WILD GRESE. Several flocks of wild geese were yesterday observed flying northward through this city. The wiseacres say that this is an indication of early spring. We hope they are right this time, as we are heartily sick of the disagreeable weather we have had for some time past.

CONFIRMED .- Col. Joseph F. Knipe, of the Fortysixth Pennsylvania Volunteers, has been confirmed by the Senate as a Brigadier General. The new Brigadier is a resident of this city, and has a host of friends here, who will hail his confirmation with much joy as an honor conferred on a worthy and patriotic soldier.

ACKNOWLEDGMENT.-We are indebted to Captain I. S. Waterbury, of the Fifty-fifth P. V., for a copy of the Free South, published at Beaufort, S, C .-We learn, incidentally, that Captain W.'s company, which was enlisted in this city, is in the enjoyment of excellent health and in fine spirits in anticipation of the attack upon Charleston.

Mesers. Editors: -Allow me to recommend to the Democratic voters of the Fifth Ward the name of Mr. John T. Brooks as a candidate for constable in said ward. Mr. B. is in every way qualified for the position named, and it would give his numeus friends much pleasure to see him nominated. DEMOCRAT.

THE CITY ZOUAVES, Captain Awl, of this city, since they have been on provost duty here, have arrested over two thousand deserters and stragglers and returned them to their regiments. This company is composed of some of the most intelligent young men of our city, and just the persons to be employed in the arduous and responsible duties which they have so faithfully performed.

QUITE ENCOURAGING .- The Mayor's court yesterday morning did not present a single case for the consideration of that functionary. The morals of our city are evidently getting better, or the city constables are very derelict in their duty. We hope the former is the case, as it is really humiliating to contemplate the rascality and violations of the law that have recently disgraced our city.

SPRING STYLES .- Mr. John W. Glover, Merchant Tailor, in Market street near Third, has just returned from the eastern cities with a magnificent stock of goods of the spring styles for gentlemen. Those of our readers who wish to procure clothing gotten up in a style unsurpassed, should visit Mr. G.'s establishment and make their choice from his well selected stock.

Another Legislative Trip.—The members of the Legislature will enjoy themselves to-day with a free ride to the Lebanon ore mines. The train conveying them will leave the depot this afternoon at two o'clock. These excursions have become all the rage this session, and some are uncharitable enough to intimate that it is a new mode of bribery. However we think the interests of the publie could be better subserved by less traveling. As it is, we have no doubt a big spree will be the result of the excursion.

Good News.—We learn that the shinplasters of Messrs. Eby & Kunkle and Mr. Bolton, of this city, are being called in and cancelled by those gentlemen. This is really good news to our business men and others of the community who have been compelled to use these "promises to pay." Government postage currency, in the absence of bilver, is sufficiently abundant to answer the wants of our community, and we heartily congratulate the public upon the relief we are about to experience by the withdrawal of these shinplasters from circulation.

HIGHWAY ROBBERY.—On Tuesday evening last a gentleman from Carlisle was attacked on Market street in this city by two ruffians, who knocked him down and took his pocket book and other valnables he had about his person. The amount stolen was only about six dollars. The boldness of the thieves in robbing a man on one of our most frequented thoroughfares demands that some measures should be adopted to rid our city of these highwaymen by the appointment of a sufficient police force to give our citizens protection.

WITHDRAWN.—The Provost Guard Battalion of this city has for several months past been engaged in arresting deserters and stragglers in different parts of the State. Recently some difficulty has existed in regard to subsistence for these national considered in regard to subsistence for these national police, and the consequence is they have all been called in to their quarters here. From our exchanges we learn that their departure for head-quarters is received with considerable delight by the price of card prictures, colored, will be a source of much annoyance to them. It is expected, however, in a few days to have the battalion again in search of deserters, and from their well known vigilance we have no doubt they will be a source of much annoyance to those who are absent from the army without leave.

Card. ...do. ... police, and the consequence is they have all been

SUPERANNUATED TEACHERS .- A bill making provision for old and superannuated school teachers is now under consideration in the Legislature. It provides "that whenever any teacher of any of the public schools, who has been employed as such for the space of twenty-five years, shall be discharged, or required by any school regulation, to resign for any cause, except moral delinquency, such teachers so discharged, or required by any school regulation to resign, shall receive from the school fund of his or her school district, until restored to his or her position, an amount equal to one-half of such teacher's average annual compensation or salary for the five years next preceeding such discharge, which shall be paid quarterly by the officer of such school district charged with the duty of making payment to the school teachers therein; that the provision made by the foregoing for such teachers as may be hereafter discharged, or required by any school regulation to resign from their office as teacher, shall be extended to such teachers who have been employed as such for the space of twenty-five years as have been within the last five years discharged, or compelled by any school regulation to resign for any cause other than moral delinquency."

ACCIDENT .- Yesterday about noon a little girl was run over and quite seriously injured, near the the corner of Third and Market streets, by a person in a buggy, who was driving at a rapid rate. The little sufferer, whose name we could not learn. was conveyed to her residence, and the person who ran over her was suffered to go on his way. If a few persons who are in the habit of careless and fast driving through our streets were arrested and properly punished, we would have less accidents of this kind to record.

BAD ROADS.—The recent rains and snow have made the roads in this vicinity very difficult to passage. Mud is now decidedly in the ascendant and all kinds of travel are tedious and tiresome to both man and beast. We see no remedy for this state of things, and can only wait patiently for a better state of affairs, which will probably not be for at least a month yet.

PERSONAL.—We observed in this city yesterday Lieut. J. S. Hoyer, First U. S. Cavalry, who has been at home for some time past on surgeon's leave. Since his stay among his friends, Lieut. Hoyer has considerably improved in health, after a severe campaign of about eighteen months in the field. He leaves to-morrow to rejoin his regiment.

Dear Sir-I would state that I was induced to use BRANDRETH'S PILLS through the recommendation of John R. Swift, of Croton, Westchester County, who was entirely restored to health by their use. He was sick for some two years, very costive and dyspeptic, and he tried everything, but was not relieved. Finally, he took one Brandreth's Pill every day for a week, and a dose of six Pills every day for three days, and then took one Pill every day, with occasional doses of six. In one month he was able to go to work, and in three months was well, gaining 40 pounds in weight.

Yours truly, EDWARD PURDY. WESTCHESTER COUNTY, SS.

Edward Purdy, being duly sworn, says that he resides in the tewn of New Castle; that some years ago he was very sick with a sore on his leg, which had been run ning for over five years; that he was also much distressed by a pain in his chest, an 1, besides, was very costive and dyspeptic; that after rying various remedies and many physicians, he commenced using Brandreth's Pllis, six to eight three times a week, and at the end of one month the sore in his leg healed, and at the end of two months he was entirely cured of costiveness, dyspepsia and pain, and has remained well ever since. EDWARD PURDY,

DURIFY THE BLOOD.—Not a few of the worst disorders that afflict mankind arise from the corruption that accumulates in the blood. Of all the discoveries that have been made to purge it out, none have been found which could equal in effect Ayer's the discoveries that have been made to purge it out, none have been found which could equal in effect Ayer's Compound Extract of Safsaparitla. It cleanses and renovates the blood, instills the vigor of health into the system and purges out the humors which make disease. It stimulates the healthy functions of the body and expels the disorders that grow and rankle in the blood. Its extraordinary virtues are not yet widely known, but when they are it will no longer be a question what remedy to employ in the great variety of afflicting diseases that require an alterative remedy.—Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can depend. Our space here does not admit certificates to show its effects. But the trial of a single bottle will show to the sick that it has virtues surpassing anything they have ever taken. Sufferers from Scrofula, Scrofulous Swellings and Sores, try it and see the rapidity with which it cures.
