HOOFLAND'S GERMAN BITTERS PREPARED ONLY BY DR. C. M. JACKSON, NO. 681 ARCH STREET, PHILADELPHIA. NO. 681 ARCH STREET, PHILADELPHIA,

Is the very best Tonic and Nervine extant, and will give relief where all other remedies fall. This is not am reason as a servine, but has been proved over and over again by the class of persons we are now addressing, as the certificates hereto appended will skow. So well are the virtues of the Bitters known, that it is freely prescribed by the leading physicians of Philadelphia and vicinity. It is entirely vegetable, and free from alconolic stimulant and all injurious ingredients. Persons advanced in life, and feeling the hand of time weighing heavily upon them, will find in these Bitters an elixir that will restore, in a measure, the energy and arder of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

Weak and delicate children are made strong by using the Bitters. In fact, it is a family medicine, and may be profitably administered to a child of three months, the most delicate female, or a man of ninety.

Shake the bottle before using.

Price 75 cents per bottle. For sale by druggists and storekeepers generally throughout the country.

To Dr. C. M. Jackson.—Although not disposed to
favor or recommend Patent Medicines in general,
through distruct of their ingredients and effects, I yet
know of no sufficient reason why a man may not testify
to the benefit he believes himself to have received from
any simple preparation, in the hope that he may thus
contribute to the benefit of others.

I do this more readily in regard to "Hoofland's German
Bitters," prepared by Dr. C. M. Jackson, of this city,
because I was prejudiced against them for years, under
the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker,
Esq., for the removal of this prejudice by proper tests,
and for encouragement to try them when suffering from
great and long continued debility. The use of three
bottles of these Bitters, at the beginning of the present
year, was followed by evident relief and restoration to a
degree of bodily and mental vigor which I had not felt
for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN.

Phi 'adelphia, June 23, 1860.

I had suffered for years from Liver Complaint and syspepsia in their most aggravated forms—was unable to eat animal food, or indeed any vegetables with the single exception of rice, on which I subsisted for forey years. I cannot pretend to describe my sufferings is almost with pain that my memory recurst o that period. I should long sance have been in my grace have not my physician, Dr. Fichart, recommended the use of your Bittern, as the best Tonic with which he was acquainted. I had tried a number of remedies without success, but concluded to follow the advide of my medical adviser. I did so, and my most sanguine hopes were realized. I am now well, and to your invaluable Bitters I ewe it, that I am permitted to write these lines.

Very gratefully yours,

Da. Jackson—Dear Sir: I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear preof in various instances, and particularly in my own family, of the usefulness of Dr. Heoffand's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuabe preparation. It some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes.
