HOOFLAND'S GERMAN BITTERS

PREPARED ONLY BY DR. C. M. JACKSON. NO. 631 ARCH STREET, PHILADELPHIA.

NO. 631 ARCH STREET, PHILADELPHIA, Is the very best Tonic and Nervine extant, and will give relief where all other remedies fall. This is not a m re assertion, but has been proved over and over again by the class of persons we are now addressing, as the certificates hereto appended will show. So well are the virtues of the Bitters known, that it is freely prescribed by the leading physicians of Philadelphia and vicinity. It is entirely vegetable, and free from alcosofic stimulant and all injurious ingredients. Persons advanced in life, and feeling the hand of time weighing heavily upon them, will find in these Bitters an elixir that will restore, in a measure, the energy and ardor of more youthful days, build up their shrunken forms, and give health and hap-piness to their remaining years. Weak and delicate children are made strong by using the Bitters. In fact, it is a family medicine, and may be profitably administered to a child of three months, the most delicate formale. or a man of inkety. Shake the bottle before using.

I had suffered for years from Liver Complaint and Dyspepsia in their most aggravated forms-was unable single exception of rice, on which I subsisted for four years. I cannot pretend to describe my sufferings is almost with pain that my memory recurst o that pr riod. I should long sance have been in my grace had not my physician, Dr. Fichart, recommended the use of your Bitters, as the best Tonio with which he was ac-quainted. I had tried a number of remedies without success, but concluded to follow the advide of my medi-cal adviser. I did so, and my most sanguine hoprs were realised. I am now well, and to your invaluable Bitters I ewe it, that I am permitted to write these lines. Very gratefully yours. MRS S. A. LINEAU, No. 1607 Wallace street, From the Rev. Josenh H. Dz. JAOESOM—Dear Sir: I have been frequently re-quested to connect my name with commendations of different kinds of medicines, but regarding the practices as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Heofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Uomplaint, it is a safe and valuabe prevaration. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the shore cames. Yours very respectfully, J. H. KENNARD.
