Union Relief Association .- The regular monthly meeting of the Ladies' Union Relief Association will be held Saturday afternoon at 3 o'clock, in the school house on the corner of Walnut street and River alley. E. A. BISHOP, Sec'y.

FIRST WARD.—The Democratic club of this ward will meet at the public house of Louis Koenig this evening, at 71 o'clock. Punctual attendance is requested, as business of importance may be brought before the meeting. By order of the club. GEO. F. WEAVER, JR., Sec'y.

A WISE PRECAUTION .- Bernard Campbell, chief of police of our city, received a letter yesterday, post marked Washington, with the following endorsement upon the envelope: "Postmaster Bergner will please not open this letter-there is money in it."

THE METRODIST CONFERENCE at West Chester held its final session yesterday, but we did not receive the appointments in time for announcement in this issue. It is probable that the new pasters of the churches in this city will arrive today and preach their opening sermons to-morrow.

A WHITE SWAN was shot in the Susquebanna river near this city, the other day, by one of our amateur sportsmen, and was on exhibition yesterday at the restaurant of Mr. George Dress, in Third street, where it attracted numerous visitors. These beautiful birds are a great rarity and curiosity in this region.

STILL AT WORK .- The burglars and thieves continue to operate with remarkable success. On Thursday night the cellar of a house in North street was forcibly entered and robbed of a quautity of meat, bread and other articles. Suspicion attaches to a negro who was seen loitering about the premises in the early part of the evening.

THE SEASON.—The first month of Spring has almost expired, and yet there is no signs of expansion in the tree buds. Ordinarily at this time of year the sap is rapidly ascending the tree trunks. Tan aften late frosts make them a visitation that destroys the fruit crop of the entire season. This year such a state of things is not likely to occur.

FRESHET.—The recent rains have swellen the Busquehanna to a considerable extent, and it is still rising. Yesterday the surface of the river was literally covered with drift wood. In the course of a few days we may look for the arrival of large numbers of timber and lumber rafts from the North and West branch regions.

THE HIGHSPIPE ROBBERY -It will be recollected by our readers that several nights ago the store of Mr. Stoner, in Highspire, was robbed of almost its entire contents, the thieves conveying the goods away in a wagon, which was tracked for some distance from the village. The police of this city and neighboring towns were at once advised of the affair, but all efforts to detect the perpetrators of this wholesale robbery have failed. We learn that since then an attempt was made by some persons to enter another store in Highspire, but the thieves were frustrated in their design and managed to escape.

PEARSON'S HISTORIC MIRROR OF THE WAR .- By advertisement in another column it will be seen that this very popular exhibition opens at Brant's Hall on Tuesday evening for a short time only. It comes to us well recommended. Our exchanges speak of it in the highest terms. The Philadelphia press is loud in its praise. The following we clip from the Evening Bulletin :

PEARSON'S HISTORIC MIRROR OF THE WAR -This series of pictures, illustrative of the present war, commences its third week to-night at Concert Hall. Every patriot, desiring to become acquainted with the history of passing events, should not fail to bring all within his means and power to the sight instruction, as furnished by such lifelike and magnificent series of paintings as Pearson's Mirror of the War. From the first scene throughout to the finale the interest increases, and the visitors cannot fail to pronounce the panorama one of the best and most interesting paintings of the present

RIOT IN SCUTE STREET.-A disgraceful riot occurred in South street yesterday afternoon, growing out of a fight between "a loyal American citizen of African descent" and a soldier. For some cause er other, (probably insolence on the part of the negro,) the soldier struck Tom Earley on the head with what the police style a "billy," inflicting a slight flesh wound, whereupon a number of his sable brethren pitched into the soldier with great violence, assaulting him with stones, sticks, rators and other weapons. They were encouraged by some wenches present, one of whom was heard to exclaim, "here's a razor, cut his d-d heart out." The soldier was very badly cut and bruised about the face and head, and otherwise injured When the Chief of Police arrived at the scene of disturbance the riot was in full progress, and the street crowded with hundreds of spectators of all colors and ages. With some difficulty he succeeded in quelling the tumult and dispersing the mob .-The soldier was conveyed to the office of a surgeon who dressed his wounds. Two or three of the negroes were arrested and taken before Alderman Kline, but it appearing in evidence that the soldier had been the aggressor, they were discharged. The soldier was also arrested, at the instance of Tom Earley, but the complaint was subsequently withdrawn. All the parties who participated promisoldier may have given, it was not sufficient :.. justify the negroes in mobbing and brutally benting him, and inaugurating a riot that would have cosulted disastrously to them had not the Chief of Police and other officers arrived in time to prevent the whites from taking part with the soldier, which they manifested a disposition to do.

MEETING AND ORGANIZATION OF COUNCIL-Installation of the New Mayor,-The City Council met in their chamber at ten o'clock yesterday, for the purpose of installing the new members and the Mayor elect. The occasion attracted quite a large crowd of citizens, most of them "copperheads," who were anxious to witness the ceremonies incident to the installation of the Democratic Chief Magistrate of the city. The meeting was called to order by President Wm. O. Hickok, when Mayor Kepner presented the election returns for Councilmen of the various wards, which were read by the clerk, whereupon the President declared the following gentlemen elected: First ward, Daniel Hocker; Second ward, Philip Linn; Third ward, Wm. K. Verbeke; Fourth ward, Levi Wolfinger; Sixth ward, Wm. Morris. These gentlemen were sworn in by Mayor Kepner, and took their seats as members of Council for three years-An election for officers then took place, and Wm. O. Hickok, Esq., was chosen President, and David Harris Clerk, by acclamation. The returns of the election for Mayor were read by the clerk, after which the President declared A. L Roumfort the choice of the people, and requested that gentleman te present himself for installation. The Mayor elect then stepped forward, and the oath of office was administered to him by Mayor Kepner, as follows: "You do solemnly and sincerely swear to support the Constitution of the United States and the Constitution of Pennsylvania, and to discharge the duties of Mayor of this city with fidelity." After taking the oath Mayor Roumfort addressed the President and members of Council in

his usual dignified and impressive manner, briefly and eloquently as follows: Mr. President and Gentlemen of the Common Council:—Having just taken the oath of office, in which I have renewed the pledge taken at various periods of my life, to support the Constitution of this great Commonwealth and the Constitution of the United States, it may not be inappropriate to assure you that I fully appreciate the solemnity of the engagement I have taken before the Almighty Ruler of the Universe, and the importance of the obligations I have assumed towards you and every

member of this large community.

Imbued with these sentiments, I shall do my best endeavors to preserve the peace and to promote good order within the limits of this city, and also to secure the comfort and happiness of our citizens and the many strangers and sojourners

who add so much to our population.
I trust, gentlemen, I may never forget, in the administration of strict and impartial justice, that a merciful beart is one of the highest attributes of the true christian; and also that, while it is the imperative duty of a magistrate to enforce the law, it is equally his duty to protect the people against any attempted oppression on the part of his sub-

Receive my assurance, gentlemen, that I shall, at all times, be willing and ready to co-operate with you in the adoption of all measures calculated to improve the condition and advance the prosperity of this thriving and growing city: and permit me to express the ardent hope that, in the pursuit of this desirable object, we may be inspired by a mutual spirit of harmony and emulation.

At the conclusion of the Mayor's neat and ap propriate address, which was listened to with interest by the large crowd of spectators present, he withdrew from the Council Chamber, and was immediately surrounded by a swarm of admiring "copperheads," who tendered him their hearty congratulations. The ceremony of installation having been gone through with, some member of Council presented a letter from Messrs, Roberts and Fahenstock, declining to serve any longer in the capacity of regulators. After the reading of the letter Council adjourned.

Interesting Correspondence.-The following sorrespondence between a number of members of the Legislature and an eminent American vecalist will explain itself:

HARRISBURG, March 27, 1863. GENTLEMEN: -- I was highly honored by the resoution adopted in the House of Representatives of Penusylvania, tendering me the use of their hall for the purpose of a concert, and I shall ever appreciate it with the most profound sentiments of gratitude. I am now in receipt of your kind and generous letter, in which my humble services in aid of the common cause of our country are commended with that liberal spirit which will inspire me to continue in rendering all the services in my power to aid and relieve the sufferings and scrows of the wounded soldiers, and encourage those in the field by patriotic songs, which have a most salutary effect in diverting them from the monotony of camp life, and inciting to that enthusiasm which is so essential an element of success. It will afford me pleasure to meet your wishes

in giving the concert you desire, and with the aid of the lady who has accompanied me with the piano and with her voice, I will endeavor to do all the justice in my power to your kind offer. CHIEF OF POLICE.—The new Mayor, immediately after his installation yesterday, appointed Bernard Campbell his Chief of Police, a position which he filled under Mayor Kepner in such a way as to win the approbation of the entire community. The action of Mayor Roumfort in retaining the services of an officer whose competency, honesty and fidelity have been so thoroughly established will be heartily endorsed by the great mass of cur citizens irrespective of party. It is universally conceded that Barney Campbell has made the most honest, reliable, active and efficient officer ever connected with the police or constabulary force of this city. His appointment by our new Democratic Mayor is a compliment richly deserved and worthily bestowed.

Facts About Brandreth's Pills.

NEW CASTLE, WESTCHESTER Co., N. Y., Oct. 23, 1852. MR. G. TEN EYCK SHELDON, Editor Sing Sing Republi-

Dear Sir-I would state that I was induced to use BRANDRETH'S PILLS through the recommendation of John R. Swift, of Croton, Westchester County, who was entirely restored to health by their use. He was sick for some two years, very costive and dyspeptic, and he tried everything, but was not relieved. Finally, he took one Brandreth's Pill every day for a week, and a dose of six Pills every day for three days, and then took one Pill every day, with occasional doses of six. In one month he was able to go to work, and in three months was well, gaining 40 pounds in weight.

Yours truly, EDWARD PURDY.

WESTCHESTER COUNTY, 88.

Edward Purdy, being duly sworn, says that he resides in the tewn of New Castle; that some years ago he was very sick with a sore on his leg, which had been run ning for over five years; that he was also much dis tressed by a pain in his chest, an 1, besides, was very costive and dyspeptic; that after rying various remedies and many physicians, he commenced using Brandreth's Pills, six to eight three times a week, and at the end of one month the sore in his leg healed, and at the end of two months he was entirely cured of costiveness, dyspepsia and pain, and has remained well ever since. EDWARD PURDY.
