HOOFLAND'S GERMAN BITTERS PREPARED ONLY BY DR. C. M. JACKSON.

PIERTARMO ORALL STREET, PHILADELPHIA,
NO. 681 ARCH STREET, PHILADELPHIA,
Is the very best Tonic and Nervine extant, and will give relief where all other remedies fail. This is not a more assertion, but has been proved over and over again by the slass of persons we are now addressing, as the certificates hereto appended will show. So well are the virtues of the Bitters known, that it is freely preseribed by the leading physicians of Philadelphia and visionity. It is entirely regetable, and free from alcosofic stimulant at all injurious ingredients. Persons advanced in life, and feeling the hand of time weighing heavily upon them, will find in these Bitters an eligif that will restore, in a measure, the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.
Weak and delicate children are made strong by using the Bitters. In fact, it is a family medicine, and may be profitably administered to a child of three months, the mothed ledicate female, or a man of nlacty. Shake the bottle before using.
Price 75 conts per bottle. For sale by draggists and storekeepers general'y throughout the country. NO. 681 ARCH STREET, PHILADELPHIA.

Storekeepers generally throughout the country.
 From Rev. J Newton Brown, D. D., Editor of Encyclopedia of Religious Knowlorgo.
 To Dr. C. M. Jackson. —Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have referred to the benefit he believes himself to have referred to the benefit he believes himself to have referred to the benefit he believes himself to have referred to the benefit he believes himself to have referred to the benefit he believes himself to have referred to the benefit he believes himself to the bare for the benefit he benefit he benefit he hope that he may thus contribute to the benefit of others.
 I do this more readily in regard to "Hooffand's German Bitters," prepared by Dr. C. M. Jackson, of this eity, because I was preindiced gainst them for years, under the impression that they were chiefly an alcoholie mixture. I am indebted to my friend, Robert Shoemaker, Baq, for the removal of this prejudice by proper tests, and for encouragement to try them when saffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present ycar, was fallowed by erident relief and restoration to a degree of bodily and mental vigor which I had not felt for six mouths before, and had almost despisited of regaining. I therefore thank 0 od and my friend for directing me to the use of them.

 From Capt. Sickles, of Scott Legion, Co. K.
 GKMILEXXXX.—In the camp diseases, such as Dysentery, Typhoid Fover, and Chills, so common in active service, I had nothing equal to your Bitters. As a prevontive or cure, I look upon them as invaluable, and cheerfully bear my testimony to their excellance. Yours truly, WM. H. SICKLES.

I seannot pretend to describe my safferings is almost with pain that my memory recarst o that pe riod. I should long stack have been in my grave had not my physician, Dr. Fickert, recommended the use of your Bitters, as the best Tonke with which he was no-quainted. I had tried a number of remedies without success, but concluded to follow the advide of my medi-cal adviser. I did so, and my most saffgrings listers I wery gratefully yours. MES. S. A.
