THIRD WARD DELEGATES .- We are requested to announce that T. G. Pomeroy and James Fitzgerald will be supported by the Democrats of the Third ward as delegates to represent them in the county convention to assemble in this city on Tuesday next.

ATTENTION, DEMOCRATS SIXTH WARD!-The Democratic citizens of the Sixth ward will meet at the public house of John Stimler, Ridge road, en Saturday evening, at 7 o'clock, for the purpose of electing delegates to the next Democratic County Convention to be held on the 21st inst. By order of the Executive Committee.

John Wilhelm, Chairman.

DIED OF LCCK JAW .-- A few weeks ago Mr. Althouse, a dairyman residing near this city, received a splinter wound in one of his thumbs. The wound subsequently festered, mortification and lock-jaw ensued, and after lingering in great agony until Wednesday last, death relieved hlm of his suffering. He was an honest and worthy man, and highly respected in this community.

FIFTH WARD.—The Democratic citizens of the Fifth ward are requested to meet at the public house of Mrs. P. Jourdan, on Saturday evening next, the 18th inst., at 7½ o'clock, for the purpose of electing delegates to represent them in the county convention, and also to fix upon a ward house for the ensuing year. By order of the

Executive Committee. Tried Ward Democrats, Attention!-The Democratic citizens of the Third ward will meet at the Franklin house, on Saturday evening, 18.h inst., at half-past seven o'clock, for the purpose of electing delegates to the County Convention to be held on Tuesday, 21st inst., and also to select the ward house for the year. By order of the Ward

Executive Committee.

George Bailey, Chairman.

FOURTH WARD DEMOCRATS, ATTENTION !- The Democrats of the Fourth ward will meet at the Morgan house, corner of Second and Pine streets, on Saturday evening, 18th inst., at half past seven e'clock, for the purpose of electing two delegates to represent them in the County Convention to be held on Tuesday, 21st inst., and also to select the ward house for the year. By order of the Ward Executive Committee.

L. Bernhard, Chairman.

THE PUBLIC GROUNDS .- The joint legislative committee on the public grounds and buildings, being composed of an equal number of Democrats and Abolitionists, adjourned without making an appointment of superintendent for the ensuing year, so that the present Abolition incumbent holds over until next winter. We confidently anticipate a Democratic majority in both branches of the Legislature of 1864, when a change will be made in the superintendency of the public grounds, and a sound and competent Democrat placed in the position.

Crowds of Yanks .- The trains from Columbia and Marietta are daily thronged with returning "yanks," most of whom go home by way of the Northern Central railroad. During the rafting season this road does an immense amount of passenger business. Many of our up-river friends hold over several hours in this city, and liberally patronize the shops, clothing stores and saloons in abandoned the depot as a field of operation, and the vicinity of the depot. Large fleets of rafts are now daily passing down the river, and soon our streets will be crowded with the stalwart and jolly natives of the mountain regions.

BROBST RELEASED .- The man of Senaorial bribery notoriety, with the particulars of whose arrest and imprisonment for insulting respectable ladies on the street our readers are familiar, was released îrom his gloomy quarters yesterday, Mr. Benjamin Buok entering security, in the sum of four hundred dollars, for his appearance at the April term of court. Having previously been arrested on a similar charge, he is now under twelve bundred dollars bail. It was not only unkind, but exceedingly ungrateful, on the part of Deacon Bergner and Simon Cameron's other "butties" in this city to abandon their friend Brobst, and permit him to the boy will be thankfully received by his parents, linger out twenty-four weary hours in a prison | by addressing them at Benvenue post office, Daucell, after the distinguished part he played in the scheme to make Simon United States Senator, and the neat swearing he did before the investigating committee to "cover up the tracks" of the chief conspirators. Their treatment of Brobst, under the circumstances, was absolutely cruel. Simon has iong had the reputation of "sticking to his friends," but in this instance, at least, he failed to sustain that reputation, and the man who served him as a faithful dog would his master, has ample reason to complain of neglect and ingratitude. So far as Deacen Bergner and Cameron's other friends are concerned, Brobst might have laid in prison until the meeting of court, had not a sympathizing Aboiition landlord taken pivy upon and released him. In a late issue of the nigger organ it was announced, with a flourish, that the honest and pious Beacon Bergner "remembered enemies as well as friends." In the case of his particular friend and co-worker Brobst, his memory certainly proved very treacherous, and the unfortunate political TENDED TO. cast-off may well exclaim, "save me from my Attorney at Law, office, Third street, Harrisburg, friends."

ATTENTION, DEMOCRATS FIRST WARK -A meetceived a communication from Alderman Maing of the Democratic citizens of the First ward glauchlin, in which he takes exception to an item ≼ill be held at the house of C. E. James, on Saturthat recently appeared in our columns relative to day evening, the 18th inst., at 7½ o'clock, for the the constabulary operations of John Stouffer, and purpose of electing delegates to the County Conthe execution of a search warrant by him at the vention, to be held on the 21st inst., and also to house of Mr. Holtsberger in the Sixth ward. The select the ward house for the year. By order of Alderman claims that he has a legal right to dep-Ward Executive Committee. utise any person to serve a warrant, and denies Geo F. Weaver, Chairman.

THE BOGUS CONSTABLE CASE .- We have re-

that Stouffer is a "bogus constable." In the item

which excited the wrath of our highly esteemed

aldermanic friend, we distinctly and unequivocally

conceded the right of Aldermen to deputise suita-

ble persons to serve warrants and make arrests in

cases of actual emergency, where it is impossible

for them to obtain the services of the regular con-

stables of their respective wards or districts. Bar-

ney Campbell is now, and has been for a year past,

constable of the Fourth ward, and as he is always on duty, willing and anxious to do business and

execute all warrants placed in his hands, (as he

bimself informs us,) his services are at all times

available. An "emergency" might arise in which

an Alderman would be legally justifiable in dep-

ntizing some person other than a constable to exe-

cute a warrant, but this does not often happen in

our city. Now, Mr. John Stouffer not only serves

warrants frequently, but, as we are informed, as-

sumes the discharge of constabulary duties gener-

ally, thus placing himself in a position to impose

upon those who believe him to be a genuine in-

stead of a "bogus" officer. In the Spring of 1862

Stouffer ran as a candidate for constable in the

Fourth ward and was defeated, but continued to

act notwithstanding. By reference to the pub-

lished statement of county receipts and expendi-

tures for 1862, it will be seen that he was paid

over forty-five dollars constables' costs for that

year. We have deemed it proper to say this much

in our own defence by way of reply to Alderman

Maglauchlin's communication, which we now sub-

to the perusal of the public, improved in its or-

thography, omitting his exceedingly chaste and

highly complimentary personal alllusions to the lo-

MESSRS. EDITORS :- I see a publication in your

paper of the 13th inst., making a serious charge against John Stouffer for acting in the capacity of

constable on the occasion of executing a search

warrant at the house of a Mr. Holtsberger, searching the trunk of a Miss Leah Freeman for stolen

goods, (there was no such a warrant issued against

a person of that name,) setting forth that said Stouffer was a "bogus constable." Now, Messrs. Editors, let me inform you that John Stouffer was

not, nor is he, a bogus constable. He was legally

and lawfully deputised to search the trunk of Leah

Farrey. Does any sensible man doubt the power of an Alderman or Justice of the Peace to deputise

a suitable person to serve a warrant? and espe-

cially when the constable of the district seldom attends his effice and cannot be found when wanted,

entire time, night and day? I have no complaints against the constable of the Fourth ward to make.

Fourth, Fifth and Sixth wards of the city as re-

Fourth ward is the Mayor's Chief, which I suppose

takes all his time; I seldom see him. The Fifth ward has not had a constable for nine months.

The Sixth ward constable resides in the north cor-

ner of the city, attentive and honest, but sickly and often not fit for duty, leaving the three upper

wards almost without a constable.

John Maglauchlin, Alderman.

THE GERMAN MURDER,-Mr. Emanuel German

and Mrs. Weitzel have returned from Dayton,

where they had an interview with the prisoner

who is supposed to have murdered Mary Elizabeth

German. The man upon whom suspicion rested

was singled out of a crowd of fourteen prisoners,

by Mrs. Weitzel, and after a most thorough exam-

ination of his physiognomy and general appear-

ance, and a brief conversation with him, she ex-

pressed herself entirely satisfied as to his being

the individual who carried the deceased down State

street on the evening prior to the murder. His

general features and expression of countenance,

eyes and hair, age and size, the mark on one of

his cheeks, his peculiar manner of locomotion, all

fully answered the description given by Mrs.

Weitzel at the time of the murder and published

in this journal. The only change observable was

in the man's complexion, which had become some-

what paler, no doubt the effect of several weeks'

close confinement in prison. There is no doubt in

Mrs. Weitzel's mind that the Dayton prisoner and

the perpetrator of the infamous outrage that star-

tled and horrified this whole community on a quiet

Sabbath morning in the month of October last, is

one and the same person. Officer Fieck identified

the man as one he had seen in this city last fall

and caged in the lock-up. Nothing was said to

the prisoner by any of the Harrisburg delegation

about the murder of Lizzie German, and he made

no voluntary disclosures to anybody concerning

the terrible tragedy. It is said the evidence

against him for the Ohio murder is of such a direct

and positive nature that he cannot escape convic-

tion. The district attorney of this county, how-

ever, yesterday forwarded to the Ohio authorities

a requisition from Governor Curtin for the body of

the prisoner, so that in the event of his acquittal

Facts About Brandreth's Pills. NEW CASTLE, WESTCHESTER Co., N. Y., Oct. 23, 1852. Ma. G. Ten Evok Shelpon, Editor Sing Sing Republi

Dear Sir-I would state that I was induced to use BRANDRETH'S PILLS through the recommendation of John R. Swift, of Croton, Westchester County, who was entirely restored to health by their use. He was sick for some two years, very costive and dyspeptic, and he tried everything, but was not relieved. Finally, he took one Brandreth's Pill every day for a week, and a dose of six Pills every day for three days, and then took one Pill every day, with occasional doses of six. In one month he was able to go to work, and in three months was well, gaining 40 pounds in weight.

WESTCHESTER COUNTY, 88. Edward Purdy, being duly sworn, says that he resides in the town of New Castle; that some years ago he was very sick with a sore on his leg, which had been run ning for over five years; that he was also much distressed by a pain in his chest, an I, besides, was very costive and dyspeptic; that after rying various remedies and many physicians, he commenced using Brandreth's Pllls, six to eight three times a week, and at the end of one month the sore in his leg healed, and at the end of

two months he was entirely cured of costiveness, dyspepsia and pain, and has remained welt ever since. EDWARD PURDY, Sworn to before me, this 18th day of October, 1862. 8. MALCOLM SMITH, Justice of the Peace.
