LOCALS.—A press of interesting and important matter excludes our usual quantity and variety of local news this morning.

MARION JONES.—Our citizens should not forget this gentleman's famous oration on Gribaldi, to be delivered in the Methodist church this evening. A rich intellectual treat may be anticipated.

USTON HOTEL.—We invite attention to the card of Mr. Henry Decker, proprietor of the Uston hotel on Ridge avenue, corner of Broad street. The house has recently been fitted up in good style, and is now among the best in that locality.

SILVER MITSUK.—The bogus constable alluded to in our last issue, in connection with the breaking open of Miss Freeman's trunk, was John Stouffer, and not Jacob, as printed by mistake. The latter is an honest and worthy shop-keeper, not guilty to such practices as the self-constituted constable has been guilty of.

GAME PRESENTATIONS.—We learn that the Speaker of the Senate will to-day be presented with a magnificent gold-headed cane, valued at forty dollars, by the officers of that body. Speaker Cosens, of the House, is to be the recipient of a similar beautiful and costly present to-morrow. Both canes were manufactured to order by Mr. M. E. Lee, the enterprising Market street dealer.

PROBABLY DISPOSED OF.—A drunken soldier named John Allen was arrested by the Chief of Police while in the act of selling some articles of military clothing. Alderman Kline turned him over to the charge of Captain Dodge, who no doubt made a proper disposition of him. Citizens who make a practice of buying up military clothing render themselves liable to arrest and punishment.

INSULTING LADIES.—The notorious William Drobot, whose name figures prominently in the report of the Senatorial investigating committee, as one of Simon Cameron's principal operators, was arrested by the Chief of Police last evening for grossly insulting several respectable ladies on the street. After a hearing before Alderman Kline he was obliged to enter security for his future good behavior.

INSTRUCTION IN SELF-DEFENSE WITH ALL KINDS OF ARMS.—By request of some gentlemen Captain De Ron will give in this city the full course of lessons to gentlemen in fencing, and to youths in calisthenics and fencing. He will commence as soon as he obtains twelve subscribers for each class.—Captain De Ron can be seen at the State Capital hotel daily from 10 to 12 a. m. and 2 to 4 p. m. For particulars see circulars. After this week Capt. De Ron will take no more scholars.

SENT TO THE POOR HOUSE.—A young South Carolina, named Bethel Smith, who represents himself as a deserter from the rebel army, arrived here about four weeks ago, and has since been in the employ of Mr. Wilson, a cabinet maker in State street. A few days ago he was taken down with the small-pox, and yesterday the gentleman with whom he boarded procured an order for his removal to the poor house. The young stranger having no means to employ a physician and nurse, the alms house is the best place for him under the circumstances.

SHIP ARREST.—The river has fallen considerably, but rafts still continue to run. Two or three passed down yesterday and several the day previous. There is an active demand for both lumber and timber, at prices that will amply remunerate the hardy mountaineers of the Northern region for their last year's toil. The sudden and unexpected subsidence of the April freshet left an immense number of rafts in the North and West branches and the streams tributary thereto, which another food will bring into the market.

REPROBATE SOLDIERS.—A squad of soldiers who recently went to Baltimore in charge of rebel prisoners, returned here yesterday morning, and while waiting the departure of the western train became intoxicated and behaved in such a disorderly manner at the depot that the provost guard had to be summoned to keep them in subjection. From the violent demonstrations made it was feared that a damaging collision would take place between the guard and the western soldiers, but the latter finally subsided, and "society was kept."

EXHIBITION OF CANNES.—Our friend, Mr. Lee, the popular cane and umbrella dealer, proposes to make an exhibition of the best stock of walking canes now in his establishment, in the rotunda of the Capitol, to-day and to-morrow. His stock comprises elegantly finished gold, silver, ivory headed and plain canes, manufactured to order, at prices ranging from forty dollars down to some of these articles are the most superb ever introduced here and well worth an examination. In his line of business Mr. Lee is far ahead of all competitors.

AMUSED.—A countryman came to this city to consult a physician to the bedside of a sick wife. He was indiscreet enough to indulge in several "sips" of bad whiskey, which had the effect of rendering him oblivious as to the object of his mission. In this condition he mounted his horse and performed some very daring feats of equestrianism, to the great danger of pedestrians on Market street, one or two of whom narrowly escaped serious injury. An officer was called upon to arrest the inebriated countryman, and after a protracted and desperate struggle the officer succeeded in dragging him from the saddle and took him before Alderman Peffer, from whence he was sent to prison for five days. What disposition was made of the horse we did not learn. It is said the man resides near the mountains, several miles above this city.

GREAT BARGAINS.—Twenty per cent. saved.—In order to reduce stock, owing to the tearing down of the old store and building up new, I offer my stock, consisting of a large stock of three-ply Ingrain, Venetian and Rag Carpets; also, furniture of all descriptions, at twenty per cent less than city prices, until the 15th of JUNE NEXT.

SPECIAL NOTICES.

CLEANSE THE BLOOD.—WITH corrupt, disordered or vitiated blood, you must be sick all over. It may burst out in Pimples, or Bores, or in some other form, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. Ayer's Sarsaparilla purges the system, cleanses the blood, restores the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Eczema, King's Evil, Tumor, Ulcers, Sores, Eruptions, Pimples, Blisters, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Itch, Ringworms or Tricostema, Tumors, Sore Eyes, Female Discharges, such as Retention, Irregularity, Suppression, Whites, Sterility, Syphilis or Venereal Disease, and all other eruptions of the skin. It is a certain cure for Rheumatism, Gout, Gravel, Dropsy, and in short for all the purposes of a purgative medicine. The blood cleanser which it cleanses the blood and cures the disorders.

AYER'S CHERRY PECTORAL is an universally known and surpasses every other remedy for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, and is useless here to recount the evidence of its virtues.—The World knows them.
