In Full Bloom.—At the recent election in Pike township, Clearfield county, no less than six Blooms were elected to office!

SPIRITUALISM .- Dr. S. K. Coonley, a popular trance speaker from Massachusetts, will lecture in the hall of the Sons of Temperance on Friday evening, March 20th, at 71 o'clock. Is it evil in its tendencies?—come and hear. To defray expenses ten cents will be charged for admittance.

BAD ROADS.-If we may believe our country consins, the roads are in a terrible condition, in many places about as hard to travel as the celebrated thoroughfare to Jordan. The most popular thing probably the clerk of the weather could do just now would be to "dry up."

Colored Fair.—The women connected with one of our colored congregations are now holding a fair for religious purposes in the Walnut street Presbyterian church. The exhibition is quite creditable, and has been liberally patronized for three or four days past by white as well as colored citizens. We learn that the fair will close at eleven o'clock to-night.

RAILROAD ACCIDENT .- A few days ago Cyrus Highberger was killed at Derry station, on the Pennsylvania railroad, by a freight train. At the time of the accident he was employed as brakeman on the road. This is the third railroad accident from which the family has suffered—the father killed some time since, one sen subsequently erippled, and now another killed.

FALSE PRETENCE.-Lieut. Jacob Dennison, of bell, on a warrant issued by Alderman Kline, for obtaining boarding at Col. Omit's hotel to the amount of \$67 fraudulently and under false pretence. The Lieutenant entered bail for his appearance at court to answer the charge.

CAPTAIN ASBURY AWL .- The nigger organ announces the arrest of this competent and efficient officer, at Baltimore, by order of Captain Dodge, for absence without leave, and suggests his instant dismissal in disgrace from the service. Captain Awl is a sound constitutional Democrat, which accounts for the anxiety of the nigger organ to have him dismissed. "Only that, and nothing more."

RUMORED STRIKE.—We hear rumors to the effect that the miners at the Lykens Valley coal mines are on a strike for incressed wages, and fears are entertained that a riot will ensue resulting in the flooding of the mines and otherwise damaging the property of the proprietor, Mr. Harry Thomas, of this city. Sheriff Boas informed us yesterday that it was probable he would be called upon to visit the mines with a force sufficient to quell any riotous demonstrations that might be attempted, in case a compromise was not effected between Mr. Thomas and the strikers.

Suspected Pickpocket Arrested .-- A young man, answering to the name of Charles Williams, and hailing from Boston, was arrested at the depot yesterday morning by officer Deeters, for attempting to pick a gentleman's pocket. According to the statement of the officer, Williams was detected in the act by conductor Miller and another person. He was committed by the Mayor for another hearing, when the case will be fully ventilated. Officer Decters informs us that an attempt was made to capture two other strangers, supposed to be accomplices of Williams, but they rapidly skedaddied and managed to escape.

Mysterious Disappearance of a Large Sum or Money .- Our city was rife with rumors yesterday of the mysterious disappearance, from an express car of one of the railroad trains, of an iron money-chest, the contents of which are variously estimated at from forty to one hundred thousand dollars! One story in circulation is that it was taken from the car at a station on the road where the Express agent had occasion to get out. Another version of the affair is that the car was entered and the chest abstracted while the agent was asleep at his post. However this may be, there seems to be no doubt that the chest, with its contents, disappeared in a way that the agent cannot explain, and thus far the whole affair is involved in impenetrable mystery. We give the rumors as they reached us from various quarters yesterday, and forbear mentioning names until some further developments shall have been made.

A WAGON LOAD OF DRUNK.—The novel spectacle of a wagen pulled by a company of boys under command of wagon-master Fleck, and loaded with "drunk," was exhibited on the streets yesterday. The vehicle passed our sanctum en route for the Mayor's office, where its contents were dumped into the calaboose. While passing along Fourth street officer Fleck found a poor unfortunate, named John Sellers, lying on the pavement in a perfectly stupid condition. After several unsuccossful efforts to elevate the man to a perpendiqular position, it was found necessary to procure a wagon for his conveyance to the lock-up. John insisted that he was not drunk, but that his kneecaps had slipped out of place, rendering locomotion impossible. It was very evident, however, that his brains were as much tangled as his legs, and that he was decidedly "drunk all over." Of course a vote to-day in consequence.

RIOTOUS DEMORSTRATION.—A riotous demonstration occurred at the Walnut street Exchange, on Wednesday night, growing out of a collision between a few of the First City Zouaves and the police officers. During the progress of the fracas, in which the officers were somewhat roughly handled, it is said that one of the Zouaves drew a pistol. After much difficulty, and the personal intervention of the Mayor, this man was arrested and secured in the leck-up. Yesterday morning when the prisoner was brought out for a hearing, some of the Zouaves rescued him from the police at the door of the Mayor's office and bore him off in triumph to their quarters. This gave rise to another scene of violence, in which muskets and pistols were flourished by soldiers and police officers, but fortunately none of the weapons were discharged and nobody was hurt. The affair created great excitement for a time and attracted a large crowd of people. After the excitement had subsided and the crowd dispersed, the prisoner gave himself up to Sheriff Boas and accompanied him to the Mayor's office, where he denied having drawn his pistol upon any one, and stated that it had fallen our of his pocket during the progress of the scuffle. He was then discharged and permitted to rejoin his company, which had previously received orders to depart for the seat of war, in connection with the entire battalion. There was but one commissioned officer of the company in the city at the time, First Licutenant Beitzler, and but for his pusillanimous conduct in aiding and abetting the rioters, instead of exercising the authority vested in him to restrain them, no disturbance would have occurred. Captain Asbury Awl and Second Lieutenant Ensminger were both absent. The affair was disgraceful to those concerned in it, but the mass of the company should not be held responsible for the acts of the few rowdles unfortunately associated with them.

Police Court.—Several "bummers" and petty thieves were arraigned yesterday morning, after passing a night in the calaboose. William Till was fined one dollar for getting drunk. Lewis Fisher, the old musician, was up a second time for the offence of drunkenness. Having violated a promise, made the day previous, that he would leave town, the Mayer remanded him to the calaboose for a few days, to give him a chance to sober up. Henry Herr became uproarious under the influence of bad whisky and was "making things rip" when arrested. He went to the reformatory institution for ten days. The two Irishmen and their wives, whose arrest for drunkenness we noticed in our last issue, were sent to prison for fifteen days. Wm. Henderson, a thick-lipped contraband, black as charcoal, and one of the orators at the late emancipation jubilee in Beecher's avenue, was up for picking the pocket of a sable brother named Sanford Lewis. The amount stolen was a trifle, and his victim manifesting no disposition to prosecute the case, Henderson was discharged. Another woolly-head, named John Lee, arrested a few days ago on a charge of stealing some money and a watch from one of Tom Chester's ebony recruits, was also discharged, no one appearing against him.

DEPARTURE OF MILITARY.—The two companies of drafted men for some time past quartered in Camp Curtin left yesterday morning for the seat of war to join the regiments to which they have been attached. The force comprised about twe hundred able-bodied men and as fine-looking soldiers as ever marched through our city.

At one o'clock the First City Zouaves left for Washington, in pursuance of an order from the War Department, issued the day previous, requiring them to join their regiment immediately. The same order applied to the other three companies Captain Baldwin's company of the provost guard of the provost guard battalion, and they also left first time since the commencement of the rebellion our city is now almost entirely free from the presence of military troops. Why they were thus suddenly and unexpectedly hurried away we are at a loss to conjecture, unless it was a trick of the Abolition leaders to prevent the First City Zouaves, more than two-thirds of whom are residents of this city and Democrats, from voting at the election to-day, and swelling the majority that will be rolled up against the woolly-head ticket. If so the plot is a most infamous one, but it cannot win. The plotters will be signally rebuked.

> SPIRITED DEMONSTRATION .- The Democracy of the Fifth and Sixth wards rallied in the majesty of their strength at Bostgen's hotel, on Ridge avenue. last evening, and were addressed by several eloquent speakers, all of whom urged the importance of the election to come off to-day, in its bearing upon the great contest to follow next October, and counseled the Democracy to manifest, by their action at the polls, their uncompromising hostility to the tyrannous, oppressive, unconstitutional and treasonable policy of the Abolition dynasty at Washington. The sentiments of the various speakers were heartily endorsed and enthusiastically applauded. The meeting was one of the liveliest that has yet been held, and satisfied us that the Democracy of the upper wards will give a good account of themselves to-night. The reception of the Democratic nominee for Mayor, Gen. Roumfort, was of the most cordial and enthusiastic character, and such as could not fail to gratify and flatter any man occupying a similar position before the people. If he fails to-day, (and there is no such word in the Democratic vocabulary,) it will not be for want of a "bully" vote in the Fifth and Sixth wards.

Interperence in Elections .- If it be true, as surmised, that any citizen of Harrisburg has dared to interfere and tampered (through a United States officer) with the rights of electors, by which they are carried out of the State on the eve of an important election, and se deprived of their votes, an important question arises. It is this: Is there any remedy for such a wrong? We think there is. We believe it to be a misdemeanor of a high character. We believe it to be punishable by indictment; and, in view of this, we would recommend the Executive Committee of the Democratic party to have the matter investigated, and if it should appear to be true that the provest guard of Harrisburg, composed mostly of citizens of this city, were withdrawn from here because they were Democrats, to have the proper testimony exhibited before an alderman and a warrant issued against the malefactor, for the purpose of a trial before the proper tribunal. Our rights are not yet all prostrated by dictatorial power. Let a jury of the country try it. It will, we hope, be properly ventilated.

THE LAST RILLY .- The most important municipal election that has ever occurred in our city comes off te day, and every friend of "the Constitution and the Union" should labor with diligence and zeaf for the success of the whole Democratic ticket. Work as if the result depended upon your individual exertions. See that every Democratic vote in your respective wards is polled, for "a full Vote is a Democratic victory." The time for argument has gone by, what we want now is united, concentrated, vigorous action. Now, then, Democrats of the Capital city, for a grand raily at the polls! Let us completely rout the nigger battalions, and achieve a triumph that will gladden the hearts of all true friends of constitutional liberty John will "go up," and the woolly-heads will loss everywhere throughout our good old commonwealth. Every man to his post!

WHO IS HE?-Some days ago a paragraph appeared in the newspapers highly complimenting a young man named M'Clure, of Harrisburg, a member of the Anderson cavalry and one of the three hundred who participated in the Murfreesboro' fight, for his gallantry and heroism on that oceasion. No one seemed to have any knowledge of a person of that name having enlisted in this city, and the question "who is he?" was repeated time and again without eliciting a satisfactory response. Yesterday we learned that the subject of the complimentary notice alluded to is a native of Harrisburg, and a son of the late Wm. M'Clure Esq., deceased, for many years a prominent member of the bar, and one of our most worthy and estimable citizens. Where young M'Clure enlisted we do not know, but he has proved himself a loyal and brave soldier, winning laurels for himself while reflecting eredit upon his native city.

Miss M. V. Wilson calls the attention of the ladies of Harrisburg and strangers to her fancy store, corner of Second and Walnut, where she continues to keep Dress Trimmings, Zephyrs, and variety of fancy articles.

Boger, Esq., we will commence to sell off those goods at Mr. Boger's store, at prieces less than can be bough; for again in the city. Facts About Brandreth's Pills. NEW CASTLE. WESTCHESTER Co., N. Y., Oct. 23, 1852 Mn. G. TEN EYOR SHELDON, Editor Sing Sing Republi-

Dear Sir-I would state that I was induced to use BRANDRETH'S PILLS through the recommendation of John R. Swift, of Croton, Westchester County, who was entirely restored to health by their use. He was sick for some two years, very costive and dyspeptic, and he tried everything, but was not relieved. Finally, he took one Brandreth's Pill every day for a week, and a dose of six Pills every day for three days, and then took one Pill every day, with occasional doses of six. In one month he was able to go to work, and in three months was well, gaining 40 pounds in weight.

Yours truly, EDWARD PURDY. WESTCHESTER COUNTY, 88.

Edward Purdy, being duly sworn, says that he resides in the tewn of New Castle; that some years ago he was very sick with a sore on his leg, which had been run ning for over five years; that he was also much distressed by a pain in his chest, an i, besides, was very costive and dyspeptic; that after rying various remedies and many physicians, he commenced using Brandreth's Pills, six to eight three times a week, and at the end of one month the sore in his leg healed, and at the end of two months he was entirely cured of costiveness, dyspepsia and pain, and has remained well ever since. EDWARD PURDY, Sworn to before me, this 18th day of October, 1862.
