RAINBOW'S CURE FOR RUPTURE.-Up with the improvements of the age-original, is a girdle to the loins, supporting the abdomen, bracing the whole frame, easy, effectual and durable-a friend indeed. Call at the Franklin House.

THE CANALS .- The Pennsylvania and Union canals are now undergoing repairs and will be put in order for the spring trade as tapidly as possible. From present indications boating will be unusually brisk this year.

A Home DESOLATED .- That alarming and fatal disease, diptheria, continues to desolate homes in various sections of this county. Very recently three children out of one family were interred on the same day near Union Deposit, all victims of diplheria. "Insatiate archer, would not one suffice?" The disease still prevails to some extent among children in this city.

Mesers. Editors: - Permit us to recommend to the Democratic voters of the Sixth ward. Mr. Patrick M'Neff as a suitable candidate for Councilman Mr. M'Neff is a highly intelligent man, well versed in the law, and just the man who has the boldness and the ability to maintain the rights and interests of the people in our highly prosperous and improving section of the city. A DEMOCRAT.

STATE CAPITAL SALOON .- The new restaurant under the State Capital Hotel, corner Third and Walnut streets, has been opened by Messrs. Brougher & Granello. It has been fitted up in excellent style and furnished with the best spirituous and malt liquors. Those of our readers who wish to enjoy the luxuries of a first class restaurant should not fail to give our friends of the State Capital saloon a call.

THE GAIETY.-Bob Edwards, the enterprising manager of the Gaiety concert hall, has secured the services of a number of the most accomplished artistes in the the profession, who will appear nightly at his popular place of amusement. The consisting of three members, to serve fer one year Gaiety is one of the established institutions of from the first of April ensuing. SUDDEN DEATH .-- On Friday last a gentleman arrived at the Jones House, in this city, and registered his name as Charles H. Ogle, New York. On Saturday evening he had two fits of convulsions in the sitting room of the hotel and was removed to his room. During the temporary absence of his attendant he had another fit from which he died. A coroner's inquest was held and a verdict rendered in accordance with the above facts. Mr. Ogle is from Somerset, in this State, and has relatives there, who were telegraphed for yesterday. He was a graduate of West Point, and formerly a first lieutenant of the First Dragoons. Latterly he held the commission of Major in the volunteer service, and, we learn, was upon Gen. M'Clellan's staff. It is expected his remains will be removed to Somerset to-day.

TEE FIRST WARD COUNCILMAN .- Mesers. Editors:-Having no other object in view than the prosperity of the good old First ward, and at the same time secure the nomination of a gentleman for Council who will bring out the largest vote at the approaching city election, in order to swell the majority of the Democratic candidate for Mayor, and thus more signally rebuke the present utterly and hopelessly corrupt National administration, we would most respectfully suggest the name of Daniel Hocker, Esq., as the Democratic candidate for Council of the First ward. Mr. H. is fairly and honestly entitled to a re-nomination, having held the office but one term, during which he has faithfully represented the interests of all its citizens. Mr. H. is emphatically the wheel-horse of the Democracy of the ward, and it is to him, more than any one else, that we owe the glorious victories already achieved and the proud appellation our ward is entitled to of being the "banner ward of the city." At every election, whether he is on the ticket or not, Mr. Hocker has proved himself a working Democrat—zealous and untiring from the opening to the closing of the polls.

MANY DEMOCRATS. A DISCHARGED SOLDIER ROBBED AT THE DEPOT. On yesterday morning, at 2 o'clock, a discharged soldier, Laurence Hoffman, late a private in the Tenth regiment U. S. Infantry, arrived at the depot in the Baltimore train, en route for his home in Ohio. He purchased a ticket for Pittsburg, and took his seat in the cars for the west. Soon afterwards a man approached him, stating that the baggage master desired to see him. He started out to find the baggage master, and, on reaching the platform of the car, another man accosted him, asking if he had procured a ticket, to which question he replied in the affirmative. The interrogator then requested Hoffman to show it to him, which the soldier, in his simplicity, proferred to do, taking his pocket book from his pocket for that purpose. As soon as the soldier pulled out his pocket book, the thief snatched it and ran off .-Hoffman followed, but the robber dedged between cars and got out of sight. His victim saw nothing more of him.

Hoffman had \$160 and his railroad ticket in his pocket book. The poor fellow had just honorably terminated a five years' enlistment in the regular army. To his discharge is appended a certificate for "very good conduct" during his term of service. Having lost his money, and having no acquaintances here, he has re-enlisted with Captain James Elder, in the Eleventh U. S. Infaniry. Judging the future from the past, we may safely predict for him an honorable career. We deeply sympathize with this noble fellow. We would be rejoiced to learn that the miscreant who stole his by

hard earned money has been apprehended and consigned to a felon's cell.

What is the reason the police cannot stop these outrages? Why do they not arrest all suspicious persons found lounging about the depots at late hours of the night? The Pailadelphia law having been extended to our city seems to have already become obsolete. As we are informed, the policeman at the depot had been watching four suspicious looking chaps just before the seldier was robbed. There is no doubt that one of this very "gang" committed the theft. In this case, "to be forewarned was not to be forearmed," else the rascals would have been made to give an account of themselves, the result of which would have been that the poor soldier would not have been victim-

MAYOR'S Court .-- Yesterday morning there was quite a large audience at the Mayor's office, in anticipation of rich scenes consequent upon Saturday night's debauchery. The first case was that of the wife of John Utz, charged by her husband with confiscating his watch and pawning it. She acknowledged the corn, and in extenuation plead that what "was his'n was her'n," and she had a right to do as she pleased in the matter. His Honor gave her a severe lecture upon the impropriety of her conduct, and as no case could be made out, discharged her upon the payment of the costs, her husband footing the bill.

Mrs. Widow Lee and her daughters Ann and Margaret were charged by a Mr. Walker with keeping a disorderly house. So far as the widow was concerned, the case was not made out, and she was accordingly discharged, but her two daughters acknowledged themselves public bawds, and were sent to prison for ten days. During the hearing of this case Mrs. Lee took occasion to give officer Campbell "a piece of her mind," which considerably tickled Barney and amused the audience. Lucinda Hall and Mary Johnson, two wenches

as black as midnight, were arraigned for "being out at an unseasonable hour of the night," having been arrested at one o'clock yesterday morning at the corner of Short and Walnut streets. Sent to the lock-up to rusticate a few days.

Sarah Fry was picked up at the Lebanon Valley depot by officer Fleck, and was charged with lying around that building for several days past, considerably annoying the officers of the road. She is one of the "inscrrigible bummers" of this city, and His Honor gave her the full extent of the law -thirty days in prison.

Joseph Smith, yellow man, arrested a few days ago by officer Fleck for refusing to aid in making an arrest, was discharged upon the payment of costs, the prosecutor declining to push the suit. The yellow man was given to understand that he was not exempt from giving his assistance on account of his color, and promised that if he was ever called upon again he would cheerfully comply. He paid his costs and went on his way rejoicing.

James Kelly, Patrick Donahoe and James Me-Cullough, alias Foxey, were arrested by officer Fleck, charged with conspiring to rob a soldier at the depot. Kelly is a discharged soldier with one arm, and was arrested here two years ago by a Philadelphia officer for picking pockets. Donahoe is also a discharged soldier. Foxey is an old prison bird, and formerly resided in this city. The parties were re-committed to the lock-up.

MR. G. TEN EYON SHELDON, Editor Sing Sing Republi-Dear Sir-I would state that I was induced to use BRANDRETH'S PILLS through the recommendation of John R. Swift, of Groton, Westchester County, who was entirely restored to health by their use. He was sich for some two years, very costive and dyspeptic, and he tried everything, but was not relieved. Finally, he took one Brandreth's Pill every day for a week, and a dose of six Pills every day for three days, and then took one Pill every day, with occasional doses of six. In one month he was able to go to work, and in three months was well, gaining 40 pounds in weight. Yours truly, EDWARD PURDY.

DURIFY THE BLOOD.—Not a few of the worst disorders that afflict mankind arise from the corruption that accumulates in the blood. Of all the discoveries that have been made to purge it out, none have been found which could equal in effect AYER'S COMPOUND EXTRACT OF BARSAPABILLA. It cleanses and renovates the blood, instills the vigor of health into the system and purges out the humors which make disease. It stimulates the healthy functions of the body and expels the disorders that grow and rankle in the blood. Its extraordinary virtues are not yet widely known, but when they are it will no longer be a question what remedy to employ in the great variety of afflicting diseases that require an alterative remedy.—Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can depend. Our space here does not admit certificates to show its effects. But the trial of a single bottle will show to the sick that it has virtues surpassing anything they have ever taken. Sufferers from Secolula, Scrofulous Swellings and Sores, try it and see the rapidity with which it cures. Skin Diseases, Pimples, Pustules, Blotches, Eruptions, \$c., are soon cleaned out of the system.

St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, \$c., should not be borne while they can be so speedily cured by AYER'S SARSAPARILLA.
