THE DAILY PATRIOT AND UNION may be had at Jack's Book Store, corner of Third and Market streets. ALSO, at he News Agency of George L. Walter, in Market street near Fifth.

FIRST AND SECOND WARDS .--- The Democratic elub of the First ward will hold a special meeting on Wednesday evening, March 18th, at 71 o'clock, at Mr. Brenneman's Black Horse hotel, in Paxton street. The Democratic club of the Second ward has kindly agreed to meet with us, and the Democracy of the whole city is respectfully invited to attend also. Gen. Miller, our representative in Congress, and other popular speakers will address this meeting. By order of the club.

GEO. F. WEAVER, JR., Sec'y.

RALLY DEMOCRATS .- A joint meeting of the Democratic citizens of the Fifth and Sixth wards of the city of Harrisburg will be held at the house of Henry Bostgen, on Ridge avenue, in the Sixth ward, on Thursday evening, March 19. Several eminent speakers will be present. By order of the Executive Committee.

MISS M. V. WILSon calls the attention of the ladies of Harrisburg and strangers to her fancy store, corner of Second and Walnut, where she continues to keep Dress Trimmings, Zephyrs, and a variety of fancy articles. 18-2 ₩

PLACE OF RENDEZVOUS .- Harrisburg is smong the points designated for officers and soldiers absent from the army without leave to report on or before the first of April. After reporting to Capt. Richard I. Dodge in this city they will at once be forwarded to their respective regiments.

SMASH UP .- The other day a freight train on the Cumberland Valley railroad ran off the track a short distance this side of Mechanicsburg, owing to the breaking of a rail. Several cars were completely wrecked, but none of the persons on the train sustained serious injury. Accidents on this road are of very rare occurrence.

LOCAL POSTAL AFFAIRS .- The name and site of the post office hitherto called Union Deposit, in this county, has been changed to "Swatara Station," and D. S. Early appointed postmaster. A new office has been established on the route from Berrysburg to Gratztown, under the name of "Curtin," and Aaron Mattis appointed postmaster.

PASSED THROUGH .--- Captain Jennings, of company A, Seventh Pennsylvania cavalry, passed through this city yesterday on route for his home in Pottsville. The Captain has been in constant active service since the regiment first entered Tennessee, and participated in some of the boldest cavalry dashes made anywhere since the commencement of the rebellion.

BLACK VIPERS .- A conservative Republican friend, after reading the late issues of the Telegraph, suggested to us that the party of which that paper is the acknowledged organ ought to be styled "black vipers," in contradistinction to the "copperheads," by which term it designates the Democratic party. The suggestion of our Repub-

ANOTHER DEMOCRATIC RALLY .--- The large and monstrate that the Democracy of this city are fully alive to the importance of the coming contest, and determined to come out of it with "brows bound. with victorious wreaths." Another meeting of the friends of "Roumfort and the Constitution." will take place at the Black Horse hotel, in the First ward, this evening, to be addressed by able and eloquent speakers. Let there be a grand rally of the Demosracy on the occasion. The local campaign, so auspiciously commenced, should be prosecuted with vigor until the battle shall have been fought, the victory won, and the glorious banner of "the Constitution and the Union" floats in triumph over the Capital City of the old Keystone State. For such a consummation let every Democrat, every white man, every friend of constitutional liberty, every one who is opposed to that infamous feature of the conscription law which forces poor men into the army and exempts the rich for money, unite with the true Union party and

EXCITING TIMES .- The city election is now the all-absorbing topic of discussion in local political circles, and the contest is becoming quite animated and exciting. The weather being bright and pleasant yesterday, squads of politicians were to be seen at the various street corners canvassing the merits and prospects of their respective candidates with as much earnestness and zeal as if the fate of the Union depended upon the result of the coming municipal election. Personal rencontres took place between a few irritable and excitable individuals, but it affords as pleasure to announce that "nobody was hurt." The day was just the kind of one to draw out "copperheads," and we noticed crowds of them on the streets, not idly sunning themselves, but busily engaged in canvassing the city and drumming up their forces to hole and kill the "black vipers" on Friday next.

work, talk and vote !

PATROL .--- The provost guard are again doing patrol duty in this city and picking up stragglers from the army. Officers and privates now here with or without leave, when met on the street by a patrol squad are promptly ordered to "halt" and show their passes. Those who are provided with the necessary documents are politely requested to "pass on," while the unfortunate individuals who cannot produce them are ordered to "fall in" and marched to the Provost Marshal's head-quarters. The late order in regard to absentees, and the strictness with which it is enforced, has had the effect of ridding our city of stragglers to a great extent, and but few shoulder-straps are now visible on the streets.

ANOTHER VICTIM .--- A discharged soldier named Thompson, from one of the western counties, arrived here last night with a pocket full of greenbacks, got his brains and legs tangled with bad whisky and laid down on the street. While in that condition and position he was "rolled" and robbed of all the money in his possession, except two dollars which the thief overlooked. When we met the poor fellow he was in great distress, stated that he had not indnlged in liquor for several months previous, and seemed sincerely to regret the indiscretion which resulted in the loss of his hard-earned money. He is but one of hundreds of soldiers who have been similarly victimized in this city within the last year.

ENTHUSIASTIC DEMONSTRATION .--- The meeting of the Democracy of the Third and Fourth wards, at Umberger's hotel last evening, was the most largely attended and enthusiastic demonstration of the present campaign. Able, eloquent and patriotic addresses were delivered by H. Ward, Esq, Gen. A. L. Roumfort, Hon. Wm. H. Miller, J. B. Ewing, Esq., and several others. At the close of the lican friend is a good one and will no doubt be meeting a motion was made, and unanimously ed, to strike the name of Joh coll of the Fourth ward club. We have no room for a more extended notice of the meeting. COLLECTIONS OF THE CHRISTIAN COMMISSION .--- At the meeting of the "United States Christian Commission," on Wednesday evening last, the sum of \$260 15 was contributed by citizens then in attendance. Since that time various persons have contributed, in sums ranging from one hundred to five dollars, \$522, making an aggregate of \$782.15. The committee will be happy to receive, at any time, contributions from the patriotic aud benevolent citizens of Harrisburg in aid of the noble objects of the commission.

Boger, Esq., we will commence to sell off those goods at Mr. Boger's store, at prieces less than can be bought for again in the city. Facts About Brandreth's Pills. NEW CASTLE, WESTCHESTER Co., N. Y., Oct. 23, 1852. MR. G. TEN EYOK SHELDOR, Editor Sing Sing Republican :

Dear Sir-I would state that I was induced to use BRANDRETH'S PILLS through the recommendation of John R. Swift, of Groton, Westchester County, who was entirely restored to health by their use. He was sick for some two years, very costive and dyspeptic, and he tried everything, but was not relieved. Finally, he took one Brandreth's Pill every day for a week, and a dose of six Pills every day for three days, and then took one Pill every day, with occasional doses of six. In one month he was able to go to work, and in three months was well, gaining 40 pounds in weight. Yours truly, EDWARD PURDY.

WESTCHESTER COULTY, 88.

Edward Purdy, being duly sworn, says that he resides in the tewn of New Castle ; that some years ago he was very sick with a sore on his leg, which had been run ning for over five years; that he was also much distressed by a pain in his chest, an 1, besides, was very costive and dyspeptic; that after rying various remedies and many physicians, he commenced using Brandreth's Pills, six to eight three times a week, and at the end of one month the sore in his leg healed, and at the end of two months he was entirely cured of costiveness, dyspepsia and pain, and has remained well ever since. EDWARD PURDY,

Sworn to before me, this 18th day of October, 1862. S. MALCOLM SMITH, Justice of the Peace.

To THE LADIES OF THE USION RELIEF ASSOCIA-TION .- At a special meeting of the Association, held on Saturday afternoon, March 14, it was resolved to expend \$100 for flannel, and that the members make up the same into clothing, and present it to the Christian Commission. Those willing to assist in the work will please call at Gen. Hale's room, on the Arsenal grounds, on Thursday afternoon, from 2 o'clock till 4,

ELIZA A. BISHOP, Sec'y.

FENALE VAGRANT .--- A young and good looking woman, hailing from Lock Haven, was before the Mayer yesterday, on a charge of drunkennes and vagrancy preferred by a woman in State street, who keeps a house where soldiers most do congregate. The girl alleged that she was a boarder in the institution, and that the mistress encouraged the visits of "lewd men of the baser sort." The fact of the girl's being excessively intoxicated when arrested tended to confirm the complainant's statement, and she went to the moral reform institution for a term of thirty days.

ASSAULTED AN OFFICEB .- Two stalwart soldiers belonging to the Seventh Pennsylvania cavalry, while under the influence of bad whisky assaulted the chief of police and handled him somewhat roughly. The invincible Barney, however, finally came off victorious, as usual, and compelled his assailants to beg for quarters. The fellows were taken to the Mayor's office, from which place one of them managed to escape. The other was committed to the lock-up. During the night he attempted to break out and did considerable damage to the cell in which he was confined. The Mayor sent him to prison for ten days.

ANOTHER SOLDIERS' REST .--- A friend informs us. that having occasion to visit the room of the Young Men's Christian Association, he was gratified to find a large number of the convalescent soldiers availing themselves of the opportunity thus afforded of spending their time pleasantly and profitably among the society's books and papers. Some of them were taking advantage of the quiet and retirement to write their letters home. We cordially commend the spirit of the Y. M. C. A. in thus adding another "Soldiers' Rest" for our sick and wounded, and one, too, so much needed. The association, by various agencies, is doing much good throughout our community, and should receive the liberal support of all our citizens.

CAUSE AND EFFECT .- At Tuling prices butter is a luxury in which people of limited means cannot afford to indulge. For several days past it has been in demand at thirty cents per pound, and the Drice is likely to increase. Meat, vegetables, groceries and all articles of family consumption are selling at exorbitant rates, while there is no proportionate increase of wages, and working men with families to support find it difficult to "make both ends meet" at the end of each month, much less to lay up any money for an emergency. While government contractors and administration favorites are filching millions from the public treasury and faring sumptuously, the bone and sinew of the country who pay the taxes, and the families of our soldiers who do the fighting, are left to want and starvation ! So much for this unholy war, precipitated upon us by Abolitionists for the freedom. and elevation of Southern niggers, and now waged vs. the Pennsylvania Railroad Company, action to exclusively with a view to such a consummation. The present aspect of affairs leaves no hope that the sufferings of the industrial classes will have an early termination, and a general advance of wages is the only present remedy we can suggest. Under existing circumstinees mechanics and workingmon are justifiable in demanding it.

GUTTERS AND BROTHELS .--- The editor of the nigger organ treats his readers to a lecture on "gutters and brothels." The subject is one on which he sught to be thoroughly posted, for probably no

man in the State has been in the "gutter" oftener or had more familiarity with "brothels." When the uncharitable editor of the nigger organ flings dirt at us, we deem it proper to light him with his own weapon.

STREET COLLOQUY .--- "A beautiful day !" said Simon, yesterday afternoon, radiant with sunshine and fine spirits, and quite indifferent to the sloppy walking. "Yes," answered a fellow pedestrian, "very beautiful-above the street." "Of course," said Simon, "and isn't that enough? Because the gods send us a fine day, would you have them run the thing into the ground? My good friend, don't be unreasonable !"

THE NIGGER ORGAN willfully and maliciously lied in stating that we ridiculed the ambition of Mr. Till, "because he is a mechanic, a workingman." Nothing contained in our item could be fairly construed into such a meaning as the nigger organ gives it, and the writer made the charge knowing it to be false.

PENNSYLVANIA NEWS.

A BAND ARRESTED .- Capt. Hays, of the Pittsburg provost guard, on Sunday last arrested several members of the West Middletown (Washington county) band. The persons alluded to went into the service when the war broke out as privates, and were taken from the ranks to organize a band; at the time the bands were dismissed these persons were furloughed for a certain length of time -at the expiration of which they failed to report, hence their arrest as deserters.

BURNED TO DEATH .-- A little girl named Cham-bers was burned to death in West Pittsburg on The accident was occasioned by her Friday. clothes taking fire.

RAILROADS IN THE OIL REGION .- The Oil Creek railroad is being pushed down rapidly from Titus-ville to Oil City. Operations have been recommenced on the Meadville and Franklin branch, which will, it is expected, be in running order by spring. The Pennsylvania railroad company have also announced their determination to tap the oil region with a railroad during the coming summer.

SAD FATALITY .- The family of Mr. Daniel Ritts. residing in Minersville, adjoining Hollidaysburg, has been visited by a disease known as whooping cough, which has proved very fatal. On Tuesday week, one of the children, aged two years, died; on last Monday another, aged four years, died; and while the parents and friends were absent from home at the funeral, the third child, aged eight years, died. Three more of his children are lying very low, and not expected to recover.

DECISION.-In the case of Shipper & Deitweiler recover back the excess of freight charged by defendants, who construed the act of Assembly commuting the tonnage tax as intended to protect Pennsylvania interests, Justice Woodward char-ged that the Pennsylvania Bailroad Company was orrect, the commutation being intended to apply only to local freight. A verdiet was entered for defendants. The case will be taken to the Supreme Court.
