To Dr. C. M. Jackson.—Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not tentify to the benefit he believes himself to have received from

to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this mere readily in regard to "Hoofand's German Bitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was tollowed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

PHILADELPHIA, May 19, 1860.

Da. C. M. JAOKSON—Dear Sir: Though somewhat relectant to give you a certificate, I think that my duty ta those similarly afflicted requires that I should give brief statement of my case.

I had suffered for years from Liver Complaint and Dyapepsia in their most aggravated forms—was unable to set animal food, or indeed any vegetables with the single exception of rice, on which I subsisted for few years. I cannot pretend to describe my sufferings is almost with pain that my memory recurst that period. I should long sance have been in my grave had not my physician, Dr. Fickart, recommended the use of your litters, as the best Tonic with which he was acquainted. I had tried a number of remedies without success, but concluded to follow the advide of my medical adviser. I did so, and my most sanguine hopes were realized. I am now well, and to your invaluable Bitters I swe it, that I am permitted to write these lines.

Very gratefully yours,

MRS S. At LINEAU,

No. 1607 Wallace street.

From the Rev. Joseph H. Kennard, Pastor of the Tenth Baptist Church.

Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as ext of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Heedhand's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above courses.

dly LYON'S PURE OHIO CATAWBA BRANDY.

THE OHIO CATAWBA BRANDY has, for several years, been manufactured from the pure juice of the AMERICAN CATAWBA and ISABELLA GHAPE, and has attained a rare popularity throughout the West and South, where great quantities of this superbarticle is sold for MEDICINAL and FAMILY purposes. It not only equals, but excels the most choice IMPORTED BRANDLES in PURITY, QUALITY and RICHNESS OF FLAVOR, and wherever it has been introduced it has invariably met the most unqualified favor and extended

invariably met the most unqualified favor and extended sale.

The want of really pure Brandy has long been felt in this country, and the opportunity to procure an article of such quality as to supercede the sale and use of the many vie compounds so often sold under the name of "Brandy," can be regarded only as a public good.

L. LYON'S CATAWBA BRANDY po sesses all the choice qualities of the best imported liquor, and is positively known to be of PERFECT PURITY and of SUPERIOR FLAYOR.

In support of the above statement, we refer to the certificate of the undermentioned well-known chemists:

Dr. A. A. Hayes, Assayer. Boston, Mass.

Dr. James R. Chilton & Co., Chemists, New York.
