WANTED -- A good cook, to whom good wages will be given. Apply at this office.

THE insane man, Wm. Straw, sent to the poor house yesterday, lost a dark cloth overcoat. The person that found it will do an act of charity by leaving it with the Chief of Police at the Mayor's office, who will restore it to the owner,

SUPREME COURT.—The Supreme court is not in session here now, as inadvertently stated by mistake yesterday, but will meet in this city on the first Monday of May next, at which time the current business of the term will be entered upon and continued for at least five weeks.

GONE TO DAYTON .- Officer Fleck, Mr. Emanuel German and Mrs. Weitzel have gone to Dayton, Ohio, to examine a prisoner confined there, supposed to be the same man who murdered Mary Elizabeth German, near this city, several months ago. We have already detailed the particulars which fasten suspicion upon this man.

PASSED THROUGH .- Lieutenant Wm. H. Leamy, of the Nineteenth United States infantry, arrived here a day or two ago from New Mexico, where he has been on active duty for several months, en route for Tennessee to join his regiment, now in Rosecrans' army. He is a son of Mr. Leamy, of this city, a competent officer and gallant soldier,

APOLOGETICAL.-To make room for more important matter we are obliged to limit our local department, for a few days, to a smaller space-than usual. City readers who find this department less varied and entertaining than customary, will know the reason why, and we ask their indulgence until the press of matter now on hand is disposed of.

DEMOCRATIC CITY EXECUTIVE COMMITTEE.-The members of the City Executive Committee, elected on Saturday evening, March 14, are requested to meet at the public house of L. Bernhard, corner of Fourth and Walnut streets, on Tuesday evening, 14th inst., at half past seven o'clock, for organization. Punctual attendance is requested. By order.

DEMOCRATIC DELEGATE ELECTION.—The delegate elections, to come off in this city on Saturday, the 18th instant, already excite considerable interest in Democratic circles. In the Fourth ward two sets of delegates have taken the field, and the contest promises to be quite animated. The probability is that there will ba a lively contest in all the wards of the city.

STILL THEY COME.—Almost every train that passes through here from the West brings squads of paroled and exchanged Confederate prisoners from the western Federal camps. The last lot we "saw comprised a number of officers and privates. The former were generally fine looking men and genteelly uniformed. The privates, on the contrary, were poorly slad, and presented the same equalid and filthy appearance as those who have been going through for the past two weeks.

FISHING IN SHE SUSQUERANNA .- We learn that the cel fishers at various points along the Susquehanna river above and below this city, are doing a profitable business. The market here is well supplied, and large quantities of eels are put up in barrels and forwarded to the Philadelphia and Baltimore markets, where they command ready sale at fair prices. But few of our citizens have any ides of the extent of the sel trade and the profits derived from it.

OME DAY OF SPRING .- After the dreary season of the past few weeks, the dawn of one day of real spring weather was agreeably welcomed by our citizens yesterday. The sun shene with unwonted brilliancy from his long concealment, imparting a cheerfulness to which the city has long been a stranger. Advantage was taken of this delightful change to enjoy the balmy atmosphere and genial temperature, by a large number of promenadors which caused the streets to present an unusually, gay and lively appearance. It is to be hoped that Old Winter, after lingering so long in the lap of youthful, blooming Spring, has now taken his final departure for the present season.

MELANGROLY OCCURRENCE.-A few days ago most heart-rending accident occurred in Peach Bottom township, in the neighboring county of York, resulting in the death of a Miss M'Gee .-The family were engaged in moving, and sometime during the day a young man named Wilson playfully took hold of a gun that was standing in the corner of a room, which accidentally discharged, the contents taking effect in the temple of Miss M'Gee, and causing instant death. Mr. Wilson was not aware of the gun being loaded, nor has any blame been attached to him-the occurrence being entirely accidental. Another terrible warning against the careless handling of fire-arms.

THE ABAMS EXPRESS ROBBERY .- Since the rotbery of the Adams Express on the Northern Contral railway, a few weeks ago, officers have been busily engaged in ferreting out the robbers and recovering the bends, &c., a large partion of which belong to the government, though checks for the full amount of them have been given by the compasy. We learn from a Baltimore paper of the arrest of a telegraph operator of the railway station at Parkton, named Chas. Yeakle, or Ziegler, who, it is stated, was placed in Towsontown jail, sharged with being concerned in the robbery .---Since then he has been removed to another place of eastedy, with the following named parties, who, it is rumored, were also arrested : Levi Hoffman, Wm. Iseacs, alias Hoolsey, William Dix, Joseph Rain, Thomas Lancaster, Edward Davis, George Davie, Henry Loughlan, Chas. Duncan and Chas. Egglesion. It is rumored that a large portion of the bonds, with a part of the money, has been recovered. Further developments are expected to be made in the course of a few days.

Ungrateful Beggars -Two children, a boy and girl, who perambulate the streets daily, calling at the dwallings of citizens and soliciting alms Jack's Book Store, corner of Third and Market in the way of cold victuals and such other articles as charitable people have the means and disposi-ALSO, at he News Agency of George L. Walter, tion to bestow upon them, were recently guilty of an act of dishonesty and ingratitude, the exposition of which will have a tendency to interfere materially with their future operations in our city. They called at the house of a kind-hearted woman in Third street, who never turns the poor away unalmed, and obtained a bountiful supply of provisions. Shortly after the youthful itinerant beggars left, the lady missed a shawl and linen handkerchief from the room. Suspicion attached to the beggars, who were pursued and overtaken, and the missing articles found covered up in one of their baskets. We do not know who these children belong to, but if permitted to pursue their present career of street begging and stealing, it requires no prophet to predict what their end will be. It is bad enough for parents to coerce their offspring into a life of vagrancy and professional begging, but to enceurage them to become common thieveswhich has been done in numerous instances—is a monstrous outrage and crime for which they deserve the severest punishment. The "street school" is bad enough at all times, but under such circumstances it is certain to prove the moral ruin of all children who are trained and educated in it.

> THE PICKPOCKET BUSINESS .- This city is not the only place where pickpockets abound, judging from the daily reports of newspapers at various points. Within a few days large amounts of money have been stolen from railroad passengers and others at the depots in Lancaster, Reading and York. Among the victims at the latter place were two gentlemen, one of whom lost \$125 and the other \$285-in all four-hundred and ten dollars, There appears to be a regularly organized gang of professionals along the lines of our railroads.-Some of them operate on the trains, and others at the railroad depots, and the skillful scoundrels manage to do a very extensive and successful hustness. The police of this city have instructions to arrest all strangers against whom there may be good grounds of suspicion, and failing to give a satisfactory account of their presence and business here, they will be committed for ninety days under the new law for the arrest of professional thieves. A strict enforcement of this law cannot fail ultimately to rid Harrisburg of the pestiferous thieves who have so long infested it. We look to our police officers to discharge their duties honestly and faithfully in this respect.

> THE YORK MURDER.-Last week we made mention of a telegraphic dispatch received by the chief of police of this city, directing him to arrest five persons—three men and two women—suspected of having murdered a child in York. A lookout was kept for the arrival of the parties, but they did not come this way. Yesterday the chief received another dispatch on the subject, from which it seems that nothing has yet been heard at York of the whereabouts of the suspected murderers. who are still at large. We learn that a man, said to answer the description of one of them, was put off a freight train at Carlisle, but we have no information of his arrest. The York papers make mention of the dead body of a child having been found in the creek near that place, which is probably the one supposed to have been murdered by the parties above alluded to.

> THE Y. M. C. A. CONCERT .- Our concert goers will certainly not forget the grand concert to come off at the court house this evening. Besides the excellent choruses, &c., of the Harmonic society. we are pleased to announce that Miss Julie Halm and her mother, from the Female seminary at Hagerstown, will form a chief attraction. Miss Halm was a pupil of the celebrated Henri Kerz, and has but lately returned from Paris; while Mrs. Halm is well known to many of our citizens for her emizent ability as a pianist. The twain will furnish a delightful portion of the programme and well repay attendance. We understand they are introduced by our friend Mr. Geo. B. Ayers. The claims of the Y. M. C. association are great, and our public can but inadequately repay the constant good it is doing by giving them a full house to-night-

SENT TO THE POOR HOUSE .- The insane man, William Straw, arrested on the street-last Wednesday evening and committed to prison for safekeeping, was sent to the foor house yesterday by order of the mayor, with directions to the officers in charge of that institution to take measures for his immediate transfer to the county where he belengs. Persons in this city who formerly resided in Lebanon county, and have known the unfortunate man for a long time, say that he is subject to fits of temporary insanity, on which occasions he usually wanders away from home.

All who wish to indulge in the luxury of a skillful and easy shave, undergo a pleasant shampooing operation, or have their hair cut and trimmed in unequaled style, should drop in at one or other of of Mr. Kemmerer's splendidly furnished saloons. THE CHIEF OF POLICE.—We are pleased to acknowledge the fact that last evening we had occular demonstration of the efficiency of Bernard Campbell. We had occasion to visit the P. O. about 7 o'cleck p. m., and were obliged to run the gauntlet of a great crowd of men and boys, who blocked up the way, while going in. Coming out we met the energetic chief, who was enforcing the law, and in two minutes not a man or boy remained. The crowd divided at once on his appearance, one part going out Market, the other up the street .-We commend the efficiency of this officer, and are pleased to make a record of what we witnessed. CLEANSE THE BLOOD. - WITH CLEANSE THE BLOOD. — WITH corrupt, disordered or vitiated Blood, you must be sick all over. It may burst out in Pimpler, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. Ayer's Sarsaparilla purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Facts About Brandreth's Pills. NEW CASTLE, WESTCHESTER Co., N. Y., Oct. 23, 1852.

Ma. G. Tan Evok Sheldon, Editor Sing Sing Republi-

Dear Sir-I would state that I was induced to use BRANDRETH'S PILLS through the recommendation of John R. Swift, of Croton. Westchester County, who was entirely restored to health by their use. He was sick for some two years, very costive and dyspeptic, and he tried everything, but was not relieved. Finally, he took one Brandreth's Pill every day for a week, and a dose of six Pills every day for three days, and then took one Pill every day, with occasional doses of six. In one month he was able to go to work, and in three months was well, gaining 40 pounds in weight.

Yours truly, EDWARD PURDY. WESTCHESTER COUNTY, 88. Edward Purdy, being duly sworn, says that he resides in the tewn of New Castle; that some years ago he was very sick with a sore on his leg, which had been run ning for over five years; that he was also much distressed by a pain in his chest, an &, besides, was very costive and dyspeptic; that after rying various remedies and many physicians, he commenced using Brandreth's Pills, six to eight three times a week, and at the end of one month the sore in his leg healed, and at the end of two months he was entirely cured of costiveness, dyspepsia and pain, and has remained well ever since.

EDWARD PURDY, Sworn to before me, this 18th day of October, 1862. S. MALCOLM SMITH, Justice of the Peace.
