptist Church.

Dr. Jackson—Dear Sir: I have been frequently regressed to connect my name with commendations of different kinds of medicines, but regarding the practice as ent of my appropriate sphere, I have in all cases and particularly in my own family, of the usefulness of Dr. Hoodand's German Bitters, I depart for once from my smal course, to express my full conviction that, for general debility of the system, and especially for Liver Geometrial in a safe and valuabe preparation. In some cases it may fail, but usually I doubt not it will be very beachial to those who suffer from the above Yours very respectfully.

This Machine is constructed on an entirely new principle of mechanism, possessing many rare and valuable mprevenents, having been examined by the most proound experts, and pronounced to be SIMPLICITY and PREFECTION COMBINED. The following are the principal objections urged against Sewing Machines:—

1.—Excessive labor to the description of material, description of material, 5.—Disagreeable no is e order.

The Empire Sewing Machine is Exempt from all these Objections.

It has a straight-needle perpendicular action, makes the LCCK or SHUTTLE STITCH, which will neither P.IP nor RAVEL, and is alike on both sides; performs perfect sewing og every description of material, from teather to the fluest Nansook Muslin, with cotton, linen or silk thread, from the consest to the finest number. Having neither CAM nor COG WHEEL, and the least possible friction, it runs as smooth as glass, and is EMPHATICALLY A NOISELESS MACHINE!

It requires FIFTY PER CENT. less power to drive it han any other Machine in market. A girl of twelve years of age can work it steadily, without fatigue or inary to health.
Its strength and WONDERFUL SIMPLICITY of construction render it almost impossible to get out of order, and is GUARANTEED by the company to give entire
